## STEWARDSHIP REFLECTION

### 2ND SUNDAY IN ORDINARY TIME

Today's Gospel reading from John recounts the familiar story of the wedding feast at Cana when Jesus launched His public ministry by performing His first miracle at his mother's request.

In the midst of the feast, the Blessed Mother noticed that the wine had run out and pointed out the problem to Jesus. Then, she gave the servants instructions that are equally applicable to us modern-day stewards, saying, "Do whatever He tells you." Jesus gives the servants a simple and seemingly mundane task, telling them to fill some stone jars with water. They did what He told them to do. And Jesus used their obedience in the accomplishment of that simple task to perform His first miracle, turning the water into the choicest wine.

Our Lord didn't have to include those servants in order to perform this miracle — He chose to. And today, 2,000 plus years later, He still chooses to include us in the performance of His miracles through our cooperation with Him in using the gifts and talents He has given us. What a privilege!

Let us take care to listen to our Blessed Mother. Let us examine our lives this week to see if we really are doing whatever He tells us and cooperating with God to make the best use of the gifts He has given us for the benefit of those around us. If we all take this call seriously, He will perform miracles in our families and our parish.

Donations to St. Paul Parish or School are an appropriate way to remember your loved ones. Donations totaling over \$1,000 are memorialized with an engraved leaf on the parish Legacy Tree. Please contact Renee Kessler, parish development director, or Fr. Keehner if you have any questions.

### St. Paul School Financial Aid Funds

There are a number of established funds that support St. Paul School families with financial aid. For the 2021-22 school year over \$45,000 was awarded from the growth of these funds to our school, helping over 30 families who attend St. Paul School. Award amounts vary from \$500 to \$3,600 based on need. This is truly a blessing for these families that might otherwise may not be able to attend the school. If you would like to support this fund, please direct your contributions to the St. Paul Parish School Financial Aid Fund. Contributions of any amount are welcomed. Please contact the parish business office if you have any questions regarding this opportunity.

### Emergency Tuition Assistance

The Adopt-A-Student fund helps St. Paul School families when an unexpected change, such as job loss or family illness, impacts a family's ability to make their scheduled tuition payments. To support the Adopt-A-Student fund, donations can be made electronically through the parish's WeShare electronic giving portal, by using the envelope included semiannually in the envelope packet, or dropping an envelope marked for Adopt-A-Student in the collection, in the mail, or brought to the rectory.

## CHURCH OVERSEAS COMBINED COLLECTION

Catholics around the country have always responded to the needs of people everywhere. **Next weekend**, the Diocese of Youngstown will hold the Church Overseas Combined Collection in order to assist the Church in its ministries throughout the world. This combined collection supports four major overseas services: Catholic Relief Services (CRS), Holy Father/Peter's Pence, the Church in Central and Eastern Europe and the Church in Latin America. Please remember, as we move toward the season of Lent, to support these important programs of charity in the Church.
