Spiritual Reflection

Leviticus. Today’s first reading comes from Leviticus, the most entertaining book in the bible. Not really, actually trying to read Leviticus can be tedious - like reading the fine print of a legal document or warranty. Just line after line of rituals and observances pertaining to every manner of life.

Whether it is dressing or eating or making your bed Leviticus has a ritual on how to go about doing it. If you have trouble sleeping at night, Leviticus would be a great book to pick up and read.

However, although Leviticus can seem tedious and dated to us it is an important and powerful reminder of the sacredness of all human life and activity. Be Holy, as I the Lord am Holy is the key to interpreting all of Leviticus and the key to interpreting our own lives as well.

If we remember that- that all life and all human activity is sacred AND as children of God. We are called to be Holy as God is holy- then everything we say and do can be an opportunity to give glory and praise to God! If we see others as sacred and holy then the way we treat them also becomes a way to give glory and praise to God. Be Holy, as I the Lord am Holy.

REGULATIONS FOR FAST AND ABSTINENCE

1. Ash Wednesday and Good Friday are days of fast and abstinence. The Fridays of Lent are days of abstinence in the United States.

2. The obligation of abstinence (refraining from eating meat) begins at the age of 14. The law of fasting (limiting oneself to one full meal and two lighter meals) obliges all between the ages of 18-59. No one should consider this obligation lightly.

3. Those individuals who have a medical condition in which fasting may be considered harmful are not obliged to fast, but should perform some other act of penance or charity.

4. All members of the Christian Faithful are encouraged to do acts of penance and charity during the Lenten season beyond what is prescribed by the law.

LENTEN MEDITATION BOOKLET

After Mass this weekend we have a Lenten Meditation Booklet called “The Word Among Us” for each of the adults of our parishes. This booklet gives you a meditation for each day throughout the Season of Lent. There are two different booklets, which both contain the Meditation. The larger booklet, besides the meditation, also includes the scripture readings for each day of Lent. We ask that you take either the smaller or the larger version so that all our adults will be able to take one home.
WELCOME IN BAPTISM
This weekend we are happy to welcome in Baptism two babies.
At OLA we welcome
Miriam Leah Castillo,
the daughter of Tomas & Meghan;
and at SMG we welcome
Eric Charles Wohlfeil,
the son of Jonathan & Christine.
We congratulate these parents and godparents and we pray that they may help this new daughter and son of God to grow in the knowledge and love of the faith and the Church and always be filled with His Spirit.

PIEROGI SALES
The delicious Potato & Cheese Pierogi that were made this weekend will be on sale after the Masses next weekend (Feb. 29th & Mar. 1st). Cost will be $8.00 a dozen and there will be a limit of 2 dozen per family so that as many families as possible can enjoy the great Lenten treat. The next effort for making sauerkraut & cottage cheese Pierogi will be on Friday & Saturday March 27 & 28 and we will be signing up volunteers for preparing the fillings and making the Pierogi starting the weekend of March 7 & 8.

NEWS ON RELEGATING ST. LAWRENCE O’TOOLE CHURCH BUILDING
After Consultation with the Finance and Advisory Council Members of St. Maria Goretti Parish, I am accepting the recommendation to seek permission from Bishop Zubik to close St. Lawrence O’Toole church building and relegate it to profane but non sordid use. This basically means to designate it for secular rather than for religious use.

As you are aware, we moved the one St. Maria Goretti Parish Sunday Mass that was celebrated at St. Lawrence church with the Sweet Rejoicing Choir to St. Maria Goretti Parish Immaculate Conception church on September 1, 2019. The reason that necessitated a move at that time was that the Insurance Office of the Diocese, for safety reasons, had required that we rope off two sections of the church because of the danger of ceiling plaster falling on the congregation. There are multiple areas of the church roof that are leaking in the body of the church, in the sanctuary, and in the sacristy.
Besides the water damage to the ceiling, caused by the leaking roof, there are also several radiators in the church that are leaking on the floor. In the basement there is mold and a lot of moisture throughout.
Taking all these things together, the use of the church building no longer seemed safe and the cost of the repairs of the roof alone, which were estimated at $250,000, are certainly not possible given the debt that the parish already has and is unable to pay down.

A factor that made this difficult decision a little easier is that St. Lawrence O’Toole church, since 2011, has been one of three church buildings in the Parish of St. Maria Goretti. The “care of souls” has not been impacted by the moving of the one Mass from St. Lawrence to Immaculate Conception church; and St. Maria Goretti Parish will not be impacted through the closing of this building since the people of our parish and neighborhood have access to the church buildings in Bloomfield and in Lawrenceville, which are located just a few minutes from St. Lawrence O’Toole church. This is not an abandonment of the Church’s presence in this area but rather, as our Grouping moves to become a new parish in the near future, the plan continues to be that we will have a worship site in the Bloomfield/Garfield area as well as one in the Lawrenceville area to care for the needs of the people of our entire parish.

After a decree to close the building is issued, all religious articles and usable items from the church building will be relocated to other churches in our Grouping or stored in the diocesan Archives.
NEW PARISH SHARE
Beginning next weekend we will be listing in the bulletin the new Parish Share Assessment amounts. Our Parish Share Assessment has gone down at both of our parishes due to the fact that our income has gone down at both our parishes. St. Maria Goretti Assessment is: $67,027; and the Assessment Goal for Our Lady of the Angels is: Parish Share - $48,004 and Tuition Assistance - $27,275 for a total Assessment needed of: $75,279. Each parishioner will be receiving a letter explaining the Parish Share Assessment in a little more detail. If you have any questions, please call Bro. John.

CONTRIBUTION LETTER
Now that a new calendar year has begun, if you would like a letter listing your contributions for calendar year 2019 please email or call the parish office and a letter will be sent to you.

FLU SEASON CAUTION
We ask that those coming to Communion who feel sick in anyway please do not receive from the Chalice.

HOLY NAME NEWS:
The Holy Name society is pleased to announce that our parishes will have two awardees at the Diocesan Banquet on March 22, 2020 – Evan Airhart, Jr. at Central Catholic, has been chosen to receive the award as Outstanding Catholic Youth and James Wudarczyk will receive the Medallion Circle Award, the highest award of the National Holy Name Societies. There will be a noon Mass at the Cathedral followed by a catered buffet in the social hall. Congratulations to these two men for their dedication in living and sharing their faith.

CATHOLICISM IN LAWRENCEVILLE
The history series on the Catholicism in Lawrenceville by James Wudarczyk last Sunday was enjoyed by 35 people. It is a blessing to have this opportunity to learn from our past so that we are able to know where we came from as we chart where we hope to go in the future. Though history does not determine or dictate our future, it can be a reliable light for the vision of our faith community and our church. The third presentation on Catholicism will take place on Sunday March 15th after the 9:30 a.m. Mass at OLA and the topic will be: "Catholicism and The Lawrenceville Experience: The Age of Gentle Decay, 1941 to the present." Be sure to mark your calendars.

SAINT MARIA GORETTI’S HALL OF FAME CONTINUES TO GROW

Our students never stop “running the race” to achieve recognition for their excellent work in placing for an award in any contest!

On Saturday, February 1, nine of our students attended the Pennsylvania Junior Academy of Science Award Ceremony at Duquesne University with their Science Teacher, Mr. Richard Carlberg.

Kiana Booth, grade 8, received a special award and ranked 1st place with her project. Kiana will now enter her project on the state level, sometime in the month of May, at Penn State.

Kendra Wilmer, Evelyn Sorg, Michael Hollihan, Elyse Brennan and Christopher Bell received 2nd place awards for their projects, and 3rd place awards were given to Elizabeth Morris, Paige Perkins and Madalyn Spurling.

We are definitely proud of these students; we congratulate them and place them in our Hall of Fame. We also wish Kiana Booth greater success as she goes on to Penn State with her science project.
