# READINGS & REFLECTIONS

### FIRST READING:

All the ends of the earth will behold the salvation of our God. (Is 52:10)

### PSALM:

All the ends of the earth have seen the saving power of God. (Ps 98)

### SECOND READING:

In times past, God spoke in partial and various ways to our ancestors through the prophets; in these last days, he has spoken to us through the Son. (Heb 1:1-2)

### GOSPEL:

And the Word became flesh and made his dwelling among us, and we saw his glory, the glory as of the Father's only Son, full of grace and truth. (Jn 1:14)

### FROM THE PASTOR:

The Sunday within the Octave of Christmas is always dedicated to the Holy Family. Today we contemplate the mystery of the Holy Family as the ideal of family life. The Lord has given us the Holy Family as further assistance to living our full potential in family life. Ultimately, when we imitate the virtues of the Holy Family, we glorify the Holy Trinity. This doesn't have to be overly complicated. G.K. Chesterton said, "The most extraordinary thing in the world is an ordinary man and an ordinary woman and their ordinary children. When we step into the family, by the act of being born, we do step into a world which is incalculable, into a world which has its own strange laws, into a world which could do without us, into a world we have not made." It's in the unexpected and daily faithfulness to family life that we find real holiness and extraordinary virtue. Call upon the Holy Family today to renew your own commitment to living as a holy family.
