# READINGS & REFLECTIONS

### FIRST READING:

Then the glory of the LORD shall be revealed, and all people shall see it together; for the mouth of the LORD has spoken. — Is 40:5

### PSALM:

O bless the Lord, my soul. — Ps 104

### SECOND READING:

He saved us through the bath of rebirth and renewal by the Holy Spirit. — Ti 3:5

### GOSPEL:

After all the people had been baptized and Jesus also had been baptized and was praying, heaven was opened and the Holy Spirit descended upon him in bodily form like a dove. — Lk 3:22

### FROM THE PASTOR:

The Christmas Season concludes following today's feast of the Baptism of the Lord. This feast marks the beginning of Jesus' public ministry. It is a sign that the saving waters of Baptism which we have received are not only for the salvation of our own souls. Baptism is our Theophany, our intense encounter with God, which then sends us out into the world to make disciples. The reception of Baptism is not a merely personal experience but a very public one. It is necessarily a declaration of belonging to the family of the Lord of all Creation and thus we are set to make more members of that family. Following His baptism, Jesus is driven by the Spirit into the desert to be tempted by the Adversary. Following our baptism, and indeed for the majority of our lives, we too are driven into the wilderness of the world. Yes, we endure temptation, but we have the power given by the grace of the Holy Spirit to resist, and not only resist, but to witness to the power and mercy of the One we have received.
