# ST. BERNARD CATHOLIC CHURCH

219 East Bridge Street - Breaux Bridge, LA 70517  
(337) 332-2159

January 1, 2022

Dear St. Bernard Parishioners,

Happy New Year! **Today marks the beginning of our 175th anniversary as a church parish serving the community of Breaux Bridge.** We are filled with gratitude for the abundant blessings the Lord has given to St. Bernard Church over its history. We remain committed to caring for and passing down all that He has entrusted to us. As we look forward to the future of our parish, particularly this upcoming year, there are several major projects that will serve the needs of our community for decades to come.

As you know, at the beginning of November 2021 we launched the 175th Anniversary Campaign as we seek to accomplish the church restoration and expansion projects outlined here:

Your response to these projects have been overwhelmingly generous and eager. Your excitement and desire for these projects is encouraging. It is a testament to your faith and your commitment to the future of St. Bernard Church.

We set a goal of \$600,000 to be combined with \$315,000 in savings. **As of today, you all have pledged more than \$710,000!** Reaching over our goal allows us to accomplish even more than we hoped for. These funds will serve our parish in powerful ways to care for our church building and expand our catechesis and evangelization efforts.

I look forward to all this coming year will offer as we celebrate 175 years and create a firm foundation for continued service to future generations! May this new year's day be a blessing of hopeful expectation for all the Lord desires to fulfill within us. May Mary, the Mother of God protect us and lead us closer to her Divine Son.

St. Bernard of Clairvaux, pray for us.

In Christ,

Fr. Garrett McIntyre  
Pastor of St. Bernard Catholic Church

# READINGS & REFLECTIONS

## GOSPEL MEDITATION:

God delights in you. How do you feel when you hear that? Delight usually comes with an exuberant flow of joy that seemingly arises from one's toes with the expression of great glee. Reflecting upon the deep measure of joy God has in us can be a source of joy for ourselves. Delight is infectious. A very young brother and sister were playing on the beach when the all too familiar ice cream truck made its daily rounds. The boy shook with excitement and delight as he took his sister's hand and exclaimed, "The ice cream man is here, isn't it great!" As they ran off toward the truck, one could hear the girl reply, "Yeah, I can't wait!" The experience of a child's delight in something so simple as ice cream, lifts our spirits from our burdens and transports us to the lighter, more innocent side of life.

Life is not meant to be a burden. Believe it or not, God actually wants us to be happy! In fact, the wedding feast at Cana shows us that God even puts His blessing on our happiness. It is okay to celebrate the wonder of ourselves and others. Life is good. It is always interesting to note that Jesus saves the good wine until last. You would think it would be the other way around. The superb quality of Jesus' wine points to the superior quality of life we find in Christ. It is not a life of burdens but a life of wonder and delight! In Christ, we are lifted from the superficial and mundane to a life of purpose, hope, and love.

God is with us through the long haul, through the challenges and sorrows as well as the successes and accomplishments. In spite of the fact that we often wander from the path, God's celebratory delight in us remains. As spouses are asked to remain faithful to each other through whatever life brings, God remains faithful too. This promise remains through this life and into the next. All we have to do is take the advice of Jesus' mother to heart when she says, "Listen to him." This wisdom saves us from foolishly giving in to the illusion that we can make better wine than Jesus.
