### THE ASCENSION OF THE LORD

So then the Lord Jesus, after he spoke to them, was taken up into heaven and took his seat at the right hand of God. But they went forth and preached everywhere, while the Lord worked with them and confirmed the word through accompanying signs. - Mk 16:19-20

### CCD

Online CCD registration is open. Please check your email inbox for the link. Register by 6/30/24 not to incur the late fee. Registration forms are also located in the back of the church. Any registrations after this date have to be made in the office with a \$50 late fee. All registrations will close 7/3/24.

Thank you!

### National Eucharistic Congress

**July 17-21, 2024**

We just got exciting news from the Vatican: several key moments in the National Eucharistic Revival are now opportunities to gain a plenary indulgence!

Anyone who participates in the National Eucharistic Pilgrimage or attends the 10th National Eucharistic Congress will be granted this special remittance of temporal punishment associated with confessed sins (under the usual conditions of an indulgence). That means every stop along the nationwide Pilgrimage route and the Congress event itself are now even greater opportunities for grace than they were before!

If you have not yet registered for either of these incredible milestones in the Revival, **now is the time.**

## Meditation

### The Ascension of the Lord

When I was a kid, my parents took me to the circus, and I was mesmerized by the acrobats. I recall one show in which the trapeze artists would swoop down just above the ground and then launch up into the air, flinging their bodies seemingly to the top of the tent, all at dizzying speeds. It wasn't just their height but their dangerous proximity to the ground that thrilled me.

Perhaps that's a little how St. Mark wants us to feel as he describes the Ascension of Jesus. He tells us that Jesus "sat down at table with them" and then, just a few lines later, "he ascended into heaven and took his seat at the right hand of God." He dies, he rises! He sits down, he ascends! What do these divine acrobatics teach us?

The depth and height on display are a show of his love for us. When Jesus "sat down" he "upbraided them for their lack of faith and stubbornness of heart." He dangerously swoops down into our lowly place of fragmentation, disbelief, and death. When he ascends, he confirms their preaching with signs of powerful healing. The height of heaven is the place from which God brings wholeness, faith, and life. The point is the Ascension of Jesus is not about his departure. It is about the feat by which he unites the heavens and the earth, the highest and the lowest.

We are meant to relive this spiritually dizzying experience in every Mass, when Jesus sits down with us at his Eucharistic table and then offers himself up to the Father with and for us. Ladies and gentlemen, boys and girls: welcome to the great tent of the Church! Feast your eyes on the divine and human acrobat whose saving feat is the great thrill of our lives.

**The Last Hope of Salvation**

I heard a voice in my soul: **These words are for you. Do all you possibly can for this work of My mercy. I desire that My mercy be worshiped, and I am giving mankind the last hope of salvation; that is, recourse to My mercy. My Heart rejoices in this feast.** After these words, I understood that nothing can dispense me from the obligation which the Lord demands from me (*Diary*, 998).
