## Reflection

It has been a very long winter. The warming days and green grass seem to echo the joy we feel at coming out of isolation. This year, as we celebrate Easter together once more, we may have a whole new appreciation for the meaning of resurrection.

**EASTER MESSAGE 2021**

I am thrilled to begin my Easter message this year with a famous quote from Archbishop Fulton Sheen "Unless there is a Good Friday in your life, there can be no Easter Sunday." These are words of encouragement and consolation to all of us Christians particularly during this unprecedented time of Coronavirus pandemic. This year's Easter echoes unequivocally the significance of the Passion, Death and the Resurrection of Christ and how it resonates so well to our lives today. Regardless of what is happening today, we should and must be grateful to God for his love, mercy, guidance and protection throughout the Lenten season. I am advising that we personalize this Easter celebration. Recalling the Easter reality in the life of Christ, we can acknowledge that, by the gift of faith, we have been able to pick a winner. But the hidden reality and the source of unspeakable Easter joy is the fact that a winner has chosen us! This is victory day, this Easter Sunday. The triumph is Christ's, of course, but he has chosen to share that victory with us and make winners of us all. How can we not be happy today? How can we not be grateful?

Easter is absolutely the perfect time to rethink the road we are on, where it is leading, and whether it is where we want to go. We're all-natural born pilgrims but since we're not homing pigeons, we don't have a natural sense of direction or internal GPS. We know we are moving through steps in our lives, we are just not sure we know where we are and where we are going! Easter is a signpost inviting us to get our bearings and travel a new way to a new place to live a new kind of life. Particularly this time of COVID -19 Pandemic, we should realize that there is a lot that is "new" about Easter which may turn some of us Christians off and irritated. It always has and always will. But the one who has travelled this way before gave us a clue about what we might expect. His name is Jesus, and his narrative is nothing less than miraculous.

May the Easter message of Jesus, "Peace be with you!" be the gift your families and friends celebrate with each other, the gift we celebrate with each other and the gift that together we breathe into all we meet. "HE IS TRULY RISEN ALLELUIA ALLELUIA!"

**HAPPY EASTER TO YOU ALL**
