Catholic Charities
DIOCESE OF CLEVELAND
2021 ANNUAL APPEAL

Love your NEIGHBOR

Love Your Neighbor. Many parishioners received letters in January, inviting their support of the Annual Appeal. Please pray for the good work of Catholic Charities and make a pledge today. Your donation makes a difference!

Your support of the **2021 Catholic Charities Annual Appeal** will help us serve those individuals who are most in need and most vulnerable. From Matthew's Gospel: Whatever you did for the least of these, you did it for me. When we feed the hungry, take care of the sick, and welcome the stranger, we are also serving Jesus himself.

We appreciate your donation and will take special care to use it wisely in providing essential programs and services to people in need throughout all eight counties of the Diocese of Cleveland.

We invite you to view stories of inspiration at ***CatholicCommunity.org/2021Appeal***.

Double your impact! A generous donor, who believes in the mission of Catholic Charities, will match your gift, up to $1 million. Do twice as much good when you give online at *CatholicCommunity.org/Match*. **Thank you!**

Dear Parents of
St. Mary of the Assumption School,

Thank you for allowing us to be a part of your children's lives. We are blessed and honored to be given the gift of educating your children. It is a joy to have them as part of our amazing school family!

St. Pat's Christmas Collection

We received a letter from St. Patrick's pastor thanking us for the gift cards collected that helped those in need celebrate our Savior's birth. It reads:

Dear Father and parishioners,

St. Patrick Parish's St. Vincent de Paul Family Christmas Gift Program graciously thanks you for the gift card donations. Your generosity and giving spirit helped to provide a wonderful Christmas to over seventy families this Holiday. Your donations have been nothing short of incredible. The wonder and gratitude of those who receive them reinforces the kindness and sharing of the Cleveland Catholic community. Thank you once again for your time and continued support during the celebration of our Lord's birth. We are so grateful for your kindness and generosity.

Catholic Diocese
of Cleveland

Office of the Bishop

68/2021
27 January 2021

Dear Brothers and Sisters in Christ,

This past week in our country we celebrated Catholic Schools Week. I celebrated a Mass at the Cathedral that was virtually watched in all our Catholic Elementary Schools. It was a great joy for me. In that same joy, I wanted to share some exciting news! Since coming to the Diocese of Cleveland this past fall, I have come to see that one of our great treasures is our Catholic School System. We are blessed with 87 Elementary Schools and 20 High Schools as well as a number of preschools, childcare centers, colleges and universities. We educate over 37,000 children in our K through 12 schools. Without a doubt, this is a very important youth ministry of our diocese.

Aware of shifting demographics, enrollment challenges, and a desire for a renewed vision for Catholic education here, a yearlong "Think Tank" was convened under the leadership of my predecessor, now Archbishop Nelson Perez. This Think Tank emphasized the need for a plan for Catholic schools in the Diocese as well as the need to address several areas of concern, ranging from governance and finance to efforts to offer high quality and vibrant Catholic schools accessible to all.

With the transfer of Archbishop Perez and the limitations caused by the pandemic, strategic planning was put on hold. Over the last few months I have met with various stakeholders around the Diocese as well as many priests and other leaders. They have encouraged me to restart this strategic planning process as soon as possible. I am now able to move this forward.

I am very excited to announce the *Keeping the Faith: The Future of Catholic Schools* Initiative in our Diocese. This initiative is a major undertaking in our Diocese, and I have assembled a task force to lead us through this process and present me with a strategic plan for our Catholic Elementary Schools by May 2022. After reviewing the plan with additional consultation, I hope to begin to implement this plan in the 2022 – 2023 school year.

The Task Force is charged with creating a plan with objectives, strategies, and tactics to keep our schools grounded in the Catholic faith, academically excellent, and as widely available and affordable as possible within our Diocese. The hope is that this plan will serve as a model that can be used to strengthen our Catholic high school system and guide our Parish Schools of Religion, Youth Ministry and Adult Faith Formation programs.

The Task Force includes just over 50 members to assist in this work. These members represent clergy, school staff, diocesan staff, and members of the business community and experts in education.

This initiative is not about closing schools, merging them, or suggesting major reconfiguration throughout the Diocese. While some of this may come naturally as part of the process, I believe that we can create something that allows Catholic schools to be viable, accessible, and vibrant for those who want them to be the best option for their children's education and Christian formation.

The Task Force will use the guiding principles of **Strong Mission, Multiple Models, Subsidiarity, Parish and Diocesan Support, Parental Choice, and Innovation** in creating this plan. The Task Force will look specifically at and make recommendations to strengthen six areas of Catholic Schools: Quality &

Catholicity, Leadership, Data Systems, Finances, Governance and Marketing and Communications. Finally, we will work to create an atmosphere within the Diocese of Cleveland that emphasizes the relationship of our Catholic schools to each other rather than one that encourages an unhealthy competition among them. **The education and Christian formation of our youth is the responsibility of all of us, and this must also include our common support of our Catholic schools.**

Considering this treasured heritage and shifting context, I, and leaders of Catholic schools in the Diocese believe it is the right time to reflect deeply and creatively on the vision, strategy, and operational norms of Catholic schools in the Diocese of Cleveland, to deepen and renew the commitment to our mission, and to chart a course for the future of Catholic schools in the Diocese of Cleveland. We look forward to sharing with you in the coming months and years our plans to *Keep the Faith* with a secure and strong *Future for our Catholic Schools.*

May God bless the children in our care, their families, all those who serve the educational mission of our Church, you, and those you love.

Sincerely yours in Christ,

The support that continues to be shown to the SMA School community has afforded us many opportunities to maintain an innovative, creative, and safe learning environment in our school!

With deepest gratitude, we are requesting your continued generosity to add 50 additional Chromebooks to replace original ones that are becoming obsolete, three (3) water bottle filler stations, and classroom needs for our ALL-DAY Pre-K beginning Fall 2021. Ash Wednesday
February 17, 2021

Catholics around the world traditionally mark Ash Wednesday – the first day of Lent – by attending Mass and receiving consecrated ashes as a symbol of their duty to pray, fast and do charitable works (almsgiving). Ash Wednesday, which is not a holy day of obligation, falls on February 17th this year.

Mass at the cathedral will be celebrated at 7:15am, 12:00nn (livestreamed with Bishop Malesic as celebrant) and 7:00pm that day.

Ashes can be distributed during Mass throughout the diocese. However, a **new procedure will be used.** The priest will bless the ashes with holy water and then only once say one of the formulas from the Roman Missal – either "Repent, and believe in the Gospel," or "Remember that you are dust, and unto dust you shall return."

The priest will cleanse his hands, put on his face mask and distribute ashes to the faithful but instead of marking each forehead with a cross, he will sprinkle ashes on the head of each person without saying anything, thus limiting as much physical contact as possible. The United States Conference of Catholic Bishops said this method of distributing ashes is common practice in some other countries, but is not well known in the United States.

There is no requirement for anyone to receive ashes and Ash Wednesday is not a holy day of obligation.

Prayer for Married Couples

Almighty and Eternal God,

You blessed the union of married couples
so that they might reflect the union of Christ
with his Church:

Look with kindness on them,
Renew their marriage covenant,
Increase your love in them,
and
Strengthen their bond of peace so that,
with their children, they may always
rejoice in the gift of your blessing.

We ask this through Christ our Lord.

Amen
