First Parish Golf Outing
A Hole In One!

Nearly 70 golfers participated in the St. Mary of the Assumption Parish Golf Outing at Powderhorn Golf Course on Sunday, August 8th. The outing was a fundraiser for the St. Mary School Adopt A Student Tuition Assistance Fund which the Men's Club/Holy Name Society has long supported. The fund makes a Catholic education more affordable to families who want to provide their children with a faith-based education but don't have the means to do so. The Men's Club/Holy Name Society contributes the equivalent of a full school tuition annually to the fund and with the proceeds from the outing will be able to increase that amount significantly next year.

Thank you to all those who participated and to our sponsors who helped make this day possible. We look forward to seeing you at the 2022 outing! For information on sponsoring or participating in next year's outing please email Jeff Fenner at jfenner@b-communications.com.

The Year of the Family

Pope Francis recognized that every family has its problems, and that at times, because we are human, because we are weak, we even fight within the family. "I want to tell you one thing," the Pope said: **"If we fight in the family, never end the day without making peace."**

He recommended **three words that should be common in every family: "please," "thank you," and "I'm sorry."** If these three words are present in the family, he said, the family will be in good shape.

Catholic Diocese of Cleveland
Covid-19 Safety Recommendations Reminders

As Covid-19 seems to be resurging and new variants of the virus emerge in Northeast Ohio, it is necessary once again to offer recommendations and reminders based on the latest guidance from federal, state and local public health agencies for the safety of all who worship at Catholic parishes throughout the Diocese of Cleveland.

Pope Francis reminds everyone that "vaccines are an essential tool in this fight" against the virus. Those who are eligible should talk to their health care provider and seriously consider getting the vaccine to protect their health, the health of others, and to ease the increased burdens on our healthcare system and those who work there, many of them who are heroes to us.

All ministries of the Diocese of Cleveland, including parishes, schools, PSR, youth ministry and the like, are collaborating with and considering the various recommendations of public health authorities as they continue in their efforts to reduce the risk of Covid-19 for those they serve.

- All persons, whether vaccinated or unvaccinated, **should consider** wearing masks when in close proximity to others.
- Frequent hand washing and practicing social distancing are strongly encouraged.
- Regular disinfection of frequently touched surfaces.

It is inevitable that people will make different choices about masking and other public health recommendations. The Diocese reminds everyone to show kindness and respect to one another, especially to those who may be taking an approach different from their own. Individuals and families must decide for themselves how best to respond to the current situation taking into consideration information from credible health authorities while following our Lord's command, "As I have loved you, so you also should love one another" (John 13:34).

Those who are ill, have significant health risk factors or care for someone who is immune-compromised or ill, as well as those who have significant fear or anxiety about contacting the coronavirus in a large group settings are not obliged to attend Mass.

Remember that the situation continues to be fluid. Stay connected to information coming from national, state and local health authorities and stay home . . . when you are not feeling well. Following these recommendations will go a long way in helping to keep you and others around you safe.

Jesus reminded His Apostles in the gospel of Matthew to "take courage and do not be afraid" when facing the storm. Jesus remains with us today and through our faith in Him and our love for one another, we too can endure the trying challenges facing us today.

Thanks to all who have done their part to reduce the risk of infection for themselves and others. May God bless and watch over us in our time of need.

Faith & Values
APPEAL FOR EDUCATION

Catholic schools in the Diocese of Cleveland are changing the lives of children and their families. Thanks to the generosity of people like you who know the value of a Catholic education, last year more than 3,500 students received need-based tuition assistance. When you give to the **Faith & Values Appeal** to support tuition assistance for a Catholic school student, you are giving a gift that will live on in the lives of those served in our schools. Please pray that the generosity of our parishioners will continue to support the formation of our youth in Catholic schools where faith makes a difference.

To donate online please visit

Solidarity Fund for the Church in Africa

You are invited to stand with Africa this month by supporting the Solidarity Fund for the Church in Africa. Through this collection, Catholics in the United States help the Church share the Gospel through evangelization, catechesis, formation of priests and religious sisters, and mass media, while also working to build peace and reconciliation between neighbors.

Africa faces the economic and social hurdles of enormous debt, epidemic, severe poverty, and political unrest. In spite of these challenges, the Church in Africa has almost tripled in size in the past 30 years. However, it is difficult for the Church to sustain its growth and maintain essential pastoral outreach. Your support helps the young and growing Church to provide grants to finance pastoral projects including outreach programs, schools, evangelization, and education of clergy and lay ministers.

Please consider making a gift to the Solidarity Fund for the Church in Africa at Mass or through your Church's e-offertory program during the month of August.

Thank you to all who have generously contributed to the **Solidarity Fund for the Church in Africa.** Please continue to pray for our African sisters and brothers. For more information, please visit ***https://www.usccb.org/committees/church-africa.***
