HOLY ANGELS CHURCH FLOORING PROJECT

Many of you have generously responded to the invitation to donate to replace the flooring at Holy Angels church, and for that I am grateful. Even though the entire amount of the project was not raised, it is the consensus of the Finance Committee and Buildings and Grounds Committee members to move forward with this project. The balance of \$154,360.98 can be paid from our reserves. However, we will still gladly accept your donation in an attempt to fully fund the project so we can maintain our reserves for future unanticipated needs.

This project is soon going out for bids, and the start date is July 27th with an expected finish date of no later than October 2nd, the Feast of the Guardian Angels. The church will be closed during the replacement of the flooring and the refinishing of the pews. While the final details are still to be determined, we are looking at the possibility of celebrating Masses in the Holy Angels School gymnasium during this period. More details of the logistics will be forthcoming.

Once again, thank you for your contribution to this project that is the finishing piece of ensuring the beauty and integrity of Holy Angels church for generations to come!

Blessings, Fr. John W. Tonkin
