Letter from Fr. Joe Tokasz

Happy Easter Everyone,

We have come through the time of Lent to the joy of this day, the day of our salvation.

Let us rejoice and be glad for the Lord is Risen Alleluia!

In the resurrection of Jesus, we are promised and have received new life. This is a life without end for those who are baptized, a life that is not just in this world, but in life eternal to come with our Lord.

How will the joy of Easter transform our lives this year? Perhaps it is a new vigor in living our faith, a new depth of prayer and relationship with our Lord, newness in our compassion and care for the poor and those in need, new strength and discipline to live as God has created and called us to live, or a renewed desire to share the joy of Jesus Christ risen?

Whatever it is, live it and share it.

Once again everyone, Happy Easter to you and yours.

In Christ,

Fr. Joe Tokasz, Fr. Dave Richards, Deacon Tim Haley,
and Deacon Kevin Barron

A NOTE OF THANKS

St. Margaret's Fish Fry was a wonderful event to share great food, friendship and to win gifts. We are so grateful to Tom O' Connell, at the American Legion Post, for letting us have our fish fry there. This event was only possible due to the many dedicated volunteers who worked before, during and after the fish fry. Also, thank you to everyone who donated to the raffles. Your generosity is greatly appreciated especially from all the winners.

Let us continue to support St. Margaret's Church and the CCBN Community to grow in faith and service.

FAMILY DAY OF SERVICE

St. Mark School and Church is hosting a Shoshone Cleanup on Saturday, April 26th from 9:00 - 11:00 a.m.

We've all spent some time over at Shoshone to watch a home game or 2! Let's help get the park ready for little league ball! Dress for the weather and meet at the concession stand for instructions. Garbage bag provided. Bring rakes, weed trimmers, etc.! Families are encouraged to come serve together.

High school students in need of service hours and all of our CCBN family are welcome to join us!

CATHOLIC HOME MISSIONS APPEAL

Next week we will take up the Catholic Home Missions Appeal. Today, nearly 40% of dioceses in the United States and its current and former territories are unable to fund the essential pastoral work their communities need. Your support for this appeal helps them meet these faith formation and sacramental needs. Please prayerfully consider how you can support this appeal. Find more information at www.usccb.org/home-missions.

ST. MARK SCHOOL

APRIL IS ABOUT... PROBLEM SOLVING

Problem Solving is like a muscle that we can grow bigger with practice. Try to allow your child(ren) the opportunity to solve their own dilemmas.

How can we problem solve at school?

- Remind students of the power of yet when they are stuck on a problem. You just haven't figured it out yet!
- Remind students to ask questions when faced with a problem. This will wake up your thinking brain
- Remind students to set small goals in order to reach a larger one. Take the problem one step at a time.

How can we problem solve at home?

- Talking through questions they can ask themselves
- Reminding them the of the power of yet
- Giving them time, space, and confidence to solve it on their own.

Activities: Practice mental challenges at home on building problem solving skills and work on communication with others when solving a problem.
