#### Lourdes Virtual Pilgrimage Experience

In 1858 the Mother of God appeared 18 times to Bernadette Soubirous in a grotto cave in Lourdes, France. Lourdes became well known and is well loved as a holy place of pilgrimage, prayer, peace and healing. Millions of people from all over the world travel to Lourdes each year. Now, Lourdes comes to us through a Virtual Pilgrimage Experience. With the grace of a plenary indulgence, this interactive, prayerful experience "transports" us to the Grotto in Lourdes through projected imagery, an in-person guide, actual pieces of the grotto rock and Lourdes water. The Rosary Procession and Eucharistic blessing are sacred parts of this profound and prayerful event. Come and experience the peace and healing of Lourdes....

**Sunday, September 29 at 1:30 pm**  
at St. Adalbert Basilica, 212 Stanislaus St., Buffalo.

### WEEKLY REFLECTION

When people whisper, what they whisper usually is not flattering. It's also usually not accurate. If it was either of these things, it probably wouldn't have to be whispered.

"Stop murmuring among yourselves," Jesus tells the community in today's Gospel, and I think I detect a hint of impatience in his voice - or is that just my own bias? Maybe, maybe not. But it's true that what they were whispering about wasn't particularly flattering, and it also wasn't very accurate: Did you hear what he said? That he's the bread of life?

Do they disbelieve, or are they simply confused? Resentful? Afraid? Overwhelmed? We don't know, but we do know that they're not bringing their questions into the open. They're whispering them, trading them secretly, like contraband. We know this guy. Who does he think he is? Well, if you ask me...

And then we get to what is usually the true purpose of a whispered opinion: the desire to make oneself out as the correct and unchallenged judge of the matter at hand.

In many ways, we have become a Church of murmurers. Did you see what Bishop So-and-So said to Such-and-Such newspaper? Did you hear what Fr. Whatshisname said in his homily? Who does he think he is? Well, if you ask me...

Perhaps it was always this way, even before modern times. Perhaps this Gospel shows us that this is no new thing.

Today, we see Jesus respond to his sulking critics by drawing their attention back to the truth at the heart of his teaching. Everyone who listens to my Father and learns from him comes to me. And that is the end of their murmuring.

The truth is like a brick wall, and it knocks them over — or rather they, hurling themselves against it, knock themselves over.

*"I am the living bread that came down from heaven; whoever eats this bread will live forever."* — John 6:51
