FROM THE PASTOR

An extract from the “St. Paul’s Roman Catholic Church: Centennial of Faith and Service”

Father Nelles was called by his superior to become Perfect General of Sacred Heart College in Wisconsin in 1900. Although only at St. Paul’s two days a week, he had accomplished much in two years. His successor, Father Edmond Sturm, S.J. would do the same, assisted by Father Aloysius Pfeil. Father Sturm was also a non-resident Pastor and he remained at St. Paul’s until 1903.

Father Peter Leonard, S.J. succeeded Father Sturm and, together with Father Pfeil, was instrumental in directing the parish through a very important stage of its history.

Up until 1903, little, if anything had been paid to the Mand and Keller family’s original loans they had made to the parish. Although no significant debts have been incurred since then, the debt began to weigh heavily on Father Leonard. IT should also be noted that neither family had every approached the pastors for payment.

Over the last several weeks you should have seen and taken information on the Road to Renewal. Now we would like to tell you who are family is and a few things we will be doing to start the slow process. First we are family number 17 and our family includes the following parishes. St. Paul’s, St. Andrew, Blessed Sacrament, St. Timothy, St. John the Baptist & St. Stephen’s on Grand Island. We are not a pilot parish and we are in Phase 3 of the process. We are looking at 2024 as the year we should be working as a family. With guidance we will start sharing and working with our family in areas of sacrament preparation , Faith Formation and possibly staffing. As we start collaborating a notice will be put out to keep all parishioners updated as to the progress.

BUSINESS OFFICE

2021 tax statements will be sent out by the end of January 2022 ,so please, no calls to the office requesting one is necessary. Also as a reminder that all donations have to be in the business office by December 31,2021 to go on the 2021 tax statement. If received after that date they will go on the 2022 form.

Thank you for all your support,

Carolyn Nye

SAINT VINCENT DE PAUL

“The Spirit of the Lord is upon me, because he has anointed me to bring glad tidings to the poor.” Luke 1. Bring glad tidings to the poor by contributing to the poor box and clothing bin. You are the hands of Jesus in this world!

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Plant Your Works in the Word

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate “listening attentively.” Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We “clock in” with Bible reading instead of “diving in.”

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.

SAINT OF THE WEEK
EXAMPLES OF OUR FAITH

St. Thomas Aquinas | January 28

One of the most famous members of the Dominican Order, St. Thomas Aquinas (1225 – 1274) is well-known by many for his theological work, “*The Summa Theologiae*.” Born in Italy, his mother wanted him to become a Benedictine and had high hopes that he would eventually become abbot of Monte Cassino, where he spent much of his youth. To change his vocation, she had him kidnapped by his brothers on his way to Paris at the age of 19. He spent two years in their captivity. Despite this, nothing could shake him from his vocation to become a Dominican priest and he was eventually released. Once free, he went to Paris and then to Cologne, where he finished his studies with Albert the Great.

His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The *Summa Theologiae*, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology.

The patron saint of teachers, theologians and students, St. Thomas Aquinas died in 1274. His life and the impact he had on the whole Church, however, remains alive today.

WHY DO WE DO THAT? Catholic Life Explained:

Question:

Is it right to sue someone? Isn't it a way of getting revenge?

Answer:

Revenge is inflicting harm for harm's sake, the idea of an eye for an eye, a tooth for a tooth, and then some. There is often a fine line between justice and mercy, between compensation and forgiveness. Unfortunately, things can happen to us that cause harm, suffering, and damage, regardless of people's intentions. When someone is hurt, especially in such a way that special care or treatment is required, the cost of that care needs to be paid.

In a perfect world, those with special needs, handicaps, or disabilities would find the help and care they need, including those who are injured or hurt. But justice is not always forthcoming, and people are not always fair. So, using the legal system to right a wrong is sometimes the only option.

In some cases, it is the only way that people can get the help they need and deserve. However, frivolous lawsuits, or 'fishing for money' is not only unfair, but immoral as well. The law is there to protect people and making use of it when necessary is a good thing.
