THE EPIPHANY OF THE LORD — JANUARY 2, 2022

Dear Friends,

Have I shared with you this heartwarming story told my Mickey Anders?

There was a little country schoolhouse that was heated by an old-fashioned, potbellied coal stove. A little boy named Glenn had the job of coming to school early each day and starting the fire to warm up the building. One morning the teacher arrived only to find the building engulfed in flames. Mistaking gasoline for kerosene Glenn and his brother Floyd had ignited an inferno. The teacher who just arrived, along with other students, got Glenn out in time but his brother didn't make it. Glenn had major burns on the lower half of his body. He was taken to a nearby hospital where the doctor told his mother that he probably wouldn't live. "It's for the best," he said, "Because he is so badly burned."

The brave little boy didn't want to die. Glenn made up his mind he would survive but he was doomed to be a cripple all his life and never walk. The little boy managed to gain strength, although from the waist down he had no motor ability. It seemed hopeless. Ultimately the boy was released from the hospital. Every day his mother would massage his legs, but there was no feeling.

One day his mother wheeled him out into the yard. It was a sunny day. Instead of sitting there, the boy threw himself from the chair. He pulled himself across the grass and managed to work his way to the picket fence. With much effort Glenn raised himself up and stake by stake, dragged himself along the fence. He resolved that he would walk. Every day he dragged himself to the fence and worked his way along the fence.

Through the daily massages, his iron persistence and his resolute determination, he developed the ability to stand up. Eventually he had enough strength to walk. He began to walk to school, then later he started running to school. Glenn entered college and made the track team. Still later in Madison Square Garden the boy, now a young man, who was never expected to walk, ran the world's fastest mile: 4:04.4. In 1938, when Cunningham ran his fastest mile in 4:04.4, At one time he owned 12 of the 31 fastest mile times on record. Through endurance, Dr. Glenn Cunningham had overcome what others thought was a permanent disability.

It's common at this time of the year to make resolutions. Many simply want to make a new start, and this season affords them that opportunity. But we all know that, more often than not, the resolutions we make can fade when the discipline involved in keeping them begins to wane. I chuckle when I head to the YMCA on January 2. It's usually difficult to find an open elliptical machine. I know, though, that within a week or so I won't have to wait a second to find a free one. Perhaps this year we might give consideration to being resolute with our resolutions – especially our spiritual ones: making time for prayer, returning to participation at weekend Mass with the parish community, frequenting the Sacrament of Reconciliation and giving special attention to our responsibility to attend to the needs of the poor. Glenn Cunningham determined that nothing would prevent him from achieving his goal. We can have the same resolute attitude!

Love,

Fr. Dave

Meet Our Teachers

My name is Lauren Aversch. I teach Music, P.E. and Jr. High Health and Computer to all the students at St. Rose Catholic School.

I was born and raised in Lima, Ohio. I have a younger sister, Allyse, and an older brother, Greg Jr. I grew up around the St. Gerard Catholic community and attended school in Kindergarten and 1st grade. My family moved to the Bath area so my siblings and I could participate in the band program throughout Jr. High and High School. I graduated from The Ohio State University with a BS in Early Childhood Education. I continue to work at the Lima YMCA in the youth department teaching Y Kids Are Fit and still work in the aquatic department teaching preschool swimming lessons. I substitute taught in the Lima area public schools and Lima Central Catholic and found an amazing community supporting the Catholic school system. In my spare time I enjoy spending time with my family and my dog, Blue, as well as painting, spending time outdoors, and listening to live music. I feel blessed for being accepted into the community at St. Rose and look forward to the many friendships I will make with the people from school and church.

Please help our school with the Community Cash Fundraiser. Save your receipts from Chief Supermarkets and drop in the collection basket or drop off at school or the parish office. As always, thank you for your support!

Contribution Statements

End of the year contribution statements are available upon request. They are not automatically sent. Contact Deb at the Parish Office 419-222-5521 or drhinock@wcoil.com. Thank you.

Lighter Side

Divine Delivery

A businessman ordered flowers to be sent to the opening of his friend's new branch office. When the businessman got to the event, he was shocked to see the flowers with the inscription "Rest in Peace." He was so outraged that he stopped at the florist to complain.

"It could be worse," the florist said, "Just think: Today someone was buried beneath a floral arrangement with the inscription 'Congratulations on Your New Location!'"

Confession

En route to church to make his first confession, my nervous seven-year-old grandson asked me what he could expect. "Confession is where you tell all the bad things you've done to the priest," I told him. He looked relieved.

THE EPIPHANY OF THE LORD — JANUARY 2, 2022

St. Elizabeth Ann Seton | January 4

The patron saint of Catholic schools, St. Elizabeth Ann Seton (August 28, 1774 – January 4, 1821) was born in New York City to a prominent family of the Episcopal faith. When she turned 19, she married a wealthy businessman with whom she had five children. He later died of tuberculosis in 1803, leaving her a young widow. After discovering the Catholic faith in Italy, where her husband had died, she returned to New York and converted to Catholicism in 1805.

After several years struggling as a single mother, Elizabeth moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph, the first community for religious women established in the United States. She also began St. Joseph's Academy and Free School, which started a chain reaction of Catholic-based education in the United States that continues today.

St. Elizabeth Ann Seton was canonized September 14, 1975 in St. Peter's Square by Pope Paul VI and was the first citizen born in the United States to be given the title of "saint."
