BAPTISM OF THE LORD — JANUARY 9, 2022

Dear Friends,

In my life I've had the privilege of meeting both Saint Teresa of Calcutta and the great journalist Malcolm Muggeridge; both humbling experiences. Bret Baer relates a touching story involving both.

In 1970, Malcolm Muggeridge went to Calcutta to do a special documentary on Mother Teresa for BBC-TV. Muggeridge then was Europe's Tom Brokaw.

Well, on that fated morning of their meeting (a morning that would change him the him for the rest of his life) he met her as she was working out in the streets with sick and poor people in a ghetto like he had never seen before, amid stench, filth, garbage, disease, and poverty that was just unbelievable. But what struck Muggeridge more than anything else, even there in that awful squalor and decadence, was the deep, warm glow on Mother Teresa's face and the deep, warm love in her eyes.

"Do you do this every day?" he began his interview.

"Oh, yes," she replied, "it is my mission. It is how I serve and love my Lord."

"How long have you been doing this? How many months?"

"Months?" said Mother Teresa.

"Not months, but years. Maybe eighteen years.

"Eighteen years!" exclaimed Muggeridge. "You've been working here in these streets for eighteen years?"

"Yes," she said simply and yet joyfully. "It is my privilege to be here. These are my people. These are the ones my Lord has given me to love."

"Do you ever get tired? Do you ever feel like quitting and letting someone else take over your ministry? After all, you are beginning to get older."

"Oh, no," she replied, "this is where the Lord wants me, and this is where I am happy to be. I feel young when I am here. The Lord is so good to me. How privileged I am to serve him."

Later, Malcolm Muggeridge said, "I will never forget that little lady as long as I live. The face, the glow, the eyes, the love—it was all so pure and so beautiful. I shall never forget it. It was like being in the presence of an angel. It changed my life. I have not been the same person since. It is more than I can describe." By the way, after Malcolm Muggeridge made those comments, Mother Teresa continued to serve in that sacrificial way until the end of her life nearly twenty-seven more years.

Many seek immediate happiness, thinking that it will provide peace. Jesus provides us joy, which perdures. The joy, though, is not found in satisfying our own desires, but rather taking care of the needs of others. That is why Mother Teresa is a saint!

Love,

Fr. Dave

Meet Our Teachers

My name is Jacquelyn Logan, Art teacher for Pre-K - 8.

I was born and raised in Lima. Ohio. I attended St. Charles School and graduated from Lima Central Catholic High School. I am the mother of two grown sons who attended St. Rose

Catholic School.

My philosophy of teaching is to provide a classroom environment where students are encouraged to express their own ideas and participate in their education experience by experimenting with many different media. Although I encourage individual responsibility for learning in the class, I also provide explanation and guidance regarding the course materials and subject matter. I want my students to enjoy the interaction in my classroom and be challenged by the problem solving that happens in the art room.

St. Hilary of Poitiers, Bishop and Doctor of the Church
January 13
Born a pagan, St. Hilary (c. 315 – c. 367) studied philosophy and the meaning of life, eventually making his way through the bible. He became a convert and was appointed bishop of Poitiers in 353. Sometimes referred to as the Hammer of the Arians, St. Hilary defended

the Nicene Creed against a popular heresy, Arianism. He was exiled to Phrygia for opposing Roman emperor Constantius II, who preferred the heresy which denies Christ's divinity. From Phrygia St. Hilary fought with his pen, zealously writing against the heresy.

Eventually he was allowed to return to Poitiers, but did so by a circuitous route, preaching against Arianism all the way. St. Hilary was likely the first writer of hymns in the West, his writings on the Trinity, Psalms and Gospel of Matthew survive today. St. Hilary was created Doctor of the Church, a title given to those who provided important contributions to theology and doctrine, in 1851 by Pope Pius IX.

"The chief service I owe you, O God, is that every thought and word of mine should speak of you."

St. Hilary

Lighter Side

Confession

En route to church to make his first confession, my nervous seven-year-old grandson asked me what he could expect. "Confession is where you tell all the bad things you've done to the priest," I told him. He looked relieved. "Good. I haven't done anything bad to the priest."
