## SECOND SUNDAY OF ORDINARY TIME — JANUARY 16, 2022

Dear Friends,

A monastery in Germany trained Christian brothers for various responsibilities within the Catholic Church. One friar in training lived in mortal fear of being called upon to preach the sermon in the daily chapel exercises. As this young man thought about his apprehension, he decided to head it off by going to the prior of the monastery and discussing the problem with him. In the course of the conversation he said, "Father, I am willing to do any menial job that you assign me. I would be delighted to go out into the fields and plow, fertilize, and irrigate them by hand to increase the productivity. If you would care for me to do so, I would be happy to get down on my hands and knees and scrub the floors here in the monastery. It would be a privilege for me to polish the silverware. Any menial job that you call upon me to do I shall be happy to do. However, please don't ask me to preach a homily in the chapel."

The prior, looking at the young man and recognizing that an assignment to preach was exactly what he needed, replied, "Tomorrow you are to conduct the chapel service and preach the sermon." The next day as this young brother stood behind the pulpit and looked out into the eyes of his peers who had assembled in the sanctuary, he was greatly apprehensive. He was so nervous he hardly knew what to do. He started his sermon by asking, "Brothers, do you know what I am going to say?" They all shook their heads in the negative. He continued, "Neither do I. Let's stand for the benediction. Pax vobiscum (Peace be with you)."

Naturally, the monitor was perturbed by this. He said to the young man, "I am going to give you a second chance. Tomorrow you are to conduct the service in the chapel, and this time I want you to preach a message."

The next day the scene was the same. And the young man began as he had the day before, "Brothers, do you know what I am going to say?" When they all nodded their heads in the affirmative, he said, "Since you already know, there is no point in my saying it. Let's stand for the benediction. Pax vobiscum."

The prior was really perturbed now. Once again he went to the young brother and raised his voice, "I am really disappointed at your chicanery. Tomorrow I am going to give you a third chance. If you don't come through, I am going to put you in solitary confinement on bread and water."

The third day the scene was the same. The brother began as he had the two previous days, "Brothers, do you know what I am going to say?" Some nodded their heads in the affirmative. Some shook their heads in the negative. He then said, "Let those who know tell those who don't. Let's stand for the benediction. Pax vobiscum."

We live in a time of no second or third chances. I often wonder what would have happened to Israel if King David had not been given a second chance. Would we have a Church if Jesus had not given Peter a second chance after he denied him three times? Our faith professes second, third and many other chances. Did not the father give his prodigal son another chance? Second and third chances are predicated on the notion that people can change. Thank the Lord that He is more generous than we often are!

Love,

Fr. Dave

## Meet Our Teachers

Hello! My name is Stacey Johnson. From the influence of my grandparents being foster parents, I decided to go to college to work with children. I graduated from Wright State University in 2001 with a Bachelor of Science in Education degree. For the first few years, I substitute taught in many of the Lima area schools. In 2005, I followed a calling to become the 5th grade teacher at St. Rose Catholic School. I served in that position for 11 years. In 2016, I became the 2nd grade teacher. I feel especially grateful to be a part of my student's faith formation in such an important sacramental year! It is truly a joy and a blessing to be a part of the St. Rose Community.

When I am not with my St. Rose family, I enjoy being with my husband, Bill, and our 3 children. Mychaela, Makenna, and Logan. In my free time, I like to read, garden, and play trivia-type games.

Second grade is a big Sacramental year. The students learn about Reconciliation and Holy Communion. These initiation sacraments are building blocks to help with their faith journey to becoming a full member in the Catholic church.

We focus a great deal on Reading and Math. The lessons we complete help to build a solid foundation as the students continue their academic career. In Reading, students work hard to recognize words, read fluently, and build a large vocabulary. In Math, we are adding and subtracting with regrouping, telling time, counting money, multiplying and solving real-world problems. My priority throughout the school year is to help the students become well-rounded, contributing Christian citizens.

Tickets are now available for Lima Central Catholic High School's annual **Night at the Races** on Saturday, February 5, doors open at 6pm and races start at 7pm. The advance ticket price of \$35 covers all food & spirits for the night, \$15 for a reserved table. Get your group together and support T-bird athletics & band in our largest single day fundraiser of the year!

You can purchase tickets on our website, [www.lcchs.edu](http://www.lcchs.edu) and click on Athletic Ticketing.

### Day of Prayer for the Legal Protection of Unborn Children

Saturday January 22, 2022

Pope Francis has said that respect for life is not just about the unborn child in the womb, but also about the least of our brothers and sisters. Yes, it is even upon the undocumented resident alien who has no voice but ours. As followers of Jesus Christ, we are all called to protect the voiceless.

Let us pray...

Good and gracious God,  
you blew into our nostrils the breath of life.  
You are the One to whom we owe our very existence.  
Give us the courage to take that unpopular position  
of protecting those who have no voice,  
the unborn child in the womb  
to the person taking his or her last breath.

The life you have given us is a gift beyond measure.  
Embolden us to speak the truth  
about protecting the child, the elderly,  
and the one without a voice in the public square.  
With thankful hearts,  
we ask all this of the One God,  
Father, Son, and Holy Spirit.      Amen.

“We must learn to live  
together as brothers  
or we will perish  
together as fools.”

Dr. Martin Luther King, Jr.
