

THE EPIPHANY OF THE LORD

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. - Mt 2:10-11

Dear brothers and sisters in Christ,

Merry Christmas! While it may seem that I should write "Happy Epiphany," today's feast is wrapped up within the mystery of Christmas, that is, of the Incarnation of the Word made flesh. An "epiphany" is a manifestation of God, or a pleasant and beautiful image of God's presence in our midst. Today we remember the visit by the Magi; they acknowledge that Jesus is the Christ, the newborn King, not only for the Jews, but for the whole world (and indeed, for the entire universe).

In some parts of the world, the Feast of the Epiphany is the primary celebration of Christmas, when gifts are exchanged and parties celebrated. Perhaps that is the more appropriate time for gifts as it is modeled after the gifts offered by the Magi. The Epiphany is a great time to reflect on the meaning of Christmas. Most Christmas parties are done by now and the rush to prepare for the holiday is over. Here are some details of Christmas that foreshadow the life of Christ in the first moments of His life:

- Bethlehem means "House of Bread". Jesus is the true Bread come down from heaven.
- Jesus was laid in the manger, which is a food trough for animals. He will give us Himself as true food and true drink in the holy Eucharist.
- Frankincense is used in the Temple in the worship of God; Jesus is true God.
- Gold is worthy of earthly kings; Jesus is convicted of such an offense, although His kingdom is not of this world.
- Myrrh is a burial spice, given to the One who will die for us.
- Shepherds keep watch over sheep, now they keep watch over the Lamb of God.
- Jesus is wrapped in swaddling clothes, like the burial cloths found in the tomb on Easter morning.

Certainly, the Blessed Mother pondered all these things in her heart as she saw the life of her Son unfold. In his book on the Nativity, Pope Benedict suggested that Mary told the early Christians of all these events, which were preserved for us in the Gospels. As we celebrate Epiphany, remember to thank God for the gift of His Son, who has redeemed us and given us eternal life.

In Christ, the Word made flesh,

Fr. Recker

MARY, THE HOLY MOTHER OF GOD

This solemnity is a rather recent addition to the cycle of seasons, Sundays, and feasts in our liturgical year. We have Pope Paul VI to thank for the 1974 enshrining of the devotion to Mary into our calendar on January 1. It is also a day in our calendar as a World Day for Peace.

Let us pray...

God of heaven and earth, you came to us and took our earthly flesh through the gift of Mary's yes. She is our Mother in faith, as she is your earthly mother.

We are thankful beyond our ability to thank you for the gift of her Son as our brother and savior. Through her self-giving, we have been reconciled to you.

Bless us as we begin this New Year and endow us with the desire and ability to create a world of peace.

We ask all this, through the intercession of Mary to you, one God, Father, Son, and Holy Spirit. Amen.

QUESTIONS OF THE WEEK - TO REFLECT AND HOW DO WE RESPOND TO SCRIPTURE

First Reading:

The prophet Isaiah foresaw a time of great joy for Israel when nations and kings would come to Israel praising the Lord. How do you show gratitude to the Lord for the great joys of your life?

Second Reading:

It was revealed to Paul that God intended to save all people (Jews and Gentiles) through his Son, Jesus Christ. Paul tried to convey the significance of this revelation to the Ephesians by using the language of "coheirs" and "copartners." What does this language signal to you?

Gospel:

The visit of the magi is one of the most well-known stories from the Gospel infancy narratives. It was an event that manifested God's revelation of His newborn Son to the world. It also foreshadowed the threat that some would experience because of Jesus. How does Jesus challenge the status quo even today? ©LPI

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE The Epiphany of the Lord

In his Apostolic Exhortation, The Joy of the Gospel, Pope Francis references a thought from Pope Benedict XVI: "Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction." Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, "Thanks solely to this encounter or renewed encounter with God's love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being."

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved. ©LPI

Join us for our Parish Mission: Our Restless Journey

Sunday, Monday & Tuesday:
February 6, 7, & 8, 2022
 at 7:00 p.m. in the church

We are excited to welcome back Fr. Tom McCarthy, O.S.A.! He will share his insights on "Our Restless Journey"

We are on a constant "Restless Journey" towards God, united in mind and in heart.

Am I fighting or embracing the journey?

The Restless Journey is not about just getting by but doing unbelievable things.

Restlessness is about moving us forward.

St. Augustine said: "You have made us for Yourself, and our hearts are restless until they rest in You."

If you attended one of our recent Missions with Fr. Tom, you will remember intriguing and spiritually uplifting presentations.

Father Tom is an experienced teacher, administrator, retreat director and parish mission preacher.

He is currently in his 12th year as Vocation Director for the Midwest Province and is the Director of St. Rita of Cascia Shrine Chapel in Chicago, IL. Father Tom is also the Prior of the Pre-Novitiate Community of St. Clare of Montefalco Friary in Chicago.

LIVE THE LITURGY INSPIRATION FOR THE WEEK

Human beings easily get bored. Life's routines can become so predictable that there is often little time for excitement or freshness. Today is all about the new and the wonderful. In celebrating the beauty and simplicity of the Epiphany, we see in tangible ways God's creative, redemptive, and restorative power. This refreshment and revitalization is offered not only to a select few but to everyone throughout the world. There is nothing routine or static about God. Surprises, wonders, miracles, opportunities, healings, and joy without measure are available to those who believe. There are never any endings, just beginnings. And, when darkness, boredom, and gloom seem to be the order of the day, a bright new light now shines pointing us to truth and reminding us that we are loved. ©LPI
