“If you love me, you will keep my commandments. And I will ask the Father, and he will give you another Advocate to be with you always, the Spirit of truth, whom the world cannot accept, because it neither sees nor knows him. But you know him, because he remains with you, and will be in you.”  John 14:16-17

LITURGY AND MUSIC

Vigil Candles

It is our custom at St. Mary’s to light vigil candles at our baptismal font each week as we remember special intentions of our parishioners. Though we are unable to gather in church these weeks, we do remember these petitions in our daily prayer and each time we celebrate the Eucharist. Please remember in your prayers this week:

Knights of Columbus prayer for Vocation

Are You Interested in Becoming A Catholic?

If you have never been baptized, if you were baptized in another Christian denomination and would like to become Catholic, or if you were baptized Catholic, but never received the Sacraments of Eucharist or Confirmation, you are welcome to join the RCIA, the process by which adults become Catholic. If you are interested in participating in the RCIA, or would like more information, please call Sr. Pat at the Parish Office (740-4044 ext. 13). There is also information on our web page, if you click on “General Information,” and then on “Becoming Catholic.”

RCIA Meeting on Zoom

Please continue to keep our RCIA Elect and Candidates in your prayers. Because of the Coronavirus quarantine we are currently meeting every Wednesday evening at 7 pm on ZOOM, and eagerly awaiting the day when they will be “officially” received into the Catholic Church, and be able to receive the Sacraments of Baptism, Confirmation and Eucharist!

PASTORAL MINISTRY

Eucharistic Outreach Ministry

If you were taking Communion (before the Covid-19 Outbreak) regularly to an individual who is homebound, would you please call Sr. Pat (740-4044, ext 13), and let her know your name and the name of the individual you were visiting. This will help to bring our records up to date, and make sure that your ministry to this individual will continue once these visits are able to start again.

Intercessory Prayer Line

Please call the Church number 740-4044 ext. 52 (24 hours a day) if you would like the Intercessory Prayer Group to pray for any need for yourself, for friends or for family. Leave a message and the intentions will be passed on to the Intercessory Prayer Group.

PRAYER INTENTIONS

On the home page of our website, there is a form you may complete to send your prayer intentions to be included in our daily prayer as well as each time Fr. Renninger offers Mass. stmarysrichmond.org
Our Annual Baby Bottle Campaign

Each year, we invite our parishioners to support the vital work of the Pregnancy Resource Center of Metro Richmond by taking home a baby bottle on Mother’s Day, and returning it with donations by Father’s Day. This year, that is not possible, but we invite you to continue to support the “Baby Bottle Campaign” by sending your financial support to: PRC of Metro Richmond, 1510 Willow Lawn Dr., Suite 200, Richmond 23230. If you put “St. Mary’s BBC” in the memo line, PRC will let us know the amount of our combined gifts. The PRC provides compassionate care and practical assistance to women and men who are unprepared for pregnancy, and who are standing at the crossroads of critical life decisions in need of life-affirming options. All services are confidential and free of charge. Even as we practice social distancing, we can remain connected through kindness, and generosity! St. Mary’s Human Concerns Ministry is donating $1,000.00 to get us started! Hopefully we will be able to match that and more. Thank you for your support!

Haiti Update

We are continuing to support the regular medical clinic staffed by Dr. Alex and his team. Our medical members of the Haiti Ministry will have a consultative call with Dr. Alex to discuss health conditions in Angouman. There are no COVID-19 cases reported in Angouman so far, but citizens in larger cities have been diagnosed with the virus. School is in full session in Angouman. Continued support from parishioners to provide financial assistance to the school is greatly appreciated as we are not able to hold any fund raising events in the foreseeable future. Please continue to hold our sisters and brothers in Haiti especially in prayer.

Support for Front Line Workers

This week, thanks to your support of our Human Concerns Ministries, we were able to provide boxed lunches for the Logistics Group for Henrico Police. This is a support unit that outfits officers with equipment and handles all of the evidence. We were also able to send boxed lunches for the Maintenance Group on Woodman Road serving the Henrico Police. They are the folks who are keeping all of the county vehicles running while working under some unique conditions these days. They provide a vital service, which is often overlooked. BUT - not this week! This week, we say a big THANK YOU to all of these workers on the job every day helping to keep our county running smoothly! We also thank Officer Richard Mallory, one of our parishioners who is our connection to the needs in our county, and to Morrissey’s Catering for providing the boxed lunches, and for donating a lunch for every one St. Mary’s purchases!

Donation of PPE Face Shields

Alex and Clenise White, members of our parish, have been busy 24/7 for over a month making PPE face shields with the 3D printing NIH approved design and designated 3DPX-01319 by NIH. These are the shields that are worn over the masks mostly used by health care professionals. The Whites have made and supplied over 250 of these for St. Mary’s Hospital, VCU Medical Center, Our Lady of Hope, and Sacred Heart Center. If you are aware of any St. Mary’s health care personnel or others in need of PPE face shields (not masks), you may contact the Whites at: clenwhite@comcast.net. Thank you Alex and Clenise for this vital outreach in our community!!

Cards from the Heart

Our “Cards from the Heart” team is busy making beautiful cards. They are now seeing that each resident, many of whom are alone, at The Laurels receives a card each week during this time of being on lockdown. If you are aware of any need where a thoughtful, handcrafted card might brighten someone’s spirit or day, please contact Rebecca who will get this information to our coordinator.

May is National Migration Awareness Month

Catholic Bishops share concern for vulnerable migrant populations’ health in light of COVID-19. The Catholic Church’s deep concern for people seeking safety during the COVID-19 pandemic is grounded in Catholic Social Teaching and our collective experience serving people in need.

The core tenant of our faith is the belief that every human life is sacred. In promotion of that belief, we advocate and provide service for all, but especially for the most vulnerable: the unborn, the poor, the homeless, immigrants and refugees, the elderly, and the mentally and physically infirm.

As reflected in Catholic teachings, the right to life extends to lifesaving protection and the right to seek safety and well-being and to care for one’s family. Please hold all migrant people throughout the world especially in your prayers. We pray for the day when all people will be safe and feel welcomed.
Parishioners' Stories

Doing the Extraordinary

Ted Gittings arrived here at St. Mary’s in 1986 as a teenager with his family re-settling to Richmond. Here, he met his future wife, Marion Alburger, a student at St. Mary’s School whose family along with Ted’s Mother, Emily, are still members of our parish. Ted and Marion have two grown daughters. They now live in Wilmington, N.C. where Ted was stationed in the Coast Guard. After having completed his time of service, Ted attended nursing school and began a second career as an R.N in the Wilmington area. He then began travel nursing, going wherever the needs arose. Seeing the needs in this pandemic, Ted is currently in Manhattan serving at Lenox Hill Hospital working only with COVID-19 patients. We thank Ted for his gentle service to others, and we thank the Gittings and Alburger families for their constant presence and support here at St. Mary’s!

Laurie Suwall, one of the residents at Marywood Apartments, Section Eight Housing for older low income people, called our Human Concerns office to say she wanted to reach out to a family especially one where they have children to offer groceries. She had received a little unexpected money and wanted to share it with someone. We were able to connect her gift to a local family with four children of their own, and who are caring for two more children from their extended family currently experiencing difficulties. As we talked, she shared that she was one of nine children in her family, and that they did not have much growing up even for the eleven members of their family, and yet, her parents always shared whatever they had with others, her parents telling them, “It doesn’t matter how much you have, you always need to share whatever you do have with those around you”. We appreciate being reminded of this simple truth, and seeing it live today in the service of others here in our neighborhood!

Amy Samson is a nurse at Henrico Parham Doctor’s Hospital. She is the Clinical Coordinator for the ambulatory surgery center - elective surgeries. Amy started her career working in ICU and had training with ventilators. When they postponed elective surgeries Amy and her nurses were asked to work elsewhere in the hospital or furloughed until the surgery unit opened back up. Amy’s experience landed her into the ICU with direct care of the critically ill COVID patients. She is working 12 hour shifts and has experienced the deaths we have been hearing about. Every day she goes into work she is faced with the unknown. She states she is safely secured with equipment. Her two children and husband at home are staying so strong despite knowing she is working among the sickest of this pandemic. As her outpatient surgery center reopens, the hospital is keeping Amy amongst the front lines because of her experience and excellence in care. Amy misses her colleagues and responsibilities of her previous job, however she remains strong and continues to work in the ICU. I commend her for her ability to face what we are all fearing and hearing about. Her compassion and care is just what these individuals who are fighting for their lives need. MESSAGE FROM FR. RENNINGER ABOUT STAFF TRANSITION AT ST. MARY’S

Dear Friends:

Back in February, I announced that Sr. Pat McCarthy plans to retire from her role as Pastoral Associate here at St. Mary’s at the end of June. For the past 20 years, Sr. Pat has played a vital role in shaping the ministries of our parish community. Through her leadership of the RCIA, Baptism Preparation for Children, Outreach to the Sick, and Funeral/Bereavement ministries, Sr. Pat has touched the lives of countless parishioners with her compassion, spiritual wisdom and profound insight.

As a parish, we want to celebrate Sr. Pat’s ministry and to say ‘thank you’ for her decades of service. Originally, we chose a weekend in June for those celebrations. Due to the uncertainty concerning our ability to host large public gatherings in the next 8 weeks, we may need to adjust the timing of that celebration. We will keep you posted about those plans. I can assure you, though, that those parties WILL HAPPEN!

Moving forward, we have asked the following parishioners to coordinate the ministries which have flourished under Sr. Pat’s leadership. Here are the details:

Pat Novak will become a part-time member of the parish staff and will coordinate RCIA and Baptism Preparation for families with children.

Pat was born and raised in Philadelphia, and earned a B.A. from Gwynedd-Mercy College. She later earned an M.A. in Theology from St. Bonaventure University. Pat has experience as a faculty member in Catholic Schools and as a director of parish faith formation. For 21 years, she served as Associate Director of Christian Formation for the Diocese of Richmond, with a focus on youth ministry. Pat has been a member of Saint Mary’s Parish since 1986, and assisted in sacramental preparation for children and adult faith formation. She is currently a member of the RCIA team.

Frank & Pat Baskind will assist families in planning & celebrating funerals, and they will also coordinate bereavement ministries.

Pat Baskind was born in Alexandria, VA, and earned a degree in Social Work from Southern Connecticut State College. She later earned a Masters Degree in Social Work from Columbia University, and is a Licensed Clinical Social Worker with specialized experience in community mental health and hospice care. Pat and Frank joined St. Mary’s in the 1990’s, and she has led bereavement groups in recent years here at the parish.

Deacon Frank Baskind was born in Queens, NY and earned a degree in Sociology from Fordham University. He later earned a Masters Degree in Social Work and a Ph.D. in Education from the University of Connecticut, and an M.A. in Theology from St. Leo University. Frank is a professor and Dean Emeritus at the School of Social Work at VCU, and he serves as a permanent deacon here at our parish.

Kirk Collins will coordinate Eucharistic outreach to the homebound and sick.

Kirk was born in Illinois, and received a B.S. in Psychology at VCU. He later completed an M.Ed. at VCU and an M.A. in Pastoral Theology from St. Joseph’s of Maine. For more than 20 years he has been a computer and data base programming consultant with Valkirk., Inc. Kirk and his wife Valérie joined St. Mary’s in 2012, and he has served as a Eucharistic Minister, leading communion services at local nursing homes. He has also participated in prison ministry, RCIA & Knights of Columbus. Kirk is currently in formation for ordination as a permanent deacon.

I am grateful to these parishioners for their willingness to serve Christ and his people through these parish ministries! In the weeks ahead let us join together in prayer, thanking God for the gift of Sr. Pat’s presence in our community!

Peace,
Fr. Michael Renninger
A Mother’s Day Blessing Drive Thru at St. Mary’s Church

On Mother’s Day this past Sunday, May 10th, St. Mary’s offered a drive-through Mother’s Day Blessing for all mothers, grandmothers, aunts, and sisters. The weather couldn’t have been more beautiful and it was so heart warming to see all of the parishioners that came through to receive a beautiful flower, a Mother’s Day prayer, and a carved ornament of Mary and Baby Jesus from Bethlehem. Happy Mother’s Day!

Thank you to all of the parish volunteers including Kathi and Jack Sheehan, Rich Be mis, Debbie Rosenthal, Jane Leahey, and Joy Lenich for your help! And thanks to all of you for your support of the Pregnancy Resource Center of Metro Richmond.
PARISH FORMATION

Connected in Christ

Thank you to the many, many volunteers who reached out to every registered member of our parish! Through your efforts, we have been able to give needed assistance during this time of isolation. You have helped the parish stay connected and helped us all maintain our sense of community. Just to have a friendly voice to talk to has been so important when we cannot gather in person. From all of the staff here at St. Mary’s Parish, thank you for your kindness and compassionate concern for others.

If you did not receive a phone call over the past few weeks, it is most likely because we do not have a current phone number for you in our data base.

Please email Melanie Ogo (mogo@stmarysrichmond.org) with a current phone number so that we can update our parishioner information.

Spring Bible Study

JESUS: The Way, The Truth, and the Life is the newest Bible Study offering from Ascension Press. It was written by Marcellino D’Ambrosio, Jeff Cavins, and Edward Sri and they are also the commentators in the video series. Filmed on location in the Holy Land, this study takes a new and fresh look at Jesus—who he is, what he is really like, what he taught, and what he did for our salvation. As you encounter Christ in this series you will be inspired and empowered to center your entire life around him as you come to know and love him in an ever deeper and more intimate way.

Since we are unable to meet at church, this 10-week study will be offered online. As soon as we can gather again in person, we will set up the days and times of the meetings. With your registration you will receive a book in which you will do most of your reading, a Study Guide with discussion questions, a Timeline Chart of the life of Christ, and access to all the videos. If you are interested in participating in this study, please email Teresa Lee (TLee@stmarysrichmond.org) for all of the information on how to register.
