Vigil Candles

It is our custom at St. Mary’s to light vigil candles at our baptismal font each week as we remember special intentions of our parishioners. Though we are unable to gather in church these weeks, we do remember these petitions in our daily prayer and each time we celebrate the Eucharist. Please remember in your prayers this week:

Knights of Columbus prayer for Vocation
John Calandro
Ben McGinn Jr.
Anne Rinehart

Are You Interested in Becoming A Catholic?

If you have never been baptized, if you were baptized in another Christian denomination and would like to become Catholic, or if you were baptized Catholic, but never received the Sacraments of Eucharist or Confirmation, you are welcome to join the RCIA, the process by which adults become Catholic. If you are interested in participating in the RCIA, or would like more information, please call Sr. Pat at the Parish Office (740-4044 ext. 13). There is also information on our web page, if you click on “General Information,” and then on “Becoming Catholic.”

RCIA Meeting on Zoom

Please continue to keep our RCIA Elect and Candidates in your prayers. Because of the Coronavirus quarantine we are currently meeting every Wednesday evening at 7 pm on ZOOM, and eagerly awaiting the day when they will be “officially” received into the Catholic Church, and be able to receive the Sacraments of Baptism, Confirmation and Eucharist!

Catechists Needed RCIA Process (Youth / Children)

Do you have a desire to help young people (ages 8-17) come to know Jesus, and to follow a call from God which they may be experiencing to join the Catholic Church? Do you have a desire to introduce Youth and/or Children of Catechetical Age to a life of faith, and while doing this, journey with them as they discover the place that this faith can have in their young lives? The RCIA Program for Youth/Children is in need of catechists to help in a program which is offered for unbaptized children, or children who have been baptized in another Christian denomination, and who desire to become Catholic. If this is something you might be interested in, please contact Sr. Pat at the Parish Office (740-4044 ext. 13).

Pastoral Ministry

Eucharistic Outreach Ministry

If you were taking Communion (before the Covid-19 Outbreak) regularly to an individual who is homebound, would you please call Sr. Pat (740-4044, ext 13), and let her know your name and the name of the individual you were visiting. This will help to bring our records up to date, and make sure that your ministry to this individual will continue once these visits are able to start again.

Intercessory Prayer Line

Please call the Church number 740-4044 ext. 52 (24 hours a day) if you would like the Intercessory Prayer Group to pray for any need for yourself, for friends or for family. Leave a message and the intentions will be passed on to the Intercessory Prayer Group.

Prayer Intentions

On the home page of our website, there is a form you may complete to send your prayer intentions to be included in our daily prayer as well as each time Fr. Renninger offers Mass.

HUMAN CONCERNS & SOCIAL JUSTICE

Our Annual Baby Bottle Campaign
Each year, we invite our parishioners to support the vital work of the Pregnancy Resource Center of Metro Richmond by taking home a baby bottle on Mother’s Day, and returning it with donations by Father’s Day. This year, that is not possible, but we invite you to continue to support the “Baby Bottle Campaign” by sending your financial support to: PRC of Metro Richmond, 1510 Willow Lawn Dr., Suite 200, Richmond 23230. If you put “St. Mary’s BBC” in the memo line, PRC will let us know the amount of our combined gifts. The PRC provides compassionate care and practical assistance to women and men who are unprepared for pregnancy, and who are standing at the crossroads of critical life decisions in need of life-affirming options. All services are confidential and free of charge. Even as we practice social distancing, we can remain connected through kindness, and generosity! St. Mary’s Human Concerns Ministry is donating $1,000.00 to get us started! Hopefully we will be able to match that and more. Thank you for your support!

Catholic Charities in Need of Food
Commonwealth Catholic Charities is in need of food for its HELP Food Pantry. If you are able to help, food may be dropped off at their offices: 1601 Rolling Hills Drive, 23229 in the Koger Center anytime when the pantry is open: Tuesday - Thursday from 9am to 12 noon. If these times do not suit your schedule, you may drop off food during normal business hours as long as you notify them that you are coming. To let them know, please email John Elwell at: john.elwell@cccofva.org; Please check their updated food pantry page which covers all of the helpful information: https://www.cccofva.org/food-pantries; Thank you for this support of our neighbors!

May is Foster Care Awareness Month
In the midst of the COVID-19 crisis, it’s more important than ever that we talk about the fact that there are roughly 500 children and teens in foster care in the Metro Richmond area. The need for foster parents and those who can wrap around those who foster is great. For more information or for questions about foster care, contact info@forrichmond.org

Sacred Heart Center
Dear St. Mary Catholic Church, thank you for helping Sacred Heart Center build community and resilience! We are grateful for your recent gift of $1,000, as well as your delivery of food and paper products. These gifts allow us to continue to serve the community even at this difficult time. You are our hero and we keep you in our thoughts and prayers daily. We realize that this is just the beginning of a moment that is uncharted, uncertain, and increasingly difficult as the days pass. We are committed to upholding our mission of connecting Latino families with tools to thrive and flourish. Without the help of partners and supporters like you, this would not be possible! We thank you for believing in our vision of a Richmond that embraces each other in our shared humanity. That vision is now, more than ever, dear and important, even while we are apart!!

Haiti Update
While the transmission of the coronavirus is still in early stages in Haiti, global health authorities are worried that the deadly pandemic could unleash civil unrest and an even deeper humanitarian crisis in the country, not to mention thousands of deaths. Dr. Carissa Etienne, Director of the Pan American Health Organization, said,” There is real danger of a large scale outbreak followed by a humanitarian crisis in Haiti. There is real risk that growing food insecurity will result in famine, and that the lack of food could give rise to social unrest.” Models suggest that the country could see a death toll of 20,000 or more with 432,000 infected. Such projections and the mounting concerns about the country’s lack of preparation are further compounded by a lack of availability of medical supplies. Please continue to pray for our sisters and brothers in Haiti, and especially in our village of Angouman.

Donation of PPE Face Shields
We thank Alex and Clenise White for offering PPE Face Shields to our local community where there are needs. St. Mary’s has a close working relationship with Goochland Cares, a non-profit providing basic human services to our Goochland neighbors in need. As the restrictions related to COVID-19 begin to lift, Goochland Cares will be re-opening their dental clinic in the near future. The Whites have donated 50 PPE Face Shields to Goochland Cares to help protect the staff, volunteers, and patients as we enter this new phase. If you are aware of any health care personnel or others in need of PPE Face Shields (not masks), you may contact the Whites at: clenwhite@comcast.net

Cards from the Heart
Our “Cards from the Heart” team is busy making beautiful cards. They are now seeing that each resident, many of whom are alone, at The Laurels receives a card each week during this time of being on lockdown. If you are aware of any need where a thoughtful, handcrafted card might brighten someone’s spirit or day, please contact Rebecca who will get this information to our coordinator.

Open your Heart & Your Home to a Refugee Child
No matter the reasons a child is placed in foster care, they each need the same things—a home with support, guidance, love and acceptance. Refugee children are forced to flee their homes and countries due to persecution because of their race, religion, political opinion, or national origin. These children were separated from their parents during their journey, or their parents were killed during their escape. Commonwealth Catholic Charities Unaccompanied Refugee Minor Program provides the support that both families and children need during their journey through foster care. HOW CAN YOU HELP? Be a foster parent and make a difference in the life of a refugee child. For more information, visit www.cccofva.org; or contact bebe.tran@cccofva.org; 804.285.5900. May is Foster Care Awareness Month. Please prayerfully consider reaching out to a child in need!
PARISHIONERS' STORIES

REMEMBERING Joanne...
Many of you remember Joanne Carron Black, who with her family were long time and very active parishioners here at St. Mary. Joanne was a gentle, gracious woman, and their home was always warm and welcoming—filled with music and art. Joanne passed away peacefully in her sleep this March and will be greatly missed by many. And, yet, Joanne will live on in our memories as we share the stories of her life. Her daughter, Lisa, called us following her death, offering to donate her new hearing aids to someone in need, and providing the key piece an audiologist who would prepare the hearing aids to the exact needs of the person receiving them. With the assistance of Nancy Springman, one of our Parish Nurse Coordinators, we are working with Goochland Cares and one of their clients who will receive the hearing aids, AND new listening abilities!! What an amazing gift! Through experiences such as this gift, our shared memories, and remembering the relationships in our lives, loved ones we have lost to death remain with us.

SCAM ALERT!
In recently, scam artists have found new ways to take advantage of people’s generosity. We have become aware that scam artists are sending emails AND text messages to parishioners and businesses, claiming to come from “Fr. Renninger.” In a recent fake message, individuals were asked to buy on-line gift cards for “parishioners with cancer.” If you receive a text message or email which claims to be asking for money on behalf of the parish, you should always feel free to call the parish office to confirm the authenticity of the message. In general, no member of the parish staff would ever send an email or text asking you to wire money to a location, or to buy on-line gift cards for any reason.

Dear Friends:

You have done amazing things during this quarantine!

As pastor of Saint Mary’s Parish, it is my privilege to collaborate with our administrative staff and finance councils to ensure that the financial operations of our parish are carried out in a responsible and transparent way. Parishioners have recently asked me, “How is the parish doing in terms of finances?” It is my privilege to offer this interim report to highlight the amazing generosity of the St. Mary’s Community, and to give you an update about what you are accomplishing through your generosity!

Everyone has had to make adjustments in order to adapt to the challenging circumstances of the current pandemic. Our leadership teams quickly developed a plan to insure the financial stability of our church and school. Cost saving measures were put into effect immediately.

We understand that everyone must adjust at this time. Some families are dealing with financial uncertainty due to job losses. Many are uncertain about the future. Here at Saint Mary’s, we are praying for every family who is dealing with financial stress at this time, and we stand ready to assist those who may need practical help in the short term.

Even in this time of uncertainty, the people of Saint Mary’s have shown extraordinary generosity! You have done amazing things during this quarantine! While national trends show a decrease of 12%-19% in donations to churches, you - the people of Saint Mary’s parish - have increased donations to our parish! At the end of April, your giving to our parish was up by 3% over last year, and up over 4% in terms of our budget for the current fiscal year. Your donations to the parish are on budget in the month of May as well.

Since January 1st, over 290 new families have signed up to support the parish through E-Giving. This is an amazing trend, and is particularly important since E-Giving allows your financial support to sustain the parish even when we cannot gather for Mass.

In March, we asked you to donate grocery store gift cards so that we could effectively assist families who are struggling. You donated over $10,000 in gift cards in 6 weeks! Thanks to you, we were immediately able to help 40 families at Creighton Court who were threatened with a loss of nutrition support, and we have helped numerous individuals who have come to the parish office seeking assistance. Thanks to your generosity, we were able to send $10,000 to St. Francis Home to help them deal with emergency needs caused by the pandemic. We also made generous gifts to the Little Sisters of the Poor & Sacred Heart Center.

Your generosity made it possible for us to send meals to numerous ‘first responders,’ including emergency room workers at Henrico Doctors Hospital, the State Police regional office, and Henrico Police communication center & maintenance divisions. Through your donations, you have fed hundreds of people at the Open Door Ministry at Saint Peter’s, and hundreds more at Liberation Veterans Services. You have made it possible for us to help people living with cancer to avoid eviction from apartments, to provide assistance to those who were recently released from prison, and to help struggling families with food, rent, and job development.

In the weeks ahead, you will make it possible for Saint Mary’s to work with CARITAS and the “Sober Living” program to provide stable housing for people dealing with addictions. You will make it possible for us to provide job resourcing for those seeking employment, and meals to those who are hungry.

I started this report by saying “You have done amazing things during this quarantine!” I hope you now understand why I said that! During this most unusual time, you have shown unusual generosity. Through your stewardship, your neighbors have received assistance and hope.

Thank you, and God bless you always!

Fr. Michael Renninger
PARISH FORMATION

Connected in Christ

Thank you to the many, many volunteers who reached out to every registered member of our parish! Through your efforts, we have been able to give needed assistance during this time of isolation. You have helped the parish stay connected and helped us all maintain our sense of community. Just to have a friendly voice to talk to has been so important when we cannot gather in person. From all of the staff here at St. Mary’s Parish, thank you for your kindness and compassionate concern for others.

If you did not receive a phone call over the past few weeks, it is most likely because we do not have a current phone number for you in our data base.

Please email Melanie Ogo (mogo@stmarysrichmond.org) with a current phone number so that we can update our parishioner information.

Spring Bible Study

JESUS: The Way, The Truth, and the Life is the newest Bible Study offering from Ascension Press. It was written by Marcellino D’Ambrosio, Jeff Cavins, and Edward Sri and they are also the commentators in the video series. Filmed on location in the Holy Land, this study takes a new and fresh look at Jesus—who he is, what he is really like, what he taught, and what he did for our salvation. As you encounter Christ in this series you will be inspired and empowered to center your entire life around him as you come to know and love him in an ever deeper and more intimate way.

Since we are unable to meet at church, this 10-week study will be offered online. As soon as we can gather again in person, we will set up the days and times of the meetings. With your registration you will receive a book in which you will do most of your reading, a Study Guide with discussion questions, a Timeline Chart of the life of Christ, and access to all the videos. If you are interested in participating in this study, please email Teresa Lee (TLee@stmarysrichmond.org) for all of the information on how to register.

AROUND TOWN

Heroic Work

Many of our parishioners are medical professionals who are doing outstanding work in local hospitals and nursing homes. Some parishioners are first responders. Others are teachers, small business owners, parents or delivery personnel. We would like to share more stories about the heroic work being done during this pandemic by members of our community.

If you know of someone whose story should be highlighted, please contact Joyce Park at the parish office: jpark@stmarysrichmond.org
