Society of St. Vincent de Paul

Pope Francis tells us “Love is the greatest power for the transformation of Reality because it pulls down the walls of selfishness and fills the ditches that keep us apart. This is the love that comes from a mutated heart, from a heart of stone that has turned into a heart of flesh, a Human heart.” To love our neighbor as our self is our mission.

If you have need of our confidential assistance or would like to participate in this ministry, you may call our helpline number 724 941-9406, ext 142 and a member will be back to you within 24 hours.
