We are mindful that many of our families are not yet comfortable returning to Mass in-person. However, our homebound households are still valued members of our parish community. We look forward to celebrating Mass together in-person whenever it is safe for everyone to return. In the meantime, St. John's wants to support the faith lives of all our parishioners, near and far, during this sacred time in our Church's liturgical year. Starting on Palm Sunday, the diocesan Office of Faith Formation will be sharing a slate of prayers, video reflections, and family activities for Holy Week at the website listed below. These activities are designed particularly with the needs of homebound families in mind, but they are open to everyone. The website will include prayer resources relevant to all ages, including people who live alone and young families. Have a blessed Holy Week.
