Parenting is a lot like the story of the farmer in the gospel parable today. All growth is the Lord's work. We have no control over the process. In fact, the farmer doesn't even understand it, for the seed grows even when he sleeps. As parents, we can influence our children but can't guarantee results.

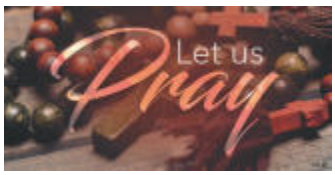
Dear Parishioner,



Would you be interested in a wonderful **Work of Mercy?** Consider leading the **Rosary at Highland View.** For several years, a group of parishioners offered this service to the residents. Then, COVID hit; such activities were cancelled. Recently, the Activities Director approached me about resuming this service. It would be on Thursday mornings at 10:30. If we were able to recruit 4-6 volunteers, this would not place too heavy a burden on any one individual. Please give this invitation your prayerful consideration and contact me if you are interested. Presently there are no COVID cases but you would be asked to wear a mask which would be provided for you at the door. I have resumed a Communion Service every two weeks and the Ministerium is also trying to resume Sunday Devotions. The residents really endured a significant experience of isolation from family and normal social activities; they are thrilled that some of the opportunities can begin again.

Next Sunday is **Father's Day…..another great family day!** I encourage you to make the effort to gather as a family for Sunday Eucharist as a way of giving thanks to God for the Gift of "Dad" in each family. Parenting is a wonderful vocation but it is also demanding for both parents. Along with prayer, offer the gift of quality time with Dad and the rest of the family next weekend.

Baby Bottles can be returned next Sunday. This program, sponsored by the Knights of Columbus, has been such a great help to the many life-nurturing ministries of the Sisters in Frenchville. Like so many charitable services, the Sisters have experienced an increasing number of requests during the Pandemic.

I offer an early reminder about our traditional **Fourth of July Vespers on Sunday, June 27, 3:00 at Taylor Park's Legion Stage.** During the last several years, the Ministerium moved Vespers from an evening service to an afternoon service in the hope of attracting more people….which it did. The Committee also suggested trying the service **outdoors (weather permitting)** which we will do this year. **Village Voices** have already begun rehearsing. Come and help us as a community offer thanks for God's Blessing and Protection, especially throughout this past year.
