Celebrate the Year of Saint Joseph with these beautiful outdoor signs. Measuring 18 x 24 this double sided sign features a different picture on each side and will be available to purchase for $15 at all the Masses on Divine Mercy Weekend or at the office during regular business hours. Joseph Pray for Us.

Do you have a friend or family member who hasn't been practicing their Catholic faith and you would desperately like to see them return? Are you worried about what our number of faithful churchgoers is going to look like even after the pandemic? If so, I ask you to consider joining me in Saint Monica's newest ministry:

Saint Monica Teardrop Ministry

Saint Monica is known as the "Weeping Saint" as she is said to have shed tears every night over her husband and son, Augustine's, hedonistic lifestyles. We know that, in the end, her prayers won out and Augustine himself became a remarkable Saint. In the imitation of Saint Monica, the Teardrop Ministry will endeavor to offer tears (Job's tears rosaries) and prayers for our intentions, to ask God to please bring them back to a closeness and Communion with Him.
You can participate in one of three ways:

1. **Submit names of anyone you think might benefit from the prayers of this ministry:** List names on the form at the bottom of this page and drop them in the box near the Saint Monica Shrine or email names to: saintmonicateardrop@gmail.com. If desired, names can be submitted by first name (or nickname) only to maintain anonymity.
2. **Attend monthly meetings (as available) to assist with the making of Job's tears rosaries and the praying of the rosary for the intentions we receive:** We will meet on the second Wednesday of each month (beginning on April 14) after the 9:00 AM liturgy until 11:00 AM. We will be meeting in the Saint Philomena Room in the downstairs of Founder's Hall.
3. **Pray your own rosaries at home, citing "the intentions of the Saint Monica Teardrop Ministry".**

If you plan to attend meetings or have an interest in participating but would like more information, please contact me, Jennifer Olszewski, at saintmonicateardrop@gmail.com

---

I would like to request that the Teardrop Ministry add the following name/names to their list of intentions:

Lord's Peace Faithful Folks,

This Easter we want to let everyone know that Jesus Christ is Alive, and that Saint Monica and St. Blaise are Open For Business!

All of our efforts throughout Lent and Easter were to invite people to re-engage the Lord Jesus at Holy Mass and within our parishes.

An important part of being Open For Business is to continue our communal life together.

The recent Fish Fries and Spaghetti Dinner were wonderful ways to invite people back, through their stomachs and hopefully to their hearts. I am so grateful to all of the hard working volunteers who made these events possible. Thanks to everyone who donated, worked and purchased the meals. I am glad that we were able to make some money on these events, however it is far more important to offer these dinners so that people know that we are here and that the Lord and His parishes have not forgotten about them.

Here are the numbers on the events:

-Fish Fries

1,506 Dinners served

A Net Profit of $20,832 (this is incredible given the restrictions, ~3/4 of a normal year)

These dollars are split between the parish and the school

- Spaghetti Dinner

Brought in about $5000

Expenses: about $1100

380 meals sold plus assorted a la carte items

These dollars are collected by the Christian Mothers who manage the event

We Have Been So Blessed!

Easter Blessings,

Fr. Schreck

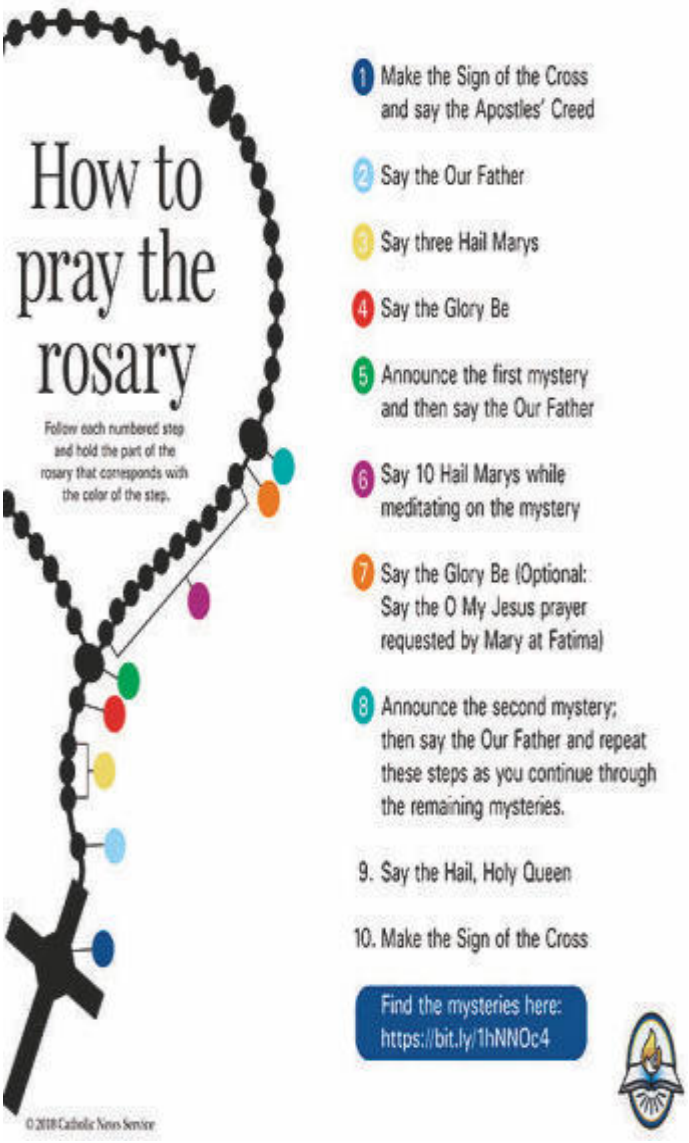
Have you accepted the challenge to say a rosary every day this year. If you need company praying, why not phone a friend and pray together on the phone, or zoom with family members? If you would prefer you can tune in to EWTN where they broadcast the rosary at 7:30am, 9:00am and 9:30pm on week-days and occasionally at 730pm (schedule can be viewed on line) WAOB radio 106.7 broadcasts the rosary each day at 11am and 11pm or you can pray with the parish rosary ladies and their families live each evening at 9pm on line. Simply type in Saint Monica Parish Jesus Camp in your search bar to get to their site: Or you can pull it up anytime and pray when it is convenient for you.



SAINT MONICA CATHOLIC ACADEMY

FROM THE PRINCIPAL'S DESK

The student body had a Lenten Retreat on the Solemnity of Saint Joseph, which was on Friday, March 19th. It was a very special day. Father Schreck began our day by celebrating Mass in the gym. The students then participated in many activities some which included making rosaries, the second grade students constructed grottos with popsicle sticks and a lovely picture of Saint Joseph and Jesus working together. Students donated bread and pastries for the Saint Joseph Table that were donated to the parish's Martha's Ministry. We also had a dedication of a Saint Joseph statue. I provided a pizza lunch for the students and I am pleased to report it was a very successful retreat day for everyone involved.

We have some photographs posted on our *April Monthly Notes*. You can view them by going to *OptionC.com*, put in our location ID number *8319* then click on our school name and when you get to the login page you will see the category *File Library*. Click on the *File Library* and then click on *April 2021 Monthly Notes*. Feel free to read the entire notes; the photographs are on page 7.

We had our third quarter Parent-Teacher Conferences, virtually through *Google Meet*, on Thursday afternoon and Friday morning. The students did not have classes on Friday and were able to enjoy a long weekend. It is just so noteworthy that we are able to say we are now in our fourth quarter. This year did not seem as challenging as surrounding school districts have been experiencing. The cooperation of our families and students and faculty and staff is to be applauded. We have proceeded with this entire school year without crisis. I am always reminded that . . . *Let it be known that Jesus Christ is the reason for this school, the unseen but ever present teacher in it's classrooms; the inspiration of it's students, teachers, administrators and staff.* I really don't need to say anything further.

The registration process continues for the 2021-2022 school year for three & four year old preschool students and Kindergarten through eighth grades. Please consider SMCA for your children and grandchildren. The biggest concern when considering us is the tuition but I reassure everyone that we have financial aid available to everyone, according to need.

Our Middle States Accreditation has been submitted for renewal and the virtual team visit was a huge success. They were very impressed with everything that they witnessed and stated how well our students represent our school.

I ask for your prayers and thank you for your continued support of your parish school. Together we have made and will continue to make a difference in the lives of our children.

Sincerely and God Bless,
Mrs. Jennifer Villa, Principal

RIDING HOME WITH SAINT JOSEPH

Divine Mercy Sunday John 20:19-31

He was born into original sin, but is called just. He lived as a sinner, and he is called righteous. Not a word was ever spoken by Joseph in the Bible, yet the Son of God obeyed his every word. So what can we learn from the man that God chose to protect and lead His Holy Family? When God sent an angel to tell Joseph that his marriage to Mary was His Will, Joseph obeyed in spite of public humiliation he would face. Staying with Mary, Joseph chose to stand for life and by doing so, saved two. Joseph trusted God and although he would not always know the details of his life, he acted in faith knowing that God would lead his next move. In his silence, Joseph was able to hear God's voice perfectly. God also speaks to us, much like he did with Joseph, though many of us are too busy or distracted to hear Him because of the noise in our own lives. Living in an age of technology and distraction, let's look to Joseph's example to remind us that if we want to hear God's voice, we must quiet our hearts, enter into silence, and wait. For God will speak, but we must be ready to listen. Will we hear what God is asking of us? When He invites us to share in His life, nature and holiness, will we follow and risk public humiliation knowing that He will lead our next step? Will we choose to walk with Him and defend our faith no matter the cost to our personal or social status? In loving Saint Joseph and living his example may we strive for the holiness God has intended. Saint Joseph the Just, pray for us.

THE CENTER

Praying this email finds you well. I wanted to give you an update as to the ways God continues to prove Himself faithful through this time of transition at The Center, thanks in part to your faithful prayers and partnerships:

- All of our ministries for children and youth are fully open (after-school programs, tutoring, meals, STEM, peer mentoring, community-based mentoring, etc)
- The building we had been using for our Communicycle ministry was sold, but God immediately provided a new building on the main street of Midland. We are now housed in the Knights of Columbus building and will re-open this ministry the first week of April.
- We have trained 15 new volunteers in the past couple of months!
- Our sewing ministry is running each Monday and is open to anyone of any age & skill level
- Our food, clothing & paper product banks continue to serve so many families each month
- We have established a team which is planning 9 weeks of summer camps

Ways you can pray and get involved:

- Please pray for wisdom for our board as we seek to create a job description and hire a full-time program director. Pray that we will be discerning to His voice and that He will provide someone who loves Him first and most to help move the mission of The Center forward
- We are open to having volunteer work groups again. If you have people or small groups who would like to participate in a work day, please have them contact me.

Thank you so much for your continued support- it is truly making a Kingdom impact!

THE MARTHA MINISTRY

The Corporal Works of Mercy are found in the teachings of Jesus and give us a model for how we should treat all others, as if they were Christ. The first on the list is "feed the hungry". Traditionally we tend to think of donating to food banks, food drives and the like to complete this work. At Saint Monica's we have a group of people, "The Martha Ministry" who have committed to feed those people in our parish who are going through a difficult time because of illness, death or family struggles, and could use a loving embrace through the gift of home cooked meals. Your commitment would involve cooking once or twice a month for an individual or family from our parish on an as needed basis. If you are interested in participating in this worthwhile ministry please contact Brenda Coble at 724-312-6912.

ASCA – ADULT SURVIVORS OF CHILD ABUSE
