The Epiphany of the Lord

"If we wish to serve God and love our neighbor well, we must manifest our joy in the service we render to Him and them. Let us open wide our hearts. It is a joy which invites us. Press forward and fear nothing!"

SAINT KATHARINE DREXEL PARISH

Our Mission Statement

We, the parishioners of Saint Katharine Drexel Parish, serve Southeast Washington County with a spirit of welcome, compassion and charity.

We are a community rooted in the Eucharist and nourished by the Sacraments.

We come together to joyfully celebrate our faith in prayer and worship, respecting our spiritual diversity and cultural heritage. We are sent forth from this Eucharistic community, in response to the call of Jesus our Savior, to reach out to youth, families, elderly, and all those in need in our parish, communities and beyond. In the pioneering spirit of our patroness, we offer support through witness, prayer and good works, and we embrace the challenges and opportunities of what it means to be a Christian in an ever-changing world.

Pastor's Corner

Dear Friends in Christ:

While much of the world has already moved on from the celebration of Christmas, as we come to Mass this weekend, the Church in her liturgy celebrates the Solemnity of the Epiphany of our Lord. This solemnity in the Christmas season reminds us that Jesus has come among us for all people of all times. The Gospel at Mass we hear from Saint Matthew tells us: *“Magi from the East arrived in Jerusalem, saying: ‘Where is the newborn King of the Jews? We saw his star at its rising and have come to do him homage.’”*

When Jesus was born in Bethlehem, the shepherds came to adore, but with the Magi coming from the East, it became clear that the mission of this Child was to spread far beyond the borders of Bethlehem, far beyond the reach of the Hebrew people. This Child has come for everyone. By the guidance of a star, the Magi came to the birthplace of God's own Son. Finding Jesus, they worshipped, laying before him the gifts of gold, frankincense and myrrh.

The celebration of the Epiphany of the Lord invites us to reflect on our own journey in life. Are we on the road that leads us to Christ? It is important to ask not only if we have been true to following the right road in life, but also if we are leading others along its path. We have been given the gift of faith to keep us on course as we follow Christ in our lives. Like the star of Bethlehem that guided the Magi to Christ, may our lives of faith increase in this New Year of God's grace, and, in all we do and say, we may lead others to Christ through his Church. We may not have gifts of gold, frankincense and myrrh, but we do have our own personal gifts of our time, talent and treasure. Do we share them generously with others for the building of the kingdom of God?

May we never be afraid to allow the light of our Catholic faith to shine brightly as a star for all to follow the Lord!

*Wishing you a Blessed and Merry Christmas Season and a
New Year of God's blessings!*

Synod on Synodality

Pope Francis has called the universal Church to journey together. This Synod is not just another meeting with people providing presentations and written reports. This Synod is a process of journeying together by listening, dialoguing, praying, discerning and making decisions together for the purpose of proclaiming the Gospel of Jesus Christ.

Pope Francis is asking each diocese in the world to gather – clergy, religious and laity together – to listen to each other. The goal of this journeying together is not to create a new vision or pastoral plan. The goal of our journeying together is to be present with one another, to listen and learn with each other, and to grow closer to the Lord and His Church, especially in a post-pandemic world.

Below is the Prayer for the Synod that all of us are called to pray.

Prayer for the Synod 2021-2023

Communion, Participation & Mission

We stand before You, Holy Spirit,
as we gather together in Your name.

With You alone to guide us,
make Yourself at home in our hearts;

Teach us the way we must go
and how we are to pursue it.

We are weak and sinful;
do not let us promote disorder.

Do not let ignorance lead us down the wrong path
nor partiality influence our actions.

Let us find in You our unity
so that we may journey together to eternal life
and not stray from the way of truth
and what is right.

All this we ask of You,
who are at work in every place and time,
in the communion of the Father and the Son,
forever and ever.

Amen.

Second Collection on January 15/16, 2022

The second collection on January 15/16, 2022 will be taken for the Saint Anthony School Programs and the DePaul School for Hearing and Speech.

Saint Anthony School Programs

Saint Anthony School Programs offers inclusive education to students ages 5-21 with the primary diagnosis of autism, Down syndrome and other developmental delays. Students attend regular classes based on their individual abilities and supplement their learning with fully-certified special education teachers in their Resource Rooms. The inclusive nature of their program allows the students to develop academically, socially and spiritually in a caring and respectful environment.

Students between the ages of 18-21 attend the vocational program at Duquesne University. At the post-secondary level, students train vocationally at local job sites to learn the functional aspects of jobs as well as proper business attire and appropriate work related behaviors. In addition, they practice independent living skills such as cooking, shopping and cleaning at the Life Skills Training Apartment. It is the goal to provide the education and resources each student needs to live life as independently as possible after graduation.

Saint Anthony School Programs provides hope and encouragement to families in need of their services. As an inclusive program, it allows siblings to attend the same school and interact together as part of the same student body, while meeting the special learning needs of each child. It helps children develop friendships and a deeper love for God, while preparing them to become active and contributing members of the community.

Visit the website: www.stanthonysschoolprograms.com for additional information.

DePaul School for Hearing and Speech

DePaul School for Hearing and Speech, founded by the Diocese of Pittsburgh and the Sisters of Charity of Seton Hill as DePaul Institute, is a State Approved not-for-profit school dedicated to auditory/oral education as well as spiritual and personal development of deaf and hard of hearing children from birth to age 14. Students are offered a full scholarship for academic programs. A comprehensive continuum of clinical and family support programs are also offered free of charge to parents and caregivers.

Auditory/ oral education teaches children to learn to use whatever hearing they have, in combination with lip-reading and contextual clues (speech-reading) and the latest technologies such as cochlear implants and digital hearing aids, to understand and use spoken language. The goal is to give children the necessary academic language skills to fully participate in the speaking and hearing world. Virtually all of the students mainstream to their neighborhood schools during their elementary or middle school years with minimal supports.

DePaul School for Hearing and Speech is the only program of its kind in western Pennsylvania and among just a handful of state providers to offer a center-based educational program for children under the age of three. Visit the website: www.speakmiracles.org for more information.

You are invited to be as generous as you are able to the second collection on January 15/16, 2022 which will benefit the Saint Anthony School Programs and the DePaul School for Hearing and Speech.

*****Important note: The amount collected for Saint Anthony School and De Paul School will be credited towards our 2021 Parish Share goal. We invite you to be as generous as you are able.*****

Annual Diocesan Parish Share Campaign for 2021

Our annual Parish Share Campaign began March 1st for the current 2021 calendar year. The Parish Share Program supports the needs of older adults and the less fortunate: Catholic Charities, Roselia Center and Mon Valley Social Services are among the many social programs that receive support through Parish Share. In addition, your contribution provides a vital role in helping more than 85,000 young Catholics receive a firm grounding in their faith through parish based religious education programs as well as through campus and youth ministry, helping to bolster the spiritual development of young adult Catholics. Supporting Parish Share promotes new vocations to the priesthood and religious life, provides for the continuing spiritual and educational formation of our current diocesan priests, and the care of retired priests who have given their lives in service to us.

Parish Share also helps in educating parishioners on pro-life issues, counseling women and teenagers in crisis, and reaching out to women and men suffering from the trauma of abortion. In all, Parish Share helps parishes achieve things they cannot do on their own. Your contribution helps to provide our parishes with property planning and insurance expertise, legal and judicial counsel, stewardship and development services, financial and auditing services that allow the parish to serve you better.

The assessment as issued by the Diocese of Pittsburgh for Saint Katharine Drexel Parish in 2021 is \$83,554.00

As of the date of this bulletin, our parish still has a balance owed for parish share for this current year of \$41,000.00. Your help is urgently needed! If you have not yet made a contribution, would you please consider making a check payable in the amount of \$350.00? You are asked to be as generous as you are able according to your means. Also, a reminder that all funds collected over our assessment again remains for use by our parish and not considered income that is assessable. May God abundantly bless you for your generosity!

Advent Days of Recollection

Our parish was pleased to welcome Reverend Joseph M. Freedy, Assistant Director of the Office for Evangelization in the Diocese of Pittsburgh. Father Freedy led our Advent Days of Recollection on December 17 & 18, 2021. Gratitude is also expressed to Seminarian John Kist who assembled the worship aid, organized the all night Eucharistic adoration and provided a wonderful keynote 3 address on Saturday! Thank you as well to our musicians Dennis Bell, Jane Chmiel and John Kallis for the reflective music for all the liturgies. Thank you to Rita Milchovich for all the assistance with the many sacristy and environment and art preparations for the various liturgies. And thank you to Mike Bertovich for serving!

As the Covid-19 virus continues to change, you will be kept up to date on changing restrictions. The CDC (Center of Disease Control) earnestly recommends all individuals to wear masks in public settings in areas of high or substantial transmission, such as Washington County is currently experiencing.

Social & Outreach Organization Goody Bags

The Saint Katharine Drexel Social and Outreach Organization would like to thank those parishioners who donated items for the goody bags for two of our local nursing homes.
