## Pastor's Corner

Dear Friends in Christ:

Last weekend at Mass we celebrated the Feast of the Baptism of the Lord that brought to conclusion the glorious season of Christmas. The Church in her liturgy now enters into the period of the liturgical season of Ordinary Time until the season of Lent which begins on Ash Wednesday, this year on March 2, 2022.

Ordinary Time is marked with green vestments that the priest and deacon wear at Mass. In our Catholic tradition, the color green symbolizes the virtue of hope as we find new life in Christ. This is reflected to us in the Gospel from Saint John we hear at Mass this weekend. Christ came into our world to change human hearts and to make all things new. Our Lord came to change us just as he changed water into wine. The words of our Lord are spirit and life and have a message that is timeless.

Jesus brought happiness and joy into the lives of those who gathered in Cana for the wedding feast. We too can share in all that Christ has prepared for our lives when we follow the instruction that Mary, the Mother of Jesus gives: *"Do whatever he tells you."*

When it comes to changing our lives, when we seem to run short of what we need, we sometimes forget to turn to our Lord for what we truly need. It is only when we go before Christ, through our lives of faithful and regular daily prayer to express what we need, with hearts and minds open, that our Lord can begin to accomplish change in and through us.

*"Mary notes our needs  
before we ourselves feel them."*

*- venerable Fulton Sheen -*

### January 22: Day of Prayer for the Legal Protection of Unborn Children

The General Instruction of the Roman Missal (GIRM), no. 373, designates January 22 as a particular day of prayer and penance for abortion, called the "Day of Prayer for the Legal Protection of Unborn Children." Full relevant section from the GIRM: "373. Masses for Various Needs and Occasions are used in certain situations either as occasion arises or at fixed times. Days or periods of prayer for the fruits of the earth, prayer for human rights and equality, prayer for world justice and peace, and penitential observances outside Lent are to be observed in the Dioceses of the United States of America at times to be designated by the Diocesan Bishop.

In all the Dioceses of the United States of America, January 22 (or January 23, when January 22 falls on a Sunday) shall be observed as a particular day of prayer for the full restoration of the legal guarantee of the right to life and of penance for violations to the dignity of the human person committed through acts of abortion. The liturgical celebrations for this day may be the "Mass For Giving Thanks to God for the Gift of Human Life" (no. 48/1 of the Masses and Prayers for Various Needs and Occasions), celebrated with white vestments, or the Mass "For the Preservation of Peace and Justice" (no. 30 of the Masses and Prayers for Various Needs and Occasions), celebrated with violet vestments."

On Saturday, January 22, 2022, at the conclusion of the 4 PM Mass, Father Ed will lead a Eucharistic Holy Hour with Solemn Exposition of the Most Blessed Sacrament followed by benediction and reposition. Father Ed will lead the Litany for Life during the Holy Hour. Come and join us for this time of prayer and a greater respect for human life!

### Respect Life Prayer

Heavenly Father,  
the beauty and dignity of human life  
as the crowning of your creation.

You further ennobled that life  
when your Son became one with us in his  
incarnation.

Help us to realize the sacredness of human life  
and to respect it from the moment of  
conception

until the last moment at death.

Give us courage to speak with truth and love  
and with conviction in defense of life.

Help us to extend the gentle hand of mercy  
and forgiveness

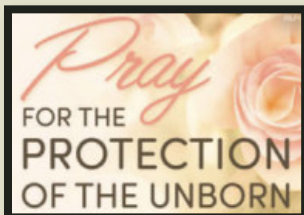

to those who do not reverence your gift of life.

To all, grant pardon for the times  
we have failed to be grateful

for your precious gift of life or to respect it in  
others.

We ask this in Jesus' Name.

Amen.

### Synod on Synodality

Pope Francis has called the universal Church to journey together. This Synod is not just another meeting with people providing presentations and written reports. This Synod is a process of journeying together by listening, dialoguing, praying, discerning and making decisions together for the purpose of proclaiming the Gospel of Jesus Christ.

Pope Francis is asking each diocese in the world to gather – clergy, religious and laity together – to listen to each other. The goal of this journeying together is not to create a new vision or pastoral plan. The goal of our journeying together is to be present with one another, to listen and learn with each other, and to grow closer to the Lord and His Church, especially in a post-pandemic world. Below is the Prayer for the Synod that all of us are called to pray.

#### *Prayer for the Synod 2021-2023*

#### *Communion, Participation & Mission*

We stand before You, Holy Spirit,  
as we gather together in Your name.

With You alone to guide us,  
make Yourself at home in our hearts;  
Teach us the way we must go  
and how we are to pursue it.

We are weak and sinful;  
do not let us promote disorder.  
Do not let ignorance lead us down the wrong  
path

nor partiality influence our actions.

Let us find in You our unity  
so that we may journey together to eternal life  
and not stray from the way of truth  
and what is right.

All this we ask of You,  
who are at work in every place and time,  
in the communion of the Father and the Son,  
forever and ever.

### Second Collection THIS WEEKEND January 15/16, 2022

The second collection THIS WEEKEND January 15/16, 2022 will be taken for the Saint Anthony School Programs and the DePaul School for Hearing and Speech.

#### **Saint Anthony School Programs**

Saint Anthony School Programs offers inclusive education to students ages 5-21 with the primary diagnosis of autism, Down syndrome and other developmental delays. Students attend regular classes based on their individual abilities and supplement their learning with fully-certified special education teachers in their Resource Rooms. The inclusive nature of their program allows the students to develop academically, socially and spiritually in a caring and respectful environment.

Students between the ages of 18-21 attend the vocational program at Duquesne University. At the post-secondary level, students train vocationally at local job sites to learn the functional aspects of jobs as well as proper business attire and appropriate work related behaviors. In addition, they practice independent living skills such as cooking, shopping and cleaning at the Life Skills Training Apartment. It is the goal to provide the education and resources each student needs to live life as independently as possible after graduation.

Saint Anthony School Programs provides hope and encouragement to families in need of their services. As an inclusive program, it allows siblings to attend the same school and interact together as part of the same student body, while meeting the special learning needs of each child. It helps children develop friendships and a deeper love for God, while preparing them to become active and contributing members of the community.

Visit the website: [www.stanthonyschoolprograms.com](http://www.stanthonyschoolprograms.com) for additional information.

#### **DePaul School for Hearing and Speech**

DePaul School for Hearing and Speech, founded by the Diocese of Pittsburgh and the Sisters of Charity of Seton Hill as DePaul Institute, is a State Approved not-for-profit school dedicated to auditory/oral education as well as spiritual and personal development of deaf and hard of hearing children from birth to age 14. Students are offered a full scholarship for academic programs. A comprehensive continuum of clinical and family support programs are also offered free of charge to parents and caregivers.

Auditory/ oral education teaches children to learn to use whatever hearing they have, in combination with lip-reading and contextual clues (speech-reading) and the latest technologies such as cochlear implants and digital hearing aids, to understand and use spoken language. The goal is to give children the necessary academic language skills to fully participate in the speaking and hearing world. Virtually all of the students mainstream to their neighborhood schools during their elementary or middle school years with minimal supports.

DePaul School for Hearing and Speech is the only program of its kind in western Pennsylvania and among just a handful of state providers to offer a center-based educational program for children under the age of three. Visit the website: [www.speakmiracles.org](http://www.speakmiracles.org) for more information.

You are invited to be as generous as you are able to the second collection THIS WEEKEND: January 15/16, 2022 which will benefit the Saint Anthony School Programs and the DePaul School for Hearing and Speech.

**\*\*Important note: The amount collected for Saint Anthony School and De Paul School will be credited towards our 2021 Parish Share goal. We invite you to be as generous as you are able.\*\***

### Annual Diocesan Parish Share Campaign for 2021

Our annual Parish Share Campaign for the 2021 calendar year will soon come to a close. The Parish Share Program supports the needs of older adults and the less fortunate: Catholic Charities, Roselia Center and Mon Valley Social Services are among the many social programs that receive support through Parish Share. In addition, your contribution provides a vital role in helping more than 85,000 young Catholics receive a firm grounding in their faith through parish based religious education programs as well as through campus and youth ministry, helping to bolster the spiritual development of young adult Catholics. Supporting Parish Share promotes new vocations to the priesthood and religious life, provides for the continuing spiritual and educational formation of our current diocesan priests, and the care of retired priests who have given their lives in service to us. Parish Share also helps in educating parishioners on pro-life issues, counseling women and teenagers in crisis, and reaching out to women and men suffering from the trauma of abortion. In all, Parish Share helps parishes achieve things they cannot do on their own. Your contribution helps to provide our parishes with property planning and insurance expertise, legal and judicial counsel, stewardship and development services, financial and auditing services that allow the parish to serve you better.

**The assessment as issued by the Diocese of Pittsburgh for Saint Katharine Drexel Parish in 2021 is \$83,554.00**

**As of the date of this bulletin, our parish still has a balance owed for parish share for this current year of \$41,000.00. Your help is urgently needed! If you have not yet made a contribution, would you please consider making a check payable in the amount of \$350.00?** You are asked to be as generous as you are able according to your means. Also, a reminder that all funds collected over our assessment again remains for use by our parish and *not* considered income that is assessable. May God abundantly bless you for your generosity!

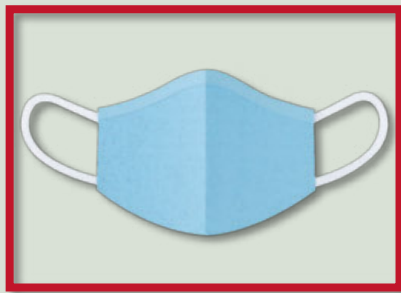

**Safe Environment Requirements for Renewing Volunteers**

Several parish volunteers have asked me about the requirements for renewing volunteers. I am listing them here for you to clear up any confusion there may be. Three items need to be updated when they expire.

- 1) **FBI Waiver.** This needs to be read and signed every five years.
- 2) **Pennsylvania Child Abuse History Clearance.** This needs to be redone every five years. The form requires that you list where you have lived since 1975 and household members since 1975.
- 3) **Protecting God's Children Maltreatment and Vulnerable Adults Training.** There is new training every three years which involves watching twelve videos and then answering a question for each situation. It takes about 90 minutes to complete. This is a new renewal requirement as of May 2021.

Please contact me if you have any questions at 724-209-1370 (ext.410) joanosec@gmail.com.

Sincerely,  
Joan Organiscak, Safe Environment Coordinator

**Masks Required**

Effective the weekend of August 7/8, 2021 due to increase of Covid-19 cases, Bishop Zubik is requiring in the Diocese of Pittsburgh for all Greeters, Extraordinary Ministers of Holy Communion, Ushers, Priests and Deacons to wear masks at Mass when in direct contact with people. **This mask requirement includes fully vaccinated individuals.** This mask requirement remains in effect until further notice. As the Covid-19 virus continues to change, you will be kept up to date on changing restrictions. The CDC (Center of Disease Control) earnestly recommends all individuals to wear masks in public settings in areas of high or substantial transmission, such as Washington County is currently experiencing.
