Gospel Summary & Question of the Week
Read Sunday’s Gospel,  Lk 9:51-62

13th Sunday in Ordinary Time - Cycle C

Gospel Summary:

Have you ever heard that the Gospel is radical? In our times, we hear that word and think of fundamentalists, radical activists, or extremists - people who go beyond limits to achieve their goals and may not consider themselves bound by normal propriety or morality. Their ethos might not be so different from James and John in today's Gospel. "Lord, do you want us to call down fire from heaven to consume them?" This isn't so foreign to some of the stories of the Old Testament. Yet Jesus rebukes them. He won't be exacting in the way his contemporaries expected. There will be no radical rain down of fire and brimstone. Jesus is radical in another way: the call to discipleship. "The Son of Man has nowhere to rest his head." "Let the dead bury their dead. But you, go and proclaim the kingdom of God." "No one who sets a hand to the plow and looks back to what was left behind is fit for the kingdom of God." These can be difficult passages to read. These are not normal things to hear! It can be easy for many of us to avoid the exacting nature of the Gospel, which might not be what we think it is. James and John wanted to set the bar high for others on the outside and to punish those who didn't meet that standard. Jesus sets the bar high for his disciples, those who say they want to follow him. He may be using some hyperbole, but it's only to send a clear message. This is a radical call, one that has a cost. To truly put God and others first, before ourselves, will involve sacrifice. How is Jesus asking you to be radical today?

Question of the Week:

When have you faltered or look back during your journey of faith?

What can you do to be a stronger follower of Jesus this week?

PRO-LIFE PERSPECTIVE — “As we tinker with the beginning, the end, and even the intimate cell structure of life, we tinker with our own identity as a free nation dedicated to the dignity of the human person.  When American political life becomes an experiment on people rather than for and by them, it will no longer be worth conducting.”

Dear Parishioners,

Some years ago we had a priest from the Philippines helping us at our parish. He was a joy to live with and work with. He had just started coming to the States for a few years, learning much about our language, culture, and lifestyle. It was all different for him, coming from quite an impoverished life. I remember one year as we approached July 4th, he stunned me with the question, what is this ‘Independence’ that you’re celebrating? It’s a question for all of us to reflect upon. We celebrate our independence from Great Britain. We celebrate the Freedom that has become one of the foundational pieces of our nation. But in our time that value, like others, is often misunderstood and misused. Any venture into the subject of Philosophy soon leads to the widely accepted conclusion that there is no such thing as Freedom without its partner, Responsibility. The modern world has managed to disconnect the two, and we see its effects everywhere. To put it one way, my Freedom stops where it intersects yours. I am not free to do whatever I wish without the consequences of that choice. This core truth sits at the center of many of our modern issues, including the Right to Life and the violence that we perpetrate on one another. It also makes us a lazy people, unwilling to do the work for which each of us is co-responsible with and for one another. On this birthday, as in Memorial Day and others, we are reminded of the price of our Freedom, the sacrifice of others who took their responsibilities very seriously. This common value is not just lacking in society, but sadly enough in the Church as well. Each of us is free to “practice” faith or not, but our choice has its consequences. What kind of Church are we when so few of the Baptized accept their Responsibility to follow Christ in freedom? Well, we’re seeing it. We are Church where fewer are participating and fewer are doing the work of the Lord. We are Church of people making demands without any connection to the rest of the Body of Christ. To use Paul’s analogy, we are now a Body with eyes but not feet, with hands but not smell. We don’t use our gifts and blessings, which are meant not just for us, but for the good of all God’s people. When we became free from Great Britain, our nation took a course to become a beacon of light and hope for all the world - the “greatest nation on earth.” Not reconnecting Freedom and Responsibility is leading us down a path of losing that title and that reality. We enjoy fireworks and parades this week, celebrations of our nation’s birth. If we are not to lose our way, let’s honor the freedom we’ve been given by accepting the responsibility that comes with it. No one should ever again have to ask us, “what is this ‘Independence?’”

Our extreme sense of individuality is costing us dearly.

PETER’S PENCE COLLECTION
This weekend we take up the Special Collection known as “Peter’s Pence.” This gift helps the Holy Father in his ministry as leader of the world-wide Church both at the Vatican as well as around the world. For all natural disasters and tragedies, people look to the Church for assistance. It is through this offering that Pope Francis responds to the needs of God’s people at times when they are hurting the most and have nowhere else to turn. Please be generous, using the envelope provided in our monthly packet.
