Welcome, Fr. Bob!

Hello Holy Trinity,

My name is Father Robert Owczarczak. You can call me Fr Bob, and I am the new administrator of the church. I just wanted to say hello and introduce myself to you.

A little background: I am one of nine children and lived in the small town of Marilla, N.Y. I attended: St. Vincent DePaul grammar school, St. Mary's High School, Canisius College, and I received my Masters in Social Work from the University of Buffalo. After spending 5 years in the counseling field, I attended Christ the King Seminary for my Masters in Divinity. I am a huge Bills fan, love to play a variety of sports, and I get my energy from being around people.

As a priest, I really stress the importance of God's love and mercy so I will be pushing for a deeper understanding of confession and the Eucharist. I am a very casual guy, so if you come by the office I may be in a T-shirt and shorts. (I do dress up for the important events).

I am looking forward to working with all of you, but I am a little nervous as I do not know the area of Dunkirk at all, so it may take me a little time to adjust.

Know that whatever decisions I make I do it through prayer. I will never intentionally try to hurt anyone with my decisions but know we may also not agree, and that's okay. My ultimate job is to get all of you one step closer to heaven, and I pray that through my time here I can do just that. Looking forward to meeting everyone, and please give me time to learn your names as that is a weakness of mine.

For the Greater Glory of God (AMDG)

Fr. Bob Owczarczak

Faith Moment Reflection

An old African folk tale that speaks of three blind men who examine an elephant to try to determine what sort of animal it might be goes like this: One grabs hold of the elephant's tail and exclaims, "This creature is very like a rope." The second man runs his hand over one of the tusks, declaring, "This creature is very like a spear." Finally, the third man, patting the wide, solid side of the elephant, says, "This creature is surely a wall."

Individually, each of the blind men grasped *an aspect* of the majestic creature, but their understanding was limited. But, by sharing their insights, they were given an understanding of elephants that none of them could have alone.

Like the experience of those three men, all of the Church's various celebrations throughout the year work together to help us enter more deeply into the mysteries of salvation and the ways that God has been – and continues to be – at work in the world. This Sunday's celebration honoring the Most Holy Trinity is no exception.

As we draw closer to God and the mystery of the Trinity, we learn about God's love. God has lavished us with love in the persons of the Son and the Spirit, who in turn nurture in us the desire to do the same. When we open ourselves to be filled with an awareness of the divine life within us, we participate in the endless spiral of love that leads to eternal life. Whenever we share selfless love in the family, we are sharing in the life of the Trinity.
