16TH SUNDAY IN ORDINARY TIME

When he disembarked and saw the vast crowd, his heart was moved with pity for them, for they were like sheep without a shepherd; and he began to teach them many things. - Mk 6:34

READINGS FOR NEXT SUNDAY

2 Kings 4:42-44: Elisha the prophet feeds 100 people with 20 barley loaves.

Ephesians 4:1-6:
The Ephesians are encouraged to live the unity of their Baptism.

John 6:1-15: Jesus feeds the crowd of more than five thousand people with five barley loaves and two fish

For Reflection: Today's Gospel reminds us that God feeds and nourishes us, fulfilling our physical needs as well as our spiritual ones. How do we serve the poorest among us?

Of Many Things

- ◆ **“Come away by yourselves to a deserted place and rest a while . . . ” Jesus was moved with pity for the vast crowd, for they were like sheep without a shepherd.** Mark 6: 30-34 (53-56)
*“The challenge of the past year and a half required us to live our lives in new ways: a new emphasis on family, less obsessiveness about our jobs and careers, rediscovered gratitude for the simple, ordinary things of life that we had taken for granted. In some ways, this time has been a “deserted place” to recalibrate our lives; it’s been a time to rediscover love and friendship, empathy and joy in the things of God. So, while we’re happy to move beyond this horrible pandemic, may we continue to preserve the “deserted” places and times it afforded us to escape the demands of our calendars and things-to-do lists in order to re-center our lives in the compassion and grace of God, to hear again the voice of Christ the Shepherd calling us to lives of joyful gratitude and fulfilling service.” Jay Cormier. **Question for the Car:** What have I discovered in this past year’s “deserted place”?*
- ◆ **Parish 75th Anniversary** – Holy Family Parish was founded in October, 1946. This year we celebrate the 75th Anniversary of our establishment by Archbishop-Bishop Edward F. Hoban, the Bishop of Cleveland. We are planning an **Anniversary Mass – celebrated by Bishop Edward C. Malesic – at 11:30am on Sunday, November 28, 2021.** All will be welcome to attend.
- ◆ **Parish Cookout** -- To begin our celebration – and to welcome everyone back together after this difficulties of COVID – **we are planning a parish cookout on the evening of Saturday, August 7** (immediately following the 5:00pm Mass). We’ll have a tent and outdoor seating (weather permitting) – plus games and simple entertainment. Hamburgers, hotdogs, etc. **NO CHARGE!! Please call 330-688-6412, Ext. 470 – so that we can plan accordingly. ALL are welcome!!**
- ◆ **Some recent points of information:**
 - * **The Bishops of Ohio have invited and encouraged those of us who are able to return to the regular “in person” celebration of the Sunday Eucharist as of June 6.** While many of us have felt comfortable doing this for some time now – we recognize that many folks have continued to make use of the “COVID Dispensation” until now. Hopefully, many of our friends have received the vaccine – or have observed the decline in the COVID “numbers” – and will feel comfortable returning on Sundays. As always, the usual dispensation applies for those who are ill, for those caring for someone who is ill, or for other reasonable situations. **Welcome all!**
 - * **Deacon Phil** – Our retired **Deacon Phil Kamlowsky** has suffered from some health troubles recently. Poor circulation in his right leg has led to several corrective surgeries – **including major surgery on July 6.** He is anticipating several more weeks of physical therapy. He and Karen appreciate your prayerful support. Let’s pray for a speedy recovery – And we all say -- **AMEN!!**
 - * **As we return** to fuller attendance at Masses, we need to re-establish and reorganize such ministries as lectors, commentators, servers, extraordinary ministers of Holy Communion, ushers and hospitality ministers. We plan to have training sessions for each of these ministries during the next couple of months. We hope to welcome back those who may have been unable to serve during COVID – and welcome new volunteers for any of these ministries. Please watch for announcements about sign-ups and training.
 - * Recall that some folks have remained **reluctant to be in crowded places** – because of their own health issues or the health of those in their care. They may remain tentative as they return to “in person” worship – and we can do our best to help them feel welcomed.
 - * **Face masks** are no longer required -- but those who have not been vaccinated or are otherwise vulnerable are strongly encouraged to wear one. I personally plan to continue to wear a mask in the church – in solidarity with those (including children) who have not been vaccinated and with those who are still getting used to returning to church and other crowded situations.
 - * **Holy water** will once again be available, as will the **Sign of Peace.** If you wish to remain cautious about these, that is your choice. **Social distancing** is relaxed – but we should still respect each other’s “comfort zones”. **Hand sanitizing** is still encouraged. Space will still be available for seating (with Livestreaming) in the Lower Church Hall – if you find the church uncomfortably crowded. **Livestreaming** – for those at home – will continue.
 - * **Construction** -- Once we begin work (in a couple weeks, hopefully) on the **HVAC systems** in the church, there may be times that some pews may be temporarily unavailable. We will stop the HVAC work briefly when we have a **funeral** – but will generally be unable to make the church available (as has become more common since COVID) for visitation before the funeral. Funeral directors are aware of this and will work with us. **~continued~**

- ◆ **We have begun work on this Summer’s phase of the HVAC replacement in the Church.** We have recently accepted a bid (\$878,944.00) for this work – and have now received Diocesan approval to get started. I am very grateful for your generous response to our Capital Campaign – which allows us to move forward with this project. The brick “connector” between the Church and the Rectory was completed last Fall. Most of the equipment for the new HVAC system will be installed on the “roof” of this structure. Ductwork, etc. will be installed throughout the Church and Lower Church Hall. **We expect some disruption – especially on weekdays/workdays in the coming months –** and we will need to be “creative and patient” when it comes to scheduling during the construction period. **We hope to limit disruption over the weekends. We also hope and pray that the “old” AC system – patched and held together with prayer and Duct tape -- will continue to operate until the new system is fully operational.**
- ◆ For those with **gluten intolerance** or other reason to refrain from receiving the Sacred Host at Communion time – please check with one of the priests and we will arrange an opportunity to receive Holy Communion from the Cup or to receive a low-gluten host.
- ◆ **I am very much aware that the COVID-19 crisis – and associated financial disruptions – has changed personal financial security for many of you – beyond your “typical” circumstances.** I realize that some folks may need to adjust their contributions to Holy Family until they are in a better place. I understand and respect the decisions you have needed to make. We all pray for better times ahead. We will get through this. We are people of love, faith – and hope. Thank you -- for your exceptional generosity to the Parish and the works of the Church.
- ◆ **Holy Family School – A “Blue Ribbon School of Excellence”:** Parents of school age — or pre-school age — children are encouraged to consider Holy Family School for their children. We suggest that you contact Mrs. Heather Hawk Frank, Principal, at: 330-688-6412, Ext. 310 — or Mrs. Katrine Franklin, Administrative Assistant, at: 330-688-6412, Ext. 314 – for further information about our School or to arrange a tour. We participate in **EdChoice**.

SUPPORT FOR OUR SEMINARIANS

The Parents of Priests Organization of our Cleveland Diocese works to support the needs of the seminarians at Borromeo and St. Mary Seminaries in many ways, including financial and spiritual support. One of the ways that members of the Diocese, and especially our own Holy Family Parish, can also assist these men is through spiritual support. Each day is designated for prayer support for seminarians as well as our Pope, Bishop Edward Malesic, Pastors, Priests, and other related intentions.

Please use this insert and keep it in a place where you can see it each day and thoughtfully say a prayer of support for the name listed on that day, as well as for an increase in vocations.

Social Concerns:

“On July 7, the news broke that Haitian President Jovenel Moïse had been assassinated, sending the deeply troubled country into further crisis. We stand in solidarity with Haiti’s suffering people and the Maryknoll Lay Missioners serving there in praying for peace and social justice. Life in Haiti in recent years has been described by some there as ‘harrowing.’ The economy has stalled and almost half of the population faces acute hunger daily. As a result, many Haitians have taken to the streets to demand a new leader while President Moïse argued that his term was not finished – sending the country into a constitutional crisis. Thousands of Haitians have been displaced from their homes in the past year because of surging gang violence. On top of that, the country is experiencing another wave of COVID-19 outbreaks as health officials await vaccines and hospitals struggle to deal with the rising number of cases.

Pray for Haiti:

God of all creation, as we weep with our family in Haiti, console us.

In this time of crisis, open our eyes to look beyond disaster

to see Christ in our brothers and sisters in Haiti, as Christ sees us.

Be with us as we stand in solidarity with those living and working in Haiti.

Be with us in our mourning and guide our efforts to feed the hungry, shelter the homeless, comfort the grieving and stand for justice.

With your mercy, sustain us at this time as we continue to work for peace and justice.

Amen.”

Step Up to Quality - Good News!!!!**

Thanks in large part to the advocacy done by you and others of good will around the state, the changes to Step Up to Quality, and the SNAP eligibility and change reporting provisions did not make it into the state budget this year! We will continue monitoring these and other issues in the future, but we wanted to take this moment to thank you and to celebrate our success together.

Our shared voices matter, and together we were able to stop harm from happening to some of our most vulnerable neighbors! Thank you for advocating with us!”

“U.S. Bishops’ Subcommittee on the Church in Latin America Awards \$2.5 Million in Grants to Promote Solidarity throughout the Hemisphere

WASHINGTON - Catholics in some of the most impoverished regions of Latin America will benefit from more than \$2.5 million given by parishioners in the United States, as the U.S.

Conference of Catholic Bishops’ Subcommittee on the Church in Latin America awards grants to promote solidarity throughout the hemisphere by supporting pastoral projects and strengthening social ministries.

Funding for 135 projects supporting local faith communities stretching from the Caribbean to the Andes was made possible by the generosity of Catholic parishioners who gave to the annual Collection for the Church in Latin America.

‘The Church in Latin America has suffered greatly from political oppression, civil war, economic turmoil, and societal neglect of those on the margins,’ said Bishop Octavio Cisneros, retired auxiliary bishop of Brooklyn, chairman of the Subcommittee on the Church in Latin America.

‘After the Second Vatican Council, Catholics in the United States answered the call of the Holy Father to support ministry to our sisters and brothers there through the Collection for the Church in Latin America. Our Church is currently blessed to have a pope from Latin America, who has lived among the poorest of the poor and renewed the call to solidarity with them. Donations from Catholics in the United States not only strengthen Catholic ministry from Cuba to Peru, but they also demonstrate a love that strengthens the kingdom of God.’

Examples of projects supported by the recent grants:

- In Paraguay, the Roman Missal will be translated into the language of the indigenous Guarani people, enabling them to worship in their mother tongue.
- In Peru, Catholics who participate in national conferences on topics ranging from biblical interpretation to human rights will receive help to implement what they learned. The grant will also fund education and dialogue for clergy and lay leaders on religious and social topics of critical importance in Peru.
- In Venezuela, youths will learn about Catholic theology and social doctrine to better engage in community outreach and evangelization.

‘These grants support Catholic ministry among people who have no way to raise such funds themselves,’ Bishop Cisneros said. ‘Gifts offered to the Collection for the Church in Latin America are ultimately measured in the eternal value of souls saved, faith lives renewed, vulnerable people protected, and love shared.’
