Of Many Things

- ◆ **Many of Jesus' disciples who were listening said, "This saying is hard; who can accept it . . . ?" Jesus then said to the Twelve, "Do you also want to leave?" Simon Peter answered [Jesus], "Master, to whom shall we go? You have the words of eternal life."** John 6: 60-69

The most important lessons we learn in life are usually the hardest; realizing that we have a responsibility to our families and communities can be a hard lesson to learn — and to teach. The Gospel can be difficult to embrace: Jesus' demand that his disciples must be forgiving and merciful runs counter to what human convention dictates; Gospel justice and compassion can make us very uncomfortable and uneasy. Many of us struggle to "endure this kind of talk" not because we don't understand Jesus but because we understand Jesus all too well. **Question for the Car:** Are there times that I find Jesus' message too uncomfortable?

- ◆ **Parish 75th Anniversary** – Holy Family Parish was founded in October, 1946. This year we celebrate the 75th Anniversary of our establishment by Archbishop-Bishop Edward F. Hoban, the Bishop of Cleveland. We are planning an **Anniversary Mass – celebrated by Bishop Edward C. Malesic – at 11:30am on Sunday, November 28, 2021.** All will be welcome to attend.

- ◆ **Some recent points of information:**

- * **Sr. Jackie Doepker,osf** -- a representative of the Sisters of St. Francis' missionaries, will speak at **Sunday Masses August 28.29.** The Sisters have foreign missions in Mexico and home missions in Appalachia. The sisters give children living in extreme poverty the opportunity to obtain an education, plus emergency needs of food and medicine. Appalachian ministries include faith development and pastoral care, adult literacy, and emergency outreach of food, clothing, and shelter for the poor. Please help make a difference in the lives of people suffering from poverty with your prayers and financial support. **This is our annual Mission Co-op Collection.** Envelopes were in your June packets – or donations toward the Sisters of St. Francis Missions **can be placed in the large baskets (with red ribbon) at the back of the church.**
- * **We have been asked** – by the Diocesan Personnel Director to help Fr. Jeremy Merzweiler at St. Francis de Sales Parish (Portage Lakes) with Sunday Masses – until a Parochial Vicar is available to send there next Spring. (Their Parochial Vicar was recently assigned as Administrator for St. Peter, Loudonville.) Fr. Michael Denk will generally be taking this responsibility, along with his assignment here. We are happy to help where needed.
- * **For couples that might be struggling in their marriage**, a special retreat program, **Retrouvaille** for the Cleveland area is scheduled for the weekend of **September 10-12.** For Registration, go to: https://www.helpourmarriage.org/communities/weekend_details.cfm?community=Cleveland_Ohio&program_date=6129. **For further information, go to: www.helpourmarriage.org.**
- * **Infertility Resource --Springs in the Desert** is a Catholic Community formed to help with the shared suffering of infertility and loss by accompanying those with this cross on a path into fruitfulness. Please share the **website:** www.springsinthedesert.org -- with couples who are struggling with infertility.
- * **The Bishops of Ohio have invited and encouraged those of us who are able to return to the regular "in person" celebration of the Sunday Eucharist as of June 6.** While many of us have felt comfortable doing this for some time now – we recognize that many folks have continued to make use of the "COVID Dispensation" until now. Hopefully, many of our friends have received the vaccine – or have observed the decline in the COVID "numbers" – and will feel comfortable returning on Sundays. As always, the usual dispensation applies for those who are ill, for those caring for someone who is ill, or for other reasonable situations. **Welcome all!**
- * **Deacon Phil – Our retired Deacon Phil Kamlowsky is continuing his recovery at home following major surgery on July 6. He is anticipating several more weeks of physical therapy. He and Karen appreciate your prayerful support. Let's pray for a speedy recovery. And we all say -- AMEN!!**
- * **As we return** to fuller attendance at Masses, we need to re-establish and reorganize such ministries as lectors, commentators, servers, extraordinary ministers of Holy Communion, ushers and hospitality ministers. We plan to have training sessions for each of these ministries during the next couple of months. We hope to welcome back those who may have been unable to serve during COVID – and welcome new volunteers for any of these ministries. Please watch for announcements about sign-ups and training.

~continued~

- * Recall that some folks have remained **reluctant to be in crowded places** – because of their own health issues or the health of those in their care. They may remain tentative as they return to “in person” worship – and we can do our best to help them feel welcomed.
 - * **Face masks** are no longer required -- but those who have not been vaccinated or are otherwise vulnerable are strongly encouraged to wear one. Although fully vaccinated myself, I personally plan to continue to wear a mask in the church – in solidarity with those (including children) who have not been vaccinated and with those who are still getting used to returning to church and other crowded situations.
 - * **Holy water** will once again be available, as will the **Sign of Peace**. If you wish to remain cautious about these, that is your choice. **Social distancing** is relaxed – but we should still respect each other’s “comfort zones”. **Hand sanitizing** is still encouraged. Space will still be available for seating (with Livestreaming) in the Lower Church Hall – if you find the church uncomfortably crowded. **Livestreaming** – for those at home – will continue.
 - * **Capital Campaign -- As of August 5: 712 Parishioners have pledged a total of \$2,982,670 toward our goal of \$3,000,000 -- and \$2,033,241 (moving up each week!) has been paid on these pledges. A Wonderful Response!! Thank you for your support.**
 - * **Construction** – Having finally begun work on the **HVAC systems** in the church, there will be times that some sections of pews may be temporarily unavailable. We will stop the HVAC work briefly when we have a **funeral** – but will generally be unable to make the church available (as has become more common since COVID) for visitation before the funeral. Funeral directors are aware of this and will work with us. **We have experienced a number of delays** – permissions, supplies, weather, etc. Frustrating, but the good news is that we are in a position to pay for everything now that we are moving forward
- ◆ **We are anticipating work on this Summer’s phase of the HVAC replacement in the Church.** We have recently accepted a bid (\$878,944.00) for this work – and have now received Diocesan approval to get started. I am very grateful for your generous response to our Capital Campaign – which allows us to move forward with this project. The brick “connector” between the Church and the Rectory was completed last Fall. Most of the equipment for the new HVAC system will be installed on the “roof” of this structure. Ductwork, etc. will be installed throughout the Church and Lower Church Hall. **We expect some disruption – especially on weekdays/workdays in the coming months** – and we will need to be “creative and patient” when it comes to scheduling during the construction period. **We hope to limit disruption over the weekends. We also hope and pray that the “old” AC system – patched and held together with prayer and Duct tape -- will continue to operate until the new system is fully operational.**
 - ◆ For those with **gluten intolerance** or other reason to refrain from receiving the Sacred Host at Communion time – please check with one of the priests and we will arrange an opportunity to receive Holy Communion from the Cup or to receive a low-gluten host.
 - ◆ *I am very much aware that the COVID-19 crisis – and associated financial disruptions – has changed personal financial security for many of you – beyond your “typical” circumstances. I realize that some folks may need to adjust their contributions to Holy Family until they are in a better place. I understand and respect the decisions you have needed to make. We all pray for better times ahead. We will get through this. We are people of love, faith – and hope. Thank you -- for your exceptional generosity to the Parish and the works of the Church.*
 - ◆ **Holy Family School – A “Blue Ribbon School of Excellence”:** Parents of school age — or pre-school age — children are encouraged to consider Holy Family School for their children. We suggest that you contact Mrs. Heather Hawk Frank, Principal, at: 330-688-6412, Ext. 310 — or Mrs. Katrine Franklin, Administrative Assistant, at: 330-688-6412, Ext. 314 – for further information about our School or to arrange a tour. We participate in **EdChoice**.

Immigration:

“Protect Families, Ensure Due Process, and Respect Human Dignity U.S. Bishops’ Migration Chairman Urges Administration

‘We call on the Administration to reverse course on expedited removal, reexamine its use of Title 42 authorities, and truly promote due process, consistent with past commitments. Let us work together as a nation to welcome, protect, promote, and integrate migrants according to their God-given dignity. We encourage public health policies supported by sound scientific rationales and oppose those with a disparate impact on families, children, and vulnerable populations. Finally, we praise the Administration for expanding vaccination access for migrants, limiting the spread of COVID-19.

‘In this Year of St. Joseph, pray that the patron of families intercede for vulnerable migrant families, especially those traveling with children and the elderly.’

DHS announced placing certain migrant families in expedited removal proceedings, whereby quickly and absent a hearing, they deport noncitizens suspected of recently entering the U.S. without inspection, undermining due process and impeding protections guaranteed by both domestic and international Law. DHS and the CDC announced continuing under Title 42 of the U.S. Code to block and expel asylum seekers, including families with children, exercising this legal right at designated ports of entry. Bishop Mario E. Dorsonville, auxiliary bishop of Washington and chairman of the USCCB’s Committee on Migration, issued the above statement.”

We invite you to look deeper into the Catholic faith. Holy Family Parish will soon begin a new journey in faith to share the richness of the Catholic Church and our parish family. We invite you to learn what the Church teaches, and be introduced to some of our parish members who love the Lord and would consider it a privilege to get to know you.

These gatherings are for inquirers and are open to people who are unbaptized, as well as those who are baptized Christians from Protestant or Evangelical backgrounds. They are also open to baptized Catholics who have not received the sacraments of Holy Communion and Confirmation.
