FROM THE DESK OF FR. JOHN SKIRTICH

Our Lady of Hope Parish Family,

This past week saw some very special spiritual events at Our Lady of Hope parish: the presentation on the Shroud of Turin at Nativity Church on Tuesday; the Baccalaureate Mass for our graduating seniors on Sunday; our first annual Corpus Christi Eucharistic Procession on Sunday. Photos of some of these events are found in this bulletin.

Mr. Bob Sloss gave a very interesting and spiritually insightful presentation on the Shroud, with a life-size replica and other photos present. It was particularly gratifying that the weather held out long enough for our procession with the Holy Eucharist after the 10:30AM Mass at St. Valentine Church. A large crowd followed in procession with the new canopy being carried over the Monstrance as the rosary was recited both outdoors and indoors (for those not able to walk along during the procession). It was a very moving event planned by Jim Zern and our seminarian Loc, along with the help of many volunteers. I was also fortunate enough to get in on the tail end of the Baccalaureate luncheon organized by Carol Vater and Amanda Kuss, greeting some of the seniors. It was gratifying that so many of our graduates attended the Mass and luncheon. Thanks to all!

As we enter into summertime and, hopefully, vacation time for many, we are gearing up for our long-awaited trip to Italy, June 17th-27th. The final trip meeting was held this past Wednesday. We will be taking the prayer intention books at each of our sites and remembering the many intentions now written in them at the special Masses we will celebrate in the basilicas and churches we will be in.

Once again this year, we had successful Lenten Fish Frys. Thank you to our chairpersons, volunteers, those who donated baked goods and drinks, sponsors and customers. Please see below for our proceeds.

Gratefully in Christ,

Fr. John Skirtich

GOSPEL MEDITATION *DEEPER UNDERSTANDING OF SCRIPTURE*

June 9 † 10th Sunday in Ordinary Time

Jesus asks us a stunning question this week: "How can Satan cast out Satan?" To enter into this question opens up the often-hidden dynamics of what Jesus has done and is constantly doing. If we're honest, our response to some degree is: "How else can we cast him out? Satan is precisely how we cast out Satan!" But Jesus wants us to see this finally does not work. Here's what I mean.

Satanas names the demonic mechanism by which we render wholeness through accusation. When we face a threat, we seek something to protect us (e.g., more money, social status, security, power, etc.). Rivals inevitably arise for these things and so do tensions. Accusation presents itself. "I'll never be successful unless I get ahead of that guy." "She's already trying to get ahead of me." "That group of immigrants is trying to take our jobs." And so on. The accusation grows into a fear-inducing threat — things will break apart — no, they already are! Hurry! We inflict violence on the victim and — as if by magic — peace ensues. For a time. Soon fresh accusations are required to hold new chaos at bay, until there is no community left at all. This is essentially humankind's sad history in a nutshell.

Jesus' cross and resurrection unmasks this broken system of "casting out Satan by Satan" and ushers in a new one he calls "the Kingdom of God." He reveals that the dynamic of accusation is nothing compared to his power of divine mercy and love. The cross (and not Satan) is the real power to tear down strongholds of sin and cast out Satan. This is why he describes himself as the "stronger man who ties up the strong man to plunder his house." This week let's notice the ways we "cast out Satan by Satan," and then refuse to do it anymore. Because in the long run, that divided house cannot stand.

OUR LADY OF HOPE PARISH

MISSION STATEMENT

We, the parish community of Our Lady of Hope, have been called in Baptism to continue the Mission of Christ to reveal the reality and beauty of God's plan of salvation for all.

Inspired by the Holy Spirit, we believe the Eucharist is the heart and source of our unity. As a Eucharistic people, we deepen our faith and build our community in love through education, spiritual renewal, and stewardship. We exemplify our love by reaching out to those in need in the spirit of justice, charity, and service. We pledge, under the mantle of Our Lady of Hope, to preserve our legacy for future generations and commit ourselves to welcoming all as we live the Good News of Jesus Christ.
