Prayers For The Holy Father, Pope Francis

Please remember to include Pope Francis and his restoration to good health in your prayers & those of your parishes going forward. Anyone who has suffered from bronchitis or pneumonia knows that challenge it is to recover. Compromised by age & previous episodes, his recovery will be more complex. Nonetheless, we pray for the health & well-being of Pope Francis that he may continue his ministry among us. Be sure that his health & well being is included during the Universal Prayers. A votive Mass may be celebrated for his speedy recovery, & prayer groups may include his intention in their prayers, Rosaries, & devotions. Thank You!
