## PERSEVERANCE TO SUCCEED

Raúl and Lilian have faced many challenges while trying to provide for their family and pursue their dreams in Guatemala. With support from Catholic Relief Services, they have been able to overcome these obstacles and grow their business while helping their community along the way. In what ways are you being challenged to serve others this Lent? [Visit https://www.allsaintsknoxville.org/news/operation-rice-bowl](https://www.allsaintsknoxville.org/news/operation-rice-bowl) to donate or learn more.

The tradition of the St. Joseph's Altar is one of unending gratitude and thanksgiving.

In the Middle Ages there was a terrible drought and famine in Sicily, a region of Italy. Without any rain, all the crops withered and died. The only thing that grew was the fava bean, a food for cattle. In desperation, families ate the fava bean in order to survive. Turning to St. Joseph for help, they promised to honor him always if their prayers were answered. Miraculously, healing rains came. In gratitude, an altar was dedicated to St. Joseph with the best of the foods they harvested; and in thanksgiving they shared this food with others less fortunate.

Sicilians who came to America continued the tradition of the St. Joseph's Altar with petitions, thanksgiving, and generosity towards others.

The altar has three tiers representing the Trinity. Saint Joseph is placed on the top, and throughout the tiers are flowers, baked goods, fruits, and bread. A basket for petitions is placed on the altar, and the food is shared with the poor. Fava beans are handed out as a reminder to pray to Saint Joseph.

**Please consider contributing to the altar and to those in need. You may bring baked goods, bread, fruit, or flowers and place them on the altar as you arrive for Mass the weekend of March 19/20.**

**Please wrap all baked goods, as these will be donated to Samaritan Place and Ronald McDonald House. Use only disposable platters as they WILL NOT be returned.**

### Laudato Si - Our Lenten Prayer

God of all, may we be moved to tap into the countless ways that human ingenuity, animated by your Spirit, has allowed us to collectively live more sustainably on the Earth, protecting the dignity of people and planet. We pray that we always prioritize the dignity and rights of workers as we make purchasing decisions at our parish/ in our community, and that we consider how our financial investments impact the health of the planet.

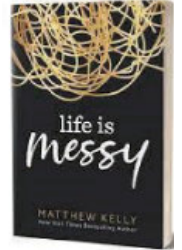

### Lenten Sacrifices/Actions

- Serve fair trade coffee at home, work, and church. Talk with those in your circle of influence about how fair trade products support the dignity of workers and the earth.
- Research and commit to making your family and community more aware of ways to integrate ethical purchasing into your everyday practices. (Made in America~Union Made~Fair Trade, Living Wage~Eco-Friendly~Worker Owned Coop)
- Research and incorporate ethical investing policies in your household and your parish/community organizations.

I am 3 months old, the end of my first trimester! At 3 inches long and weighing one ounce, I can really move around in my mommy's womb! I am fully formed!! I can even suck my thumb, squint, swallow, move my tongue, and make a tight fist! Please keep praying for me that I will be born!

*The most important conversation you have each day is with yourself. It regulates self-esteem and establishes your very sense of self. Harnessing this conversation to help you become the best version of yourself is critical. Allowing it to work against you, leads you down a long, slow, steady hill toward self-pity, mediocrity, and sadness.*

*If you needed to radically change your life and you could change only one thing, your inner-dialogue – the way you speak to yourself – would be a very strong candidate for that note: is your self-talk positive or negative? Are you speaking to yourself in a way that builds you up or tears you down? How you speak to yourself is far more impactful than how anybody else speaks to you. One of the reasons is because we always believe the things we say to ourselves, even when we are wrong. Even when they are not true.*

*How many beautiful, healthy women tell themselves they are fat? How many successful men tell themselves they are worthless? These illusions and dozens like them are so common they are clichés.*

All Saints has donated approximately \$8100 to the Pregnancy Help Center in this year's Baby Bottle Drive!! Thank you for your generosity!! There remain about 150 bottles yet to be returned from the 700 distributed. Please return the remaining bottles because those bottles are used by Baby Bottle Drives at other parishes.

Sunday, March 13, will be **Knights of Columbus Day** at All Saints Parish. We have several activities going on after all Masses that day, including the following:

- ◆ Pancake breakfast
- ◆ Items for sale from the Paraclete
- ◆ Medic Blood Drive benefiting Victoria Acosta, a young daughter of All Saints parishioners
- ◆ Presentation on investment and retirement options

Please join us for any or all of these activities, and thank you for your support!

### Engaged Encounter Weekend at All Saints! April 22 & 23

Our motto is "A wedding is a day, a marriage is a lifetime." Most people spend months planning and many dollars preparing for their wedding. But how much time and effort do we spend preparing for what we hope will last 50 or 60 years—our marriage? Catholic Engaged Encounter is a weekend to plan for a sacramental marriage. It is designed to give couples the opportunity to talk privately, honestly and intensively about their prospective lives together—their strengths and weaknesses, desires, ambitions, goals, their attitudes about money, sex, children, family, their role in the church and society—in a guided format. Cost of the weekend is \$175 per couple, which includes a certificate good for a \$60 discount on the couple's marriage license in Tennessee. To receive a \$60 discount you must attend a marriage preparation weekend within one year of purchasing the license. For more information or to register for a weekend, please visit <https://knoxville.engagedencounter.com> or call Leslie Consoli at 865-803-6790.

S.A.S.S.Y. (Service After School for Students & Youth) is back for a limited engagement! Join us to serve dinner at KARM Mission which

## "I Was Pain Free for the First Time in Years!"

Dena had a lot of pain in her knee from a torn meniscus, even after having surgery. It was so bad that her hip and low back started to hurt too. Steroid injections and physical therapy didn't help. As a last resort she called West Knox Acupuncture & Integrative Medicine.

"I couldn't even tailgate at UT football games because of the pain."

About 10 weeks into her treatment plan, Dena was pain free for the first time in years! She was finally able to sleep at night without pain waking her up. Not only that, but the treatments were very relaxing and it didn't even hurt.

"The doctors there are very empathetic and truly care about you and want you to feel better."

"It was very comforting to know that they have been helping people just like me get out of pain for over 20 years."

You can see Dena talk about her experience if you go to [www.wate.com/living-east-tennessee/west-knox-acupuncture-testimonial/](http://www.wate.com/living-east-tennessee/west-knox-acupuncture-testimonial/)

"My family really started to notice now that I got my life back. I'm walking up the stairs at the stadium again when we go to UT football games. Whatever issue you've got, WKA can help!"

If this sounds like you or someone you know, call now and set up an initial consultation to see if the doctors at West Knox Acupuncture & Integrative Medicine can help.
