Come and learn about the fascinating people and historic events that shaped the Catholic Church in her first centuries. From the life of Jesus, through early persecutions and controversies, to the rise of monasticism, Deacon bob Hunt will take us through the formative centuries of Church life and practice. Looking back at the Church in the past, you will recognize the

Church still struggles today to follow her Lord faithfully. The day retreat is on Saturday, March 25th from 10 AM to 2 PM in the parish hall, with lunch provided.

Register to attend at <http://www.allsaintsknoxville.org/first-500-years-registration>

The Chrism Mass will be celebrated Tuesday, April 4, at 6:30 p.m. at the Cathedral of the Most Sacred Heart of Jesus. At the annual Chrism Mass, diocesan priests renew their priestly vows. Bishop Stika blesses the sacred chrism, the oil of catechumens, and the oil of the sick that will be used in parishes of the diocese for the next year.

DEACON'S CORNER

We may be tempted to see the story of the Transfiguration as one of transformation. Jesus, who appeared to the disciples as a man among them during the course of His ministry, is suddenly transfigured before them. His face shone like the sun, and His clothes are blazing white. Moses and Elijah stand with Him. It seems that this Jesus who is a man among us is now changed into a god-like being, powerful and bright, and given authority by God, whose voice speaks from heaven, enjoining the disciples to "Listen to him." In reality, of course, Jesus has been God all along. Jesus has been powerful all along. Jesus has taught with authority all along. The Transfiguration represents, not a transformation of Jesus from man to God, but a revelation that this man Jesus is and has been God all along. Fully human; fully divine. The disciples could hardly have been expected to grasp that at the beginning of their time with Jesus. Even here, Jesus only brings along three of them, the three who make up His most inner circle, and instructs them to tell no one what they saw. Peter understands what he sees. He knows the implications, which is why he wants to set this place aside as a place of worship. But that's not Jesus' plan at all. There is still much work to be done, and no time for lying about in tents contemplating how wonderful God is. To worship Jesus properly is to follow Him. Lent is a time of transformation for us. We hope to be different people at the end of Lent than we are at the beginning. We take on practices, sacrifices, prayers, and works of mercy to remind us of where our hearts should properly be and to help transform us into the people we long to be. Really, though, Lent is about being transformed into the people we already are. We are adopted children of the Father, co-heirs with Christ to the kingdom. That is what we are already, and we are by the declaration of Christ at our baptism, not when we manage to somehow be good enough or do good enough to warrant His mercy. We are holy ones called to holiness. Lent is a season not to become saints, but to be the saints we already are.

Please bring your items for our Lenten Food Drive by Palm Sunday. The following items are needed: cans with pop-tops: tuna, chili, vegetables, fruit, beans, soups, SPAM and spaghetti sauce. Cereal, TANG, peanut butter, macaroni & cheese, Similac baby formula (blue, orange & purple lids). All donations benefit Ladies of Charity and Crazy Quilt Food Pantries.

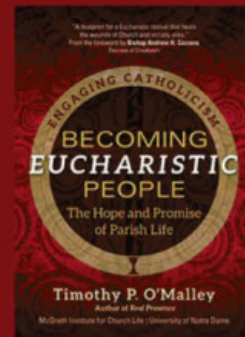

The loss of a loved one can leave one feeling alone, displaced, and very confused with how to move forward. The All Saints Grief Support Group would like to extend a warm and welcoming invitation to our Monday March Meetings on March 13th and March 27th at 1:00pm in Room C. We will be viewing and discussing Dr. Jason Troyer's brief videos on Staying Connected and Remembering our deceased loved ones by asking others to share their memories of them. For more information email Peggy at: pmlong1308@aol.com

READ ALONG ON WITH US THIS LENT!

Did you pick up a copy of *Becoming Eucharistic People* earlier this year?

It's a perfect read for the Lenten season and for preparation for the Eucharistic Revival. Over the next few weeks, join us in reading and reflecting on the question provided here in the bulletin each week.

For Chapter 1:

Having read through this section on culture, list five to ten features of the culture of our parish.

Do you see the four aspects of a Eucharistic culture in our parish?

Are there areas where our parish requires a conversion to foster a new culture?

The Chesterton Academy of St. Margaret Clitherow is a joyful, classical school in the Catholic tradition, opening in the Knoxville area in Fall 2023. The aim is to form a high school to finish our children's education in a classical manner: the cultivation of wisdom and virtue through nourishing the body and soul with the true, good, and beautiful through the seven liberal arts.

Planning is complete for this classically integrated high school model. They are now accepting student applications for all four grades and fundraising to meet the Fall 2023 school opening quota. If you are interested in enrolling your student or becoming a founding supporter of the Chesterton Academy of St. Margaret Clitherow, please visit knoxchesterton.com/admissions, or for general information, visit knoxchesterton.com.

During the Lenten season, certain feasts occur which the liturgy or local custom traditionally exempts from the Lenten spirit of penance. This year, the Memorial of Saint Patrick falls on Friday, March 17. It is well known that Saint Patrick's Day is a day of convivial celebration for many American Catholics. Therefore, Bishop Stika has issued a dispensation decree stating: "On Friday, March 17, 2023, all Catholics of the Diocese of Knoxville, by my authority, are dispensed from the abstinence obligation (can. 87 §1). It is not required that anyone make use of this dispensation. Those who do wish to make use of it are encouraged to abstain from meat on some other day as part of their penitential practices and to engage in some additional act of prayer, service to the poor or almsgiving."

A Lenten Meditation for Our Earth

(Adapted from "52 WAYS TO CARE FOR CREATION" from the Laudato Si' Movement)

Reconsider Transportation: Our world loves its cars and trucks; we love to 'rev it up'- it's our culture! However...nearly 30% of all greenhouse gas emissions originate from our vehicles, and these gases are warming our world, making summer weather last longer, storms more intense, and stressing trees and wildlife (nasa.gov). According to the DOT, the average American drives about 35 miles per day and reducing this number as a culture can have a huge positive impact. Carpooling, reducing trips and mileage by efficiently planning your errands, walking and biking, refusing to use drive-throughs, using public transportation, and switching our vehicles to electric are all healthier practices for creation! "The bishops of Bolivia have stated, "the countries which have benefited from a high degree of industrialization, at the cost of enormous emissions of greenhouse gases, have a greater responsibility for providing a solution to the problems they have caused" (LS 170)
