On Christmas Day, the Wandering Wise Men visited our Nativity Crèche.

They've also been spotted helping Deacon Victor with his homily, visiting our Columbarium and our new welcome sign, and more!

# Happy Parish Feast Day Church of the Epiphany!

## SYNOD ON SYNODALITY - JOURNEYING TOGETHER

---

The Pope is inviting all parishes in the world to participate in a Synod and Epiphany is excited to be included in this process. A Synod is a gathering of people, beginning at the parish level, called to listen to the inspiration of the Holy Spirit to “journey together” and discern God’s will for the whole Church.

Staff members are working diligently to implement this process and present it to you. Check our bulletin and weekly emails for more information in January, when you will be invited to participate in this synod process.

## LITURGY

### Nativity Crèche

Our beloved Advent and Christmas Tradition, our Nativity Crèche is now on display in the Minor Worship Chapel. We invite you to come visit this beautiful Bethlehem scene!

## COMMUNITY LIFE

---

### Feast of the Epiphany

January 1-2

We will celebrate our parish feast day with treats in the Commons after the Saturday Evening Mass on January 1 and after the 8:30 and 11 am Masses on Sunday, January 2.

## OUTREACH

---

### O Come Let Us Adore Him

Our Savior is here! Jesus, we praise and adore you for being the GIFT to the world. May all of our actions towards others be a reflection of your Light and our love for you.

### Go in Peace to Love and Serve the Lord

Thank you for your generosity throughout the year, and especially during this Christmas Season. Epiphany would not be able to feed the hungry, give drink to the thirsty, welcome the stranger, clothe the naked, care for the sick or visit the prisoner unless parishioners and visitors actively lived out the Gospel by their participation. And so, we pray: Good and gracious God, for the opportunity to serve you by serving others, we thank you and ask for your continued blessings. Amen.

## ART NOTES

January 2, 2022 | The Epiphany of the Lord

On display are several representations of the visit of the magi on the first Epiphany. A quilted version of the "Visit of the Magi to the Christ Child" normally hangs on a wall in the Blessed Sacrament Chapel, but is currently displayed next to the creche in Minor Worship during the Christmas season. This piece was sewn by a team of parishioners under the direction of Diann Liptak for Epiphany's 25th anniversary in 2004. This quilt was modeled a piece in Epiphany's art collection, a painting on tile by Mario Franchi of Assisi, Italy, on display on an easel in the Blessed Sacrament Chapel.

Also in the Chapel is a copy of the "Three Magi Presenting Gifts", a 6th century mosaic in the Church of San Appolinare Nuovo in Ravenna, Italy. The three figures dressed in Persian style are the final figures in a long "procession" that runs the entire length of the church's side wall, ending at the feet of the Madonna and Child. Hanging in a window in the Chapel is a stained glass piece of the "Three Magi" by Mary Perlmutter, who directed Epiphany's Art and Environment Ministry for many years.

## GOSPEL MEDITATION

### January 2, 2022 | The Epiphany of the Lord

In his Apostolic Exhortation, The Joy of the Gospel, Pope Francis references a thought from Pope Benedict XVI: “Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction.” Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, “Thanks solely to this encounter or renewed encounter with God’s love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being.”

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved.
