SYNOD ON SYNODALITY - JOURNEYING TOGETHER

The Pope is inviting all parishes in the world to participate in a Synod and Epiphany is excited to be included in this process. A Synod is a gathering of people, beginning at the parish level, called to listen to the inspiration of the Holy Spirit to “journey together” and discern God’s will for the whole Church.

Staff members are working diligently to implement this process and present it to you. Check our bulletin and weekly emails to see, when you will be invited to participate in this synod process.

Prior Offenders Returning to Society

Laurie Weeda | LWeeda@epiphanychurch.org | 804-794-0222

Returning to our communities following a stay in prison is fraught with challenges. People are often barred from jobs and housing due to criminal records. Many have alienated friends and family, or perhaps no longer have living relatives. They often have no money. Maneuvering the use of a cell phone or the internet may be absolutely foreign. After having no choice and no freedom while imprisoned, they must suddenly make decisions about everything, including things they know nothing about. If young when initially incarcerated, they may have no real understanding about financial management. We are considering a developing a re-entry program here at Epiphany. Would you be interested in helping us? We all know it takes a village to do many things in life. As Christ did, let us reach to the margins of society.

ART NOTES

January 9, 2022 | The Baptism of the Lord

Hanging in the Commons, just outside the entrance to Minor Worship, is "The Baptism of Jesus". This small painting on tile is by contemporary artist Mario Franchi of Assisi, Italy. This piece portrays Christ standing in the Jordan River while His cousin, Saint John the Baptist, pours water on His head. Several onlookers witness this event, including shepherds watching over their sheep. Today's Gospel reading from Saint Luke describes the Baptism of Jesus by John.

GOSPEL MEDITATION

January 9, 2022 | The Baptism of the Lord

What reference point do you use when making decisions? Many times, impulse takes control and decisions are made based solely on emotion and desire. We all know that these types of decisions can often get us into trouble. When a person has a confident sense of who they are and a real understanding of what is important and of value, the likelihood of kneejerk impulsive choices diminishes. Baptism gives us what we need to make well informed and purposeful decisions. By this simple gesture, God claims us as His own and provides us with the identity and purpose we need to properly live life.

It is tremendously reassuring, when we truly embrace this revelation and realize that we no longer have to wonder about the purpose of our lives or struggle to find our way. The answer of who we are in God has been given to us. We no longer have to fumble around, trip over ourselves or walk aimlessly about. Issues surrounding the sacredness of life, the meaning of death, the protection of those most vulnerable, care for the weak and the poor, offering hospitality to those in search of a home, the purpose and proper place of work, how to create a just social order, caring for creation, and understanding our roles as heralds and stewards are just a few of the wonderful gifts baptism brings. When we make decisions based on things such as these core Gospel truths we really act as Christ himself, revealing to others the new creations that we are. This is how we live our baptism.

It is difficult to walk against the tide. Yet, that is precisely what baptism calls us to do. Although we are sinners, in need of mercy and far from perfection we are called to order our life and make decisions based upon the wisdom and guidance of Almighty God. He alone is the one who can claim us as His sons and daughters. Standing up for our principles will not make us popular. But who ever said Christianity is a popularity contest? Baptism calls us to stand up for that which goes against the grain of secularism. Standing in line with other sinners, we have our anchor to steady us in the tempests of life and God is very pleased. Forge ahead. There is nothing to fear.
