THANK YOU!

Dear Epiphany Family,

Thank you so much for supporting my Eagle Scout Project.

My project is to assemble drawstring bags containing snack and hygiene items for the Homeless Outreach Ministry at Commonwealth Catholic Charities. The original goal for my project was 50 bags, and your amazing generosity has made it possible to complete 500 bags which will be delivered later this month! I feel very blessed to have such a loving community to support me and my goals to help the homeless! Thank you again!

God Bless,

Matthew Sheffler

JOIN OUR PARISH STAFF!

Church of the Epiphany is seeking a part-time Community Life Coordinator, and a full-time Administrative Assistant in our office. Interested candidates for each position should send a cover letter, resume and diocesan application to Susan Crudup, Business Administrator, at susancrudup@epiphanychurch.org.*

Community Life Coordinator

Do you love hosting parties? We have the job for you! The Community Life Coordinator will lead various parish fellowship opportunities throughout the year, including monthly dinners, special events, funeral receptions, and other community gatherings. The candidate will coordinate a team of dedicated volunteers to organize and host each event. A team player with a welcoming spirit and great organizational skills is a must. Work hours vary week-to-week and month-to-month depending on the parish schedule, but will rarely exceed 20 hours per week for this part-time position.

Administrative Assistant

The Administrative Assistant coordinates front office functions, including answering the phone, greeting guests and providing administrative support to the Pastor and staff. A qualified candidate will have strong organizational and interpersonal skills as well as a proficient knowledge of Microsoft Office. As the first point of contact for parishioners and visitors, the person in this position must have a pleasant demeanor and welcoming attitude; proficiency speaking Spanish is a plus. A high school diploma is required for this full-time position.

GOSPEL MEDITATIONS

June 9, 2024

10th Sunday in Ordinary Time

Jesus asks us a stunning question this week: "How can Satan cast out Satan?" To enter into this question opens up the often-hidden dynamics of what Jesus has done and is constantly doing. If we're honest, our response to some degree is: "How else can we cast him out? Satan is precisely how we cast out Satan!" But Jesus wants us to see this finally does not work. Here's what I mean.

Satanas names the demonic mechanism by which we render wholeness through accusation. When we face a threat, we seek something to protect us (e.g., more money, social status, security, power, etc.). Rivals inevitably arise for these things and so do tensions. Accusation presents itself. "I'll never be successful unless I get ahead of that guy." "She's already trying to get ahead of me." "That group of immigrants is trying to take our jobs." And so on. The accusation grows into a fear-inducing threat — things will break apart — no, they already are! Hurry! We inflict violence on the victim and — as if by magic — peace ensues. For a time. Soon fresh accusations are required to hold new chaos at bay, until there is no community left at all. This is essentially humankind's sad history in a nutshell.

Jesus' cross and resurrection unmasks this broken system of "casting out Satan by Satan" and ushers in a new one he calls "the Kingdom of God." He reveals that the dynamic of accusation is nothing compared to his power of divine mercy and love. The cross (and not Satan) is the real power to tear down strongholds of sin and cast out Satan. This is why he describes himself as the "stronger man who ties up the strong man to plunder his house." This week let's notice the ways we "cast out Satan by Satan," and then refuse to do it anymore. Because in the long run, that divided house cannot stand.

— Father John Muir

ART NOTES

6/9/24 10th Sunday in Ordinary Time

In the back of the Centrum is a copy of a mosaic of Saint Mark from the Basilica of Saint Mark in Venice, Italy, constructed during the 11th and 12th centuries. With its opulent design, ground gold mosaics, and its status as a symbol of Venetian wealth and power, the Basilica has been known by the nickname Chiesa d'Oro (Church of gold). The current liturgical cycle B takes the Gospel readings from Saint Mark.
