MAKE A WAY

What's your comfort zone: emotionally, professionally, personally? We all have one. But did you realize that you can have one spiritually? Think about what you like and what you don't particularly enjoy when it comes to church, prayer, and liturgy. We all have "those songs" we crinkle our noses at, either because they're too modern or too old-fashioned. We all have "those people" in our parish whose ideas we aren't so sure about, whether that's because they're trying to change too much or because they seem always to be looking toward the past. Also, when was the last time you sat on the OTHER side of the church during Mass?

As much as we may not want to admit it, even (and especially) as people of God, we get deeply attached to our own personal comfort

zones — and we tend to view those outside with distrust.

But what if God had a comfort zone? What if He viewed us, in our sin and our misery, as too "far away" from Himself to reach? Thankfully, our God is a God who "opens a way in the sea and a path in the mighty waters." Our God is a God who does "something new."

The call to stewardship demands that we look outside of ourselves. Our thoughts, our opinions, our preferences — these things are not important to the steward. Even if there is a vast, dry desert of discord, or a seemingly endless wasteland of opposing views between us and our neighbor, God challenges us to "make a way" out of our comfort zone, that together we may announce His praise.

—Tracy Earl Welliver, MTS

WHAT IS THE DIFFERENCE BETWEEN TITHING AND STEWARDSHIP?

Both tithing and stewardship are part of a spiritual way of life that calls us to use all of our resources for the service of the Gospel. Everything we are and everything we have comes from God. Offering back to God what He has given us is part of how we worship and give thanks to God.

Tithing is the practice of giving back 10 percent of what we earn. It comes from the Old English word for "ten." The first Scriptural example of tithing came from Abraham who gave a tenth of his possessions to the priest Melchizedek. He did so as an act of thanksgiving to God.

Stewardship as a way of life calls us to use well all that we have and all that we are, placing all things in service of others and God. Stewardship helps us see the good we can accomplish by making God and our spiritual life the most important values in our life. Whatever we accumulate in this life stays here. We can't take it with us! Both tithing and stewardship help us remember that nothing is mine or even ours ... all belongs to God.

Red Bird Ministries: Loving Through Loss

The death of a child is never easy and grief is experienced differently by everyone. Red Bird Ministries is a Catholic grief support ministry that focuses on couples who have experienced the loss of a child of any age by loving them through their loss. Core team members of Red Bird Ministries are parents of loss and know all too well what it is to live through such a horrific experience. Our goal is to help couples living this nightmare to not just survive their loss, but to love them through it by sharing our own experiences and healings, in hopes of helping them to survive and thrive in their marriages and in life. Please contact Kelly Breau at (337) 223-2019 or at kelly@redbird.love for more information. Visit our website at www.redbird.love.
