Earth Day, April 22, 2021!

As we celebrate Earth Day, we must remember our moral imperative to take action on climate in a fair and equitable way that benefits us all. Our planet is God's gift to us. May we be good to our planet and good to one another. Join us in praying for the Earth, the climate and our community.

Our many praises to the team of volunteers that have been working so hard to maintain our grounds. A special ***THANK YOU*** to St. Matthew School Student Council Association for weed control and trimming bushes, St. Matthew Women's Club and The Confraternity of San Lorenzo for the generous donations for mulch and to Todd Garrett for organizing the work day. A huge thank you to all the volunteers that donated their time and energy for this beautification project. It wouldn't have happened without you! We are so much stronger together!!

- An official death certificate (which must indicate the death "may have been caused by" or "was likely the result of" COVID-19 or COVID-19 like symptoms
- Funeral expense documents
- Proof of funeral funds received from other sources such as burial or funeral insurance
-

More information regarding this assistance can be found at COVID-19 Funeral Assistance | FEMA.gov.
