PASTOR'S COLUMN

Some updates on Capital Projects:

- **Atlas Masonry** anticipates starting the repair of the Front steps at the end of September.
- **Technical Assurance** is planning on being onsite the week of August, 15. They will be doing an indepth engineering study of the church façade and roof and also the boulevard building roof.
- **Henninger's** has reported that 4 of the 7 stained glass windows are completed. The windows needed to be completely taken apart, each piece cleaned, then reassembled. Once the 7 are completed and the lead and cement are rigid, they will reinstall them and complete work on some of the windows that didn't need a complete rebuild. Thank you for your generosity in supporting these projects. If there are any projects that you would like to personally fund around the parish, please let me know.

This past week we celebrated the feast of St. Alphonsus Ligouri, bishop and doctor of the Church. Alphonsus Ligouri wrote extensively on the virtues. He writes: "All holiness and perfection of soul lies in our love for Jesus Christ, who is our Redeemer and our supreme good. It is part of the love of God to acquire and to nurture all the virtues which make a man perfect." If we say we love God with all our heart, we owe it to him to acquire and nurture virtue. For he made us to be virtuous. So to neglect becoming as virtuous as we can, is to fail to love God with all our heart.

St. Alphonsus even recommended practicing a particular virtue each month: January: faith; February: Hope; March: Love of God; April: Love of Neighbor; May: Poverty; June: Purity of Heart; July: Obedience; August: Meekness and Humility of Heart; September: Mortification; October: Reconciliation and Silence; November: Prayer; and December: Self-Abnegation and Love of the Cross." You can't acquire and nurture the virtues if all you have is a general, vague, unintentional desire to become more virtuous. A virtue is like a particular muscle, say your biceps. Your biceps won't grow stronger if you just go through your normal daily routine. You have to intentionally train and strengthen your bicep. Same with the virtues. If you want to grow in humility, you have to be intentional about growing in humility. A virtue, like a muscle, is likely to decrease in strength, if you don't exercise it.

As we age, our physical muscles naturally diminish. But we can continue to acquire and strength in the virtues until the day we die. St. Alphonsus even recommended keeping a notebook or journal—an account of your failures and successes in practicing those virtues. For example, we begin the month of August. Every day we should be conscious and intentional about making acts of meekness and humility.

May St. Alphonsus help us to practice the virtues, to seek the goodness and perfection for which we are made, for the glory of God and salvation of souls.
