FROM OUR PASTOR, FR. TROHA

The following blessing is for you to use to **bless your house or apartment for the New Year**. You can use it on January 1 to start the new year, or on the more traditional day for the blessing, the **Feast of the Epiphany** next **Sunday, January 3**. The explanation is rather helpful in understanding this blessing and what it means to us as Christians.

Epiphany (also known as Twelfth Night, Theophany, or Three Kings Day) **marks the occasion of a time-honored Christian tradition of "chalking the doors."** The formula for the ritual — adapted for 2021 — is simple: take chalk of any color and write the following above the entrance of your home: **20 + C + M + B + 21**. The letters have two meanings. First, they represent the initials of the Magi — **Caspar, Malchior, and Balthazar**— who came to visit Jesus in His first home. They also abbreviate the Latin phrase, **Christus mansionem benedicat**: "**May Christ bless the house**."

The "+" signs represent the cross, and the "20" at the beginning and the "21" at the end mark the year. Taken together, this inscription is performed as a request for Christ to bless those homes so marked and that He stay with those who dwell therein throughout the entire year.

The chalking of the doors is a **centuries-old practice** throughout the world, though it appears to be somewhat less well-known in the United States. It is, however, an easy tradition to adopt, and a great practice whereby we **dedicate our year to God from its very outset**, asking His blessing on our homes and **on all who live, work, or visit them there**. The timing for the chalking of the doors varies somewhat in practice. This prayer may be prayed on the traditional **Feast of the Epiphany — the Twelfth Day of Christmas**. Most often, the chalking takes place after Epiphany Mass, and can be done at any church, home, or dwelling.

I hope your Christmas celebration was joyful as we look forward to God's blessings for us in the coming year of 2021.

Fr. Troha

Prayer for the Holy Mother of Mary of God

This solemnity is a rather recent addition to the cycle of seasons, Sundays, and feasts in our liturgical year. We have Pope Paul VI to thank for the 1974 enshrining of the devotion to Mary into our calendar on January 1. It is also World Day for Peace.

Let us pray...
God of heaven and earth,
you came to us and took our earthly flesh
through the gift of Mary's yes.
She is our Mother in faith,
as she is your earthly mother.
We are thankful beyond our ability to thank you
or the gift of her Son as our brother and savior.
Through her self-giving,
we have been reconciled to you.
Bless us as we begin this New Year
and endow us with the desire and ability
to create a world of peace.
We ask all this,
through the intercession of Mary to you,
one God, Father, Son, and Holy Spirit.
Amen.

PSR NEWS

It's not how much we give but how much love we put in giving. At Christmas, we see Jesus as little babe-helpless and poor. And he came to love and to be loved. How can we love Jesus in the world today? Mother Teresa of Calcutta

I would like to wish you and your family a Joyful and Peaceful Christmas Season. For many families, one of their Christmas traditions is giving and receiving gifts. Most of the times, what we appreciate the most are the gifts that are meaningful to us, given and received with love. They may be small, but priceless. When I was a child, for some reason, Santa never came to our house, not once! Maybe because we never wrote to him to tell him what we wanted. Or maybe we were not on the "Nice List" so he didn't bother to come. Or he had too many places to go and asked Jesus for a hand. So Jesus came to us every Christmas with his gifts of love, joy and more food than usual. Great gifts! Jesus, a little babe in a manger, is God's best gift to us. Let us thank God for giving us his Son to save us. Let us also be grateful for our family members who are always there for, and with us.

My gift to you and your loved ones are my prayers.

Merry Christmas!

Sister Josephine
