Father Kevin's Message

Church Buildings Usage After the Merger

The most frequent question that has been—and continues to be—asked through the entire diocese regarding the merger process of parishes is something like, "Which church or churches are going to stay open? Which ones are going to close?"

In preparation for our February 10 Virtual Parish Assembly, below is the answer to that question ***as it stands today:***

After July 1, 2021, once our five Butler Area Catholic Parishes merge to form a new parish, **the weekday and weekend Mass schedule will remain as it is today.** (The only disclaimer at this point is in regard to pandemic restrictions or limitations that may force us to change the schedule).

Therefore, the five church buildings that we currently use for liturgies will continue to be used, at least for the foreseeable future.

After the merger, myself, Lou Grenci (Director of Business and Property Management), and finance council members will need to look at the feasibility and necessity of keeping all five churches/campuses open for the long-term viability of the newly formed parish.

While we have already closed the St. Stanislaus Church building and property in Lyndora, we are still in the process of readying it for sale. Most of the pews have been removed from the church. We are still awaiting a company to remove the stained-glass windows and place them in storage, all the while learning that a church building closure is a long, difficult, and arduous process (especially during a pandemic).

The *primary* factors that will determine future building usage are:

- Financial stability of the parish
- Mass attendance and vibrancy of the parish
- Building(s) condition, location, size, facilities
- The number of priests assigned to the parish

Fortunately, the merged parish will be in a very solid financial position, and there is no immediate need to make any such decisions. And, we still have three priests assigned here. (We were told that only two priests will be assigned here in the long run).

As has been noted extensively in recent years, we have experienced a decline in Mass attendance, sacramental reception (marriages, baptisms, first holy communions, confirmations) for at least three, perhaps four decades in this part of the country.

We have also experienced a decline in weekly offertory in recent years, and the pandemic has added to this decline.

However, due to the extreme generosity of so many of you, and of our beloved deceased who have bequeathed significant amounts of money to our parishes, we have been able to remain on solid footing through the aforementioned challenges.

May we continue to do all that we can in support of our parish, of slowing down the spread of the virus, and with the distribution of the vaccine so that we can return to some form of normalcy and gathering ability at Mass in larger numbers, and in the various parish-related activities that occur regularly throughout the year.

Confessions

Beginning this weekend, we will be hearing confessions for the foreseeable future on Saturdays from 12pm – 12:45pm ***inside of St. Conrad Church.***

If three priests are hearing confessions, the places in the church that will be used are the confessional room, the "Family Room", and the sacristy. If two priests are present, the confessional room and the "Family Room" will be used. Each of these locations provide plenty of space for social distancing.

Please wear your mask and physically distance yourself from other people with whom you do not live or have not been around often.

Downtown Butler Fire

Please pray for those affected by last Saturday's fire on Main Street, and offer a kind word, a lending hand, or perhaps at some point in the future your patronage to these local businesses that are so vital to the life of our community.

Many thanks and admiration to all firefighters and civil servants who risked their lives to mitigate the damage; they did an excellent job.

Please keep informed about our Ash Wednesday and Lent schedule by reading the bulletin and checking our website.

Stay safe and healthy.

I pray for you daily.

Yours in Christ,

Rev. Kevin C. Fazio

Sprinkling of Ashes on Head, Not a Cross on the Forehead

Ash Wednesday services will be different this year as priests and deacons **sprinkle the ashes on top of worshippers' heads instead of making the sign of the cross on their foreheads.**

While this custom is not well known in this country, it is a common practice in other countries.

Because of health guidelines put in place for the COVID-19 pandemic, clergy are first to bless the ashes, sprinkle them with holy water, and address all those present by saying ***one time,*** *"Repent, and believe in the Gospel," or "Remember that you are dust, and to dust you shall return."*

Then, instead of making the sign of the cross with ashes on the forehead of each person, ashes will be sprinkled on top of the head. In this way, the priests and deacons avoid direct contact with a large number of people.
