## Protocol

In this bulletin and on our website we have posted Bishop Zubik's latest update regarding COVID protocol given the recent increase in positive cases.

Please wear a mask if you decide to attend Mass, regardless of your vaccination status.

If you are understandably uncomfortable sitting in one spot surrounded by numerous other people, but still desire to attend Mass, I suggest attending a weekday or Saturday morning Mass because fewer people are in the pews then. For the weekend, our least attended Masses are at 6pm on Saturday and Sunday evenings at St. Paul Church.

In addition to the continued refrain from distributing the Precious Blood, we are also to refrain from the sign of peace during Mass, and the priest or deacon will not even say the words, "Let us offer a sign of peace."

Please do all that you can to remain safe and healthy through these continued challenging times.

I pray for you daily,

Rev. Kevin C. Fazio

SPIRIT OF LIFE,

MAY WE SEE THE VALUE OF LIFE.

SPIRIT OF HOPE,

MAY WE RENEW OUR HOPE IN YOU.

SPIRIT OF PEACE,

MAY WE FIND PEACE IN YOUR LOVE,

AND LOVE EACH OTHER ENOUGH

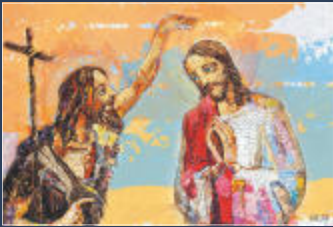

TO BRING YOUR PEACE TO OUR WORLD.

AMEN.

The Lord will bless his people with peace.

- Psalm 29

## Welcome!

No matter what your present or past status in the Catholic Church, no matter your current family or marital status, no matter what your present or past religious affiliation, no matter what your personal history, age, background, race or color, you are invited, welcomed, accepted and loved at All Saints Parish.

### Important Covid-19 Protocol Reminders For Mass Attendance

Given the recent record-breaking surge in positive COVID-19 cases, Bishop David Zubik is reminding everyone of the current Diocese of Pittsburgh safety protocols that include wearing masks regardless of vaccination status.

He is doing so to safely continue in-person Masses throughout the diocese. The celebration of the Holy Mass, where we gather to worship God and receive Holy Communion, is the heart of our Catholic faith.

This reminder is also being done as an urgent request for everyone to do their part to remain vigilant and mitigate the spread of the virus.

The current diocesan COVID safety protocols are:

- The obligation to attend Sunday and Holy Day Masses in person – which was restored effective Aug. 15 – remains in effect. Those who are sick, have a health risk, or are a primary caregiver, are excused from this obligation.
- Given the high transmissibility rates, mask-wearing is urgently encouraged for all attending Mass regardless of vaccination status.
- Priests, deacons, and all Eucharistic Ministers must continue to wear masks during the distribution of Holy Communion, and at all times except when speaking.
- All greeters and ushers must wear masks while welcoming parishioners, should maintain social-distancing, and should refrain from hand-shaking with fellow parishioners.
- The practice of extending the Sign of Peace at Mass is suspended until further notice.
- The distribution of the Precious Blood continues to be suspended until further notice.

“As we mark the end of 2021 and look with hope to a new year filled with God’s continued blessings, please join with me in praying for an end to the spread of COVID-19, and for health and happiness for all,” Bishop Zubik said.

## Safe Environment Clearances Need to Stay Up-to-Date

All volunteers and employees at All Saints Parish must comply with Safe Environment requirements, which the Diocese of Pittsburgh administers for all of its parishes.

The Diocese now requires recertification training every 3 years to follow up on the original Protecting God's Children training that you completed when you first registered on the Safe Environment Database. The training is a combined Protecting God's Children Maltreatment 3.2 and Vulnerable Adults Training.

You may have received an email notice from VIRTUS Online regarding recertification online training. VIRTUS is

the brand name that identifies best practices programs designed to help prevent wrongdoing and promote "rightdoing" within religious organizations.

You need to go to Virtus.org and log in. Then click on the link that says "a training module has been assigned." The training takes about one and a half hours.

Upon completion, please notify Safe Environment Coordinator Georgene Natali so she can print your certificate for our All Saints Parish Safe Environment file.

If the recertification is not completed, the individual will be considered "non-compliant" with Safe Environment requirements and will not be able to volunteer until recertification is completed.

Mrs. Natali will notify you when your Child Abuse History Certification and your Fingerprint/Waiver update are due. Your Pennsylvania State Police Clearance is updated through the Diocese. Please keep in mind that we are required to update those clearances every five years.

If you have trouble logging in or you have any other questions, please contact Mrs. Natali at 724-482-2690 Ext. 223 or [gnatali@AllSaintsButler.org](mailto:gnatali@AllSaintsButler.org).

Thank you for helping to create a safe environment at All Saints Parish!

## JAL Youth

**Register for March for Life**  
Friday, Jan. 21  
[tinyurl.com/AllSaintsMarchForLife](http://tinyurl.com/AllSaintsMarchForLife)

The March for Life is an inspiring, peaceful rally of people from all across the country. Every year, tens of thousands of pro-lifers converge on the National Mall and march on Capitol Hill on the anniversary of the Supreme Court's 1973 Roe v. Wade ruling that legalized abortion in all 50 states.

All Saints Parish is sponsoring a bus to the March for Life, which will be held on Jan. 21.

We will start the day with a 5:30am Mass at St. Conrad; then the buses will leave the St. Conrad parking lot at 6am. The March for Life Rally in Washington is set for noon, followed by a peaceful march up Constitution Avenue at 1pm.

On the return trip, we will stop for dinner in Bedford. We expect to return to St. Conrad around 11pm.

The cost is \$25 for adults and \$10 for youth through college age. To sign up and pay online, go to [tinyurl.com/AllSaintsMarchForLife](http://tinyurl.com/AllSaintsMarchForLife)

*If you are under the age of 18, please fill out a parental permission form on the JAL page at [AllSaintsButler.org/JAL](http://AllSaintsButler.org/JAL)*

ALL requests are to be directed to Kelly Livermore, business administrative assistant, at 724-287-1759 ext. 124 or [KLivermore@AllSaintsButler.org](mailto:KLivermore@AllSaintsButler.org). This includes the meeting rooms, classrooms and halls at St. Andrew, St. Conrad, St. Michael the Archangel, St. Paul and St. Peter campuses.

Kelly is working closely with our staff to meet the challenge of coordinating the maintenance and use of our five campuses at a time when demand for our facilities is increasing. She will coordinate the following:

- Scheduling meetings and rentals so there are no conflicts or double bookings
- Handling contracts and payments for hall rentals
- Unlocking / locking facilities
- Ensuring the facilities are set up and cleaned up

For more information, please go to [AllSaintsButler.org/Facilities](http://AllSaintsButler.org/Facilities).

## Second Collection on Jan. 16 Benefits St. Anthony, McGuire Programs

**January 15-16 Special Collection**  
for St. Anthony School Programs  
and DePaul School for Hearing and Speech

**Every child is a gift from God!**

A second collection on the Jan. 15-16 weekend will benefit St. Anthony School Programs and DePaul School for Hearing and Speech, which fill necessary roles for special education within the Diocese of Pittsburgh.

St. Anthony School Programs ([StAnthonyKids.org](http://StAnthonyKids.org)) offer an inclusive education to children ages 5-21 with special needs.

DePaul School for Hearing and Speech ([DePaulHearingAndSpeech.org](http://DePaulHearingAndSpeech.org))

teaches children from birth to age 14 who are deaf or hard of hearing to listen, speak, and learn.

Both programs empower students to become active and contributing members of their respective communities. Any help you can give is deeply appreciated and makes a tremendous impact on the students as well as their families.

Thank you and God bless!

## Diocesan and Community News

### The Global Synod: The Central Question

Everyone who cares about the Church is encouraged to participate in the “Synod on Synodality.”

Pope Francis wants to hear from those who feel marginalized or hurt by their Catholic experience, as well as from those who have found joy and mercy in the Church.

The central question for our “Synod on Synodality” sessions is: How do we, as sisters and brothers in Christ, journey together in our parish, diocese or other Catholic community? What steps is the Holy Spirit inviting us to take so that we can grow together?

During synodal sessions in early 2022 we will listen to each other and invite the Holy Spirit to open our hearts to

feel the love, joy and pain of those whose experience is different from our own. Catholics throughout the world will be discerning the same questions.

For information text “Synod2021” to 84576 and go to [www.diopitt.org/journeying-together](http://www.diopitt.org/journeying-together).

## New Science Program Challenges Students

“Every student is a scientist and every scientist was once a child, eager to learn!”

Those words from fifth-grade teacher Jennifer Friel illustrate the potential of a new science program for fourth and fifth graders at Butler Catholic School.

The Nancy Larson Science Program challenges students through a combination of rigorous curriculum and hands-on learning. Lessons are built on scientific conversations that encourage students to further their knowledge by using scientific vocabulary on a daily basis.

“The program provides children with scientific discovery, vocabulary, work booklets, and study skills to prepare them for a lifetime of learning and possibly a STEM career,” Mrs. Friel said.

Students will have the opportunity to create take-home scientific booklets featuring scientific

reading materials, as well as their own writing, drawings, graphs, and charts. A corresponding website provides resources students can access independently from home.

“We recently had the pleasure of meeting personally with the program designer and founder, Nancy Larson herself,” said Mrs. Friel. “She traveled from her home state of Connecticut to train us in the new program.”

BCS plans to have Ms. Larson return this spring to interact directly with students.
