A Ministry of the Conventual Franciscan Friars

MARCH 14, 2021 - 4TH SUNDAY OF LENT

Thank you to our student leader Rebecca Iyob, and her family's business Ornamental Post and Panel, for creating the beautiful new signage in front of the Church and all around the Newman properties.

The Newman offices will be closed on Friday, March 19

## Pro-Life Charity Request

Congratulations to Kevin O'Reilly (our Associate Director of Campus Ministry) and his wife Victoria on the birth of their identical twin girls Avila Grace and Stella Rose! The girls were born seven weeks prematurely, resulting in a 27-day NICU (Neo-Natal Intensive Care Unit) stay where their main goals were to learn to eat, breathe independently, hold body temperatures, and grow big enough to go home.

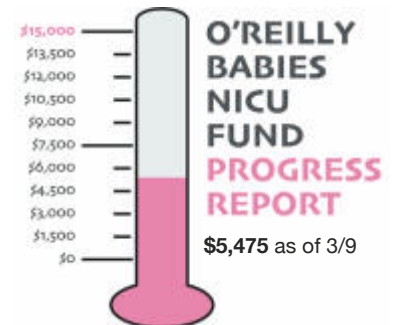

The UNC hospital experience regarding labor and delivery, postpartum care, and NICU were phenomenal. As you can imagine, however, this experience has led to very high medical bills, not all of which are covered by diocesan insurance.

I would like to ask you, the Newman community, in your charity to assist Kevin and his young family through this situation. It is certainly a pro-life cause, and certainly an act of Lenten charity.

As of March 9th, generous donors have contributed \$5,475 to the O'Reilly Babies NICU Fund. Our goal is to reach \$15,000.

To help, go to the Newman homepage (uncnewman.org), or log onto Realm and look for the drop box labeled "Babies, NICU, Kevin & Victoria".

Thank you and God bless you for your support.

## A Glorious Mystery—Growing Up Spiritually

PART 2 OF 3-PART SERIES PREMIERS MONDAY MARCH 15TH AT  
1:30 PM on [youtube.com/c/NewmanCommunity](https://youtube.com/c/NewmanCommunity)

*You are invited to experience a guided journey through adulthood, and learn how our perspective on many things change. We ask different questions and consider different facets of situations than we may have in the past. Why is that? Is it just because we have more experience? Or is there something more fundamental happening?*

Join **Dr. John Cavanaugh**, a scholar in adult development and aging, and learn the basic ways adults think, the very way their brains are wired, and how they change over time. Using our faith journey as an example, discover the way these changes explain how and why we progress from a sense and need for certainty, to skepticism and relativism, to reflective principled thought and a tolerance of ambiguity.

Subscribe to [Newman's YouTube Channel](https://youtube.com/c/NewmanCommunity) and click the bell to receive alerts as each becomes available.
