GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

May 19, 2024 Pentecost Sunday

When I was twenty-two years of age in August of 2000, I experienced World Youth Day in Rome. As for many of my generation, the event was life-changing for me. Surrounded by joyful, hope-filled young people from seemingly every nation and tongue, we were gathered around the Pope, sharing a common Faith and love. The Pope spoke to us of our shared family bond in the Church and invited us to give our lives in service to others. Now twenty-four years later, my life as a priest, like that of so many others from those special days, continues on that same path of love and unity — despite my many weaknesses. What makes that continuation possible?

This week's feast gives the answer: the Holy Spirit. The gift of God — His very life — the third person of the Trinity, is the Spirit who animates the entire Church and each member of it. He makes us one-in-love in a way that utterly exceeds human capacity.

For example, he makes the apostles speak with tongues of fire, and everyone hears them in his own native tongue. The Holy Spirit is the means by which Jesus establishes a new family, one that crosses all possible boundaries of time, space, and culture. The Holy Spirit never tires in enthusing us for mission.

Aren't we longing to experience the Holy Spirit in a fresh way? Today we celebrate this untiring flame, once ignited on earth and burning still. So, we humbly cry out: Come, Holy Spirit, fill the hearts of your faithful, and enkindle in us the fire of your love!

— Father John Muir

REFLECTION

Question:

How do we know when we receive the Holy Spirit?

Answer:

My brothers and I discovered something as we got older. There's a little bit of dad in us. Each time we catch ourselves using one of his gestures, expressions, or comments about a meal, we say, "I'm getting more like Dad!" Many laughs and good-natured kidding have come out of it. Mom loves it, and so does Dad, although I doubt he'd admit it!

When we are confirmed, we receive the gifts of the Holy Spirit. There is no radical change in us that makes us seem suddenly different. Over a period of time we come to see that there is a little bit of the Spirit in us. We catch ourselves using the gifts, and often end up wondering where a bit of wisdom came from, or why we were so patient or we feel an intensity in our prayer. Perhaps we felt drawn to deepen our spiritual life or found courage in witnessing to our faith. That's when we know we have received the Holy Spirit. We take on his image. Yes, we grow in age, grace and wisdom, but we also grow in our awareness and understanding of the working of God in our life. We become more godlike, realizing we're getting more and more like God. Our thoughts, words and actions carry that quality and others too, see it in us. You might call it holiness. But be confident! There's a little bit of him in all of us.

All bulletin announcements are due by Tuesday at noon. (Bulletins are prepared a week in advance and submitted for printing before noon on Monday.)
