LIVE THE LITURGY

Inspiration for the week

Human beings easily get bored. Life's routines can become so predictable that there is often little time for excitement or freshness. Today is all about the new and the wonderful. In celebrating the beauty and simplicity of the Epiphany, we see in tangible ways God's creative, redemptive, and restorative power. This refreshment and revitalization is offered not only to a select few but to everyone throughout the world. There is nothing routine or static about God. Surprises, wonders, miracles, opportunities, healings, and joy without measure are available to those who believe. There are never any endings, just beginnings. And, when darkness, boredom, and gloom seem to be the order of the day, a bright new light now shines pointing us to truth and reminding us that we are loved.

Make 2022 YOUR YEAR!

SAINT OF THE WEEK

The patron saint of Catholic schools, St. Elizabeth Ann Seton (August 28, 1774 – January 4, 1821) was born in New York City to a prominent family of the Episcopal faith. When she turned 19, she married a wealthy businessman with whom she had five children. He later died of tuberculosis in 1803, leaving her a young widow. After discovering the Catholic faith in Italy, where her husband had died, she returned to New York and converted to Catholicism in 1805.

After several years struggling as a single mother, Elizabeth moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph, the first community for religious women established in the United States. She also began St. Joseph's Academy and Free School, which started a chain reaction of Catholic-based education in the United States that continues today.

St. Elizabeth Ann Seton was canonized September 14, 1975 in St. Peter's Square by Pope Paul VI and was the first citizen born in the United States to be given the title of "saint."
