Notes from the Pastor

Greetings once again, and best wishes for a very good month of October as we enter into the Autumn!

A Sunday Reflection

As we hear in today's Bible readings during the Sunday Liturgy, marriage and family life are meant to be true blessings from the Almighty. Going back to the ancient Hebrew tradition found in the Old Testament Book of Genesis, the permanent union of one man and one woman has been seen for millennia as a sacred partnership blessed by God. Likewise, Christian Marriage continues to be a sacred partnership, a sacrament blessed and sanctified by the Lord Jesus in today's Gospel according to Mark.

Throughout Christian history, many men and women have found Christian Marriage and Christian family life to be wonderful gifts and blessings in which a covenant and community of love is lived every day. Especially in today's society, every Christian Marriage and every Christian family deserves our admiration and support and prayers.

Of course, for many married couples and families, life together today is filled with its challenges and stress. We all know those whose marriages have not lasted and whose families have been torn asunder. These husbands, wives, children, and families also need our care and understanding. No one enters into marriage thinking or hoping that it won't last. Unfortunately the difficulties of life today make marriage and family very difficult and challenging for so many.

Over the years, I've come to share this pastoral advice with as many spouses and parents as I can. First, husbands and wives might find it very beneficial to share seven (7) hugs and kisses EVERY DAY to show your devotion and love to each other and to keep your romance alive. Second, parents would do well to limit the presence of electronics in your home. Make your family life more peaceful and calm by turning off the television, the computer, your smartphones, and the radio as much as you possibly can. Our brains, nerves,

hearts, souls, and families need a break from all the electronic pollution and poison that has unfortunately infiltrated every moment and aspect of our lives. Try more peace and quiet in your home. You may come to love the quiet!

Today, Jesus clearly affirms the goodness and importance of Christian Marriage and family life. They are divine gifts to humanity and to the Church which give us stable families and homes and lives. May all of our husbands, wives, children, and families be blessed in your life together, and may all members of the Catholic Church respect, support, and pray for all families as they live out their lives as spouses, parents, and children. God bless!

A change to our Confession (Sacrament of Reconciliation) schedule

Given the number of Saturday weddings scheduled here in October and December 2021, our time for Confessions at Ascension church will now be 12:00pm until 1:00pm on Saturdays. This small change is needed to allow me (Father Jim Torquato) to both offer the Sacrament of Reconciliation at Ascension and also to preside at the 2:00pm weddings scheduled at Saint Philip. In that I'm the only priest now assigned to serve Saint Philip Parish, changes such as this are necessary to have a workable parish schedule. Thank you for your understanding!

Working with the Greater Pittsburgh Community Food Bank

Our parish recently received a request from the Greater Pittsburgh Community Food Bank to host a monthly food distribution for families in need in the western Pittsburgh neighborhoods as well as Crafton, Ingram, Thornburg, and other communities in western Allegheny County. Our parish is most willing to assist with this charitable service, and the Catholic Diocese has given permission to make the Ascension church location available to the Food Bank and its food recipients.

As such, the Greater Pittsburgh Community Food Bank

***Thank you for your generous
financial contributions to
SAINT PHILIP PARISH!***

**Your goodness and participation
help to keep our parish alive!**

will use the **Ascension location on the THIRD TUESDAY AFTERNOON of each month** from 3:00pm until 6:00pm to distribute food to local families (*from 4:00pm until 5:30pm*). If you or any relatives, neighbors, or friends in this area would benefit from a monthly food distribution, please contact the Food Bank (412-460-3663 or www.pittsburghfoodbank.org) and apply for the distribution at Ascension church of Saint Philip Parish beginning October 19.

October - a month for Pro-Life efforts

For at least 50 years, members and shepherds of the Catholic Church in the United States and around the world have been promoting greater respect for life and greater protection for life in our country and in our society. Our human lives and all creation are sacred gifts of God who gives life to all the earth - and who cares for and provides for all people and all creation.

The month of October is a special time to promote greater respect and protection for human life from its conception until natural death. For the sake of humanity and the world and the future, may we each promote respect for human life and all life, and may we do all that we can to protect life and support life in our families and parish and community!

Bishop David Zubik will preside at a special Liturgy for the Protection of Human Life on Tuesday, October 19, at 7:00pm, at Saint Paul Cathedral, Fifth Avenue in Oakland. All our members and families are most welcome to attend and participate!

October - a month for the Rosary

The month of October is also one of our traditional months to honor Mary, the Blessed Virgin Mother of the Lord Jesus. Mary has been most important to her divine son, Jesus, and Mary continues to be most important to us and to all the People of God in the Catholic Church.

One of our best ways to remember and honor and be close to Mary is through praying the Rosary. The Rosary is a magnificent prayer in which we remember 20 important events of Jesus' life -- and by which we honor God the Father, the Son, and the Holy Spirit along with the honor we also give to our Blessed Mother Mary.

You can find instructions on praying the Rosary on the Internet or in a variety of Catholic books. Rosaries themselves are also available in so many places. Make

this month a time to pray the Rosary, and you'll find yourself drawing closer to the Lord and to his Mother, Mary. You'll also find peace, consolation, faith, and encouragement as you take up a Rosary and pray this wonderful prayer every day!

Best wishes for this Sunday, this week, and October!

Best wishes for a very good Sunday! Again, thank you very much for your continued faith, discipleship, dedication, goodness, and generosity - to our parish community, to one another, and to those in need.

Until next Sunday, may you and all in our community receive goodness, health, and divine grace from God the Father, the Son, and the Holy Spirit. May the Lord Jesus bless you, your family, and our parish community now and always!

Yours,
Father Jim Torquato

Little Known Information: Santo Anello? Actually, Santo Anello is not a person. Santo Anello is a thing: the "holy ring" that St. Joseph gave Mary on their wedding day! Yes, you read that right. The wedding ring that St. Joseph gave to Mary is still in existence today. It is reserved in a special gold and silver reliquary in the Cathedral of San Lorenzo in Perugia, Italy. Many go on pilgrimage to Italy, unaware that only a short distance away from Assisi (14 miles) is the holy ring. Thanks to the mystical visions of Blessed Anne Catherine Emmerich, people around the world now know about the Santo Anello and its exact location. Pilgrims from around the world travel to Perugia to see the relic and venerate it. Blessed Pope Pius IX venerated the ring on May 10, 1857 when visiting Perugia.

Guardian Angel Academy

CLASSROOM CHRONICLES: Each week we will highlight the amazing things that are going on in our classrooms here at Guardian Angel Academy.

MR. ROY FISCHER'S CLASSROOM: The 7th and 8th grade students have spent the week learning how to login to their Google Classroom accounts. Each student in the middle school has a Chromebook for classroom use. In addition to using them to complete writing assignments, the 7th and 8th graders also used their Chromebooks to assist in their chapter reviews, by playing an online game called Kahoot! The students use their Chromebooks as “buzzers” in a trivia game to prepare for their tests. It keeps track of their accuracy and speed in answering the questions. The students got very competitive in their Kahoot review.

In 8th grade Social Studies, students are just beginning to study the Civil War. In addition to their normal classwork, the 8th grade will also begin an in-depth study of photography during the Civil War, searching an online depository and the Library of Congress, for pictures of soldiers and battlefields. Then, the students will reproduce their own photographs in the style of Civil War photojournalist!

The 7th grade Social Studies class is finishing up their Chapter 1, *The Roots of American People*. In this section, we studied the migration of early humans to North America, including a review of Native American groups living here in Western Pennsylvania. The students were shocked to learn about McKees Rocks Mound, a Mound Builder burial site right here in our own community!

Next week, we will be moving into the age of European colonialism of the American continent. Students will study Columbus's journey to the New World, as well as other explorers.

For Reading, both 7th grade and 8th grade started their novels. The 7th grade started *The Giver*, by Lois Lowry, while the 8th grade began *To Kill a Mockingbird* by Harper Lee. *The Giver* contains many themes of a supposed “utopia” which allows the students to discuss difficult

moral questions while also allowing us to incorporate our Catholic faith into the classroom discussions. *To Kill a Mockingbird* depicts life in a Southern town and deals with issues such as injustice and equality. Students will be able to make many connections between this novel and our study of the Civil War.

TEACHER SPOTLIGHTS: Each week we will spotlight one of our outstanding teachers at Guardian Angel Academy.

MRS. ALYSON WOODALL - PRESCHOOL TEACHER

My name is Alyson Woodall. I am the Pre-K teacher at Guardian Angel Academy. I joined the GAA faculty after spending 13 years teaching at St. Margaret of Scotland School. My passion for teaching has come from a family full of devoted and inspiring teachers and principals. I followed in my grandmother and mother's footsteps by attending Carlow University. I earned a bachelor's degree in early childhood and elementary education after completing my undergraduate studies. At the beginning of the 2020 school year, I joined Carlow's Reading Specialist Program. As part of Carlow's first class of reading specialists, I earned my Master of Education, Reading Specialist Certification, and Dyslexia Certification.

As I begin this school year, I am eager to help my young students build a strong educational foundation by incorporating my knowledge of effective literacy skills and strategies into my daily instruction. I also hope to help them strengthen their relationship with God as we learn new prayers and share Bible stories. Outside of school, I am happily married to my husband, Justin. We have two children, Kayleigh and Xander, and a two-year-old mastiff mix named Floki. I spend most of my free time taking my daughter to work at her afterschool job or watching my son play baseball and hockey. I enjoy drawing and going to the pool when I get a few moments to myself.

ST. VINCENT DE PAUL SOCIETY UPDATE

The **Allegheny County Covid-19 Utility Assistance Program** has recently been launched in order to help qualifying Allegheny County residents who fell behind in utility bills due to a financial hardship caused by the Covid-19 pandemic. Funds from this program will pay delinquent utility bills incurred on or after April 1, 2020. This assistance is available to both **renters and homeowners**.

In order to qualify, you must meet the following eligibility requirements:

- You must be a resident of Allegheny County, **but cannot live in the City of Pittsburgh**.
- You must be a customer of Duquesne Light, Pennsylvania American Water, Columbia Gas or Peoples Gas.
- Your household finances must have been negatively impacted by the pandemic.
- You, or a member of your household, must be a U.S. Citizen or a resident alien.
- Your total gross household income must be at or below 80% of the Allegheny County average median income. The monthly income limit for a household of one is \$3,958, a household of two is \$4,525, three is \$5,092 and four is \$5,654.

Please share this information with friends and neighbors who might benefit from it. For more info or to apply, visit: www.dollarenergy.org/need-help/pennsylvania/allegheny.

We would like to remind you that there is still time to buy tickets for the *Help Thy Neighbor* raffle. The grand prize is \$5,000! Tickets will be sold through October 31. You can buy raffle tickets at <https://form.jotform.com/201684852232151>. Be sure to specify that you are supporting the St. Philip

Conference. You can also purchase raffle tickets by calling or texting our hotline at 412-444-8140 or emailing us at svdp.saint.philip@gmail.com. All of the money raised will stay with our conference and go to help friends in need in our community.

This week, your generous donations enabled us to give a woman a bus pass to aid her job search; another woman was given a bus pass in order to get to her job training program; a disabled woman was given a bed, couch and recliner; a family of four was given clothing vouchers; a man was given new batteries for his power wheelchair; a woman was given \$150 toward rent; and another woman was given \$400 toward rent.

If you would like to make a monetary donation or a donation of \$10 Giant Eagle gift cards, please place your donation in one of the poor boxes, mail them to the parish office at 114 Berry Street, Pittsburgh, PA 15205, or donate online by visiting <https://saintphilipchurch.weshareonline.org/ws/opportunities/StVincentDePaul>. Monetary donations made to our conference are used only to assist friends in need and to pay our operational expenses. No money is given to any other organizations.

If you would like to make a donation of furniture or household goods, please call or text our hotline at 412-444-8140 or email us at svdp.saint.philip@gmail.com. If you have items that you would like to donate to us, we ask that you hold onto those items until we are either able to deliver them directly to a friend in need or have new storage space. If you would like to donate clothing, shoes or accessories, please place your donation in the blue bins in front of the Hope House at St. Philip or in the rear parking lot at Ascension, or you can call, text or email us to arrange a pickup if you are unable to transport them yourself. Please do not place any other items in those bins or leave anything outside of them because they will be thrown away. If you are looking to purchase new or gently-used clothing, housewares or furniture, please shop at the St. Vincent de Paul thrift stores and visit our online store at eshoppittsburgh.com. Also, we are always looking for volunteers! Any donation of your time is extremely valuable to us. If you'd like to join us in helping our friends in need or just want to learn more, please call, text or email us for more information.

As always, if you, or someone you know, are in need of assistance, please call or text our hotline at 412-444-8140 or email us at svdp.saint.philip@gmail.com.
