# THE MOST HOLY TRINITY

---

“But when he comes, the Spirit of truth, he will guide you to all truth.” - Jn 16:13a

## *From the Desk of Msgr. Cincinnati*

Heartfelt thanks for your prayerful support for me and my brother priests gathered together for our retreat this past week. Please know you and your loved ones were remembered each day at the Altar.

Next weekend is the celebration of Father's Day. I hope you will mark your calendars accordingly and plan to join us in the Barn for refreshments and fellowship following each of the weekend Masses. Such opportunities are vitally important for the life of any parish community as friendships are forged and the company of our parishioners is enjoyed by one and all.

The same weekend is the celebration of the Solemnity of Corpus Christi. The Sacrament of the Altar keeps us bonded together and provides us a weekly opportunity to grow in our love for the Lord and for each other. Please plan to join us Sunday evening for Solemn Evening Prayer with exposition of the Most Blessed Sacrament at 6p. Benediction will conclude the event at 7p. All are welcome!

## ARE YOU REGISTERED IN THE PARISH?

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. **It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes.** Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.
