## Frequently Asked Questions!

**Q: I already have a My Senior Center key tag for another center- do I need another for North Ridgeville?**

**A:** No, If you already have a key tag, a staff member or front desk volunteer can assign your key tag to our center and you can use one key tag to check into multiple senior centers.

**Q: I only come for one activity a month- do I need a card?**

**A:** EVERYONE needs a key card, even if you come infrequently. This allows you to check in to the center for you activity without having to sign a paper activity sheet. More importantly, this allows the Senior Center to accurately track the number of individuals participating in an activity on any given day.

**Q: What happens if I lose my card?**

If you lose your key tag, it is very easy to be assigned a new card. There is no limit to the number of cards that can be assigned to an individual.

**A: What happens if I don't have my card with me when I come?**

You can check in for activities using your first name and phone number.

## A MESSAGE FROM DIRECTOR EMILY LOCKSHINE

Greetings!

We've had to contend with a few cold and snowy days this winter. After our first big storm on January 17<sup>th</sup>, I definitely started to better appreciate the snowbird concept! I see many of you coming out to the center despite the snow and cold and I am thrilled to see how resilient our participants are.

We have some exciting offerings for March and April, including the addition of a Tai Chi Balance class and two class offerings from the Institute for Retired Learning (IRL) - Inventions and Innovations A-Z, Mondays at 12:45 p.m. and Remarkable Women Who Changed the World, Wednesdays at 2:40 p.m. These classes will begin in April and run for six weeks. If we get a good level of participation, classes like these can become part of our regularly scheduled program offerings.

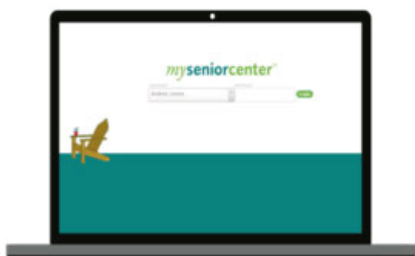

We have one field trip in March with additional trips planned for May, June and July - more information will be available in our next newsletter.

Please see the message on the cover page of the newsletter for information on the launch of My Senior Center, our automated registration and tracking system. Once we are all acclimated, I guarantee this will make daily business at the center run smoother and more efficiently. Please be patient with our front desk volunteers as they transition from pencil and paper to our automated system. They have been working extremely hard to help prepare for the launch. I cannot thank them enough for their grace, patience and willingness to embrace something new.

Speaking of volunteers, I would like to take a moment to acknowledge and thank the effort, dedication and hard work of all our volunteers. From the front desk, to servers for our special events, spaghetti dinner and Meals On Wheels drivers, we truly could not do it without you.

Thank you!

Emily

### Take a Minute to locate our new My Senior Center Kiosk in our Lobby!

After you have received your card from our front desk and have verified that all of your contact information is correct, you will be able to check in at the kiosk for activities!

**For the time being, you will still need to stop at the front desk to pay for meals or make payments for trips, activities and fitness classes.**
