He walked along a little farther and saw James, the son of Zebedee, and his brother John. They too were in a boat mending their nets. Then he called them. So they left their father Zebedee in the boat along with the hired men and followed him. - Mk 1:19-20

From the Pastor's Desk

Fr. Bedel

Beloved in Christ,

We are coming to the end of the "Week of Prayer for Christian Unity." It culminates tomorrow on the Feast of the Conversion of St. Paul, who is a great uniting force for Christians in his word, example and intercessory prayer. At the Last Supper, Jesus prayed that we would be one as He and the Father are One.

In 2019, Pope Francis designated today, the Third Sunday of Ordinary Time as "Sunday of the Word of God." He asked that the day be devoted to the celebration, study and dissemination of the word of God. The Church points out that it supports our efforts this time of year when we are encouraged to strengthen our bonds with the Jewish people and to pray for Christian unity. In his declaration, the pope wrote that it should not be seen as a yearly event but a year-long event "for we urgently need to grow in our knowledge and love of the Scriptures and of the risen Lord, who continues to speak his word and to break bread in the community of believers."

Thank you for your support of the Catholic Ministries Appeal. We did awesome last year as a parish! While many people are suffering hardship due to the pandemic, others are still very blessed; and this showed through greatly as we surpassed our parish goal. Thanks for your generous witness.

Thanks also for your prayers. Be assured of my daily prayers for you.

God bless,
Fr. Bedel

Notes from Honduras

Many of you have supported the effort to feed the poorest people at St. Joseph the Worker Parish/Home of Nazareth School in Honduras. Fr. Sevilla is continually overwhelmed by your kindness and generosity. He enclosed a little note in all the bags of food you provided that said we at St. Margaret are praying for them. The hunger situation is dire in Honduras, but your generosity helped address the need to some extent.

School always begins right after the Feast of Our Lady of Suyapa. On February 13 & 14 we will be at all the masses to ask for new sponsors for the children at the school as well as for donations for food. Those of you who are current sponsors will be contacted separately to determine if you want to continue your support for the 2021 school year.

I would like to share the story of Our Lady of Suyapa to provide context on her importance to the Hondurans. It is a mix of local folklore and Catholic beliefs.

A peasant boy, Alejandro Colindres, was working in the fields and realized he would not make it back home, so he spent the night in the field (a common practice). He felt a hard object under his blanket and threw it far away and fell back asleep. A bit later, he woke up feeling the hard object again. Alejandro threw the object into the field again. This happened a third time so instead of throwing the object away, he put it in his bag.

When Alejandro got home, he remembered the object and pulled it out. He saw it was a beautiful carving and believed it to be of the Virgin Mary. The object is wooden and quite small (about as big as your thumb!). The family put the little carving on the altar in their home. They shared the news and friends and neighbors came to pray for the intercession of the Virgin Mary.

Prayers were answered and miracles happened. A church was built in honor of and in thanksgiving to Mary. The little statue was moved to this church in the city of Tegucigalpa, near the field where it was originally found. Pilgrims came from all over Honduras to honor the Virgin Mary.

Years later, a basilica was built next to the church to magnify the honor given to the Virgin Mother. The little statue was dressed in a tiny gown and placed inside a glass case.

The feast day is February 3rd although the celebrations begin on the 2nd. There have been unexplained happenings regarding the statue. It has moved from the basilica to the small church with no one claiming to have performed the duty. Rumor has it that the Virgin prefers the humble church where she was originally housed. Every year thousands of people make the pilgrimage to celebrate the Virgin. Many poor people come by bus and camp on the grounds around the church and the basilica.

Food Pantry Support: Donations & Drivers

As we move to permanently support both the Kings Local and Loveland LIFE Food pantries, the outpouring of support from our community has been second to none. During the first week of January alone, we were blessed with a surplus of *volunteer drivers. People contacted us with additional ways they could help. Most importantly, the donation bins were full of peanut butter, paper towels, dental hygiene supplies, and extra-special treats like Skyline!

All non-perishables are happily accepted. Pantries have gaps. The highlighted Items-of-the-Month are much needed, rarely donated, and not eligible to be purchased using the Supplemental Nutrition Assistance Program (SNAP) funds.

January Item of the Month: Toothbrushes and toothpaste

Were you CRESTfallen that P&G brands were not included in the puns used in the previous bulletins? Oops!, we've TIDE-ied up the faux pas this week! We shORAL-B grateful if you leave items on the table next to the Hospitality room opposite the Parish Office.

*Volunteer drivers: If the delivery slots were claimed when you accessed the SignUp Genius, know that you will still be on the distribution list when it reopens for July-Dec.

Items are delivered to the pantries twice a month, once to Kings Local in South Lebanon and once to LIFE on Loveland-Madeira Road. Interested in making the occasional delivery? For details and access to the volunteer sign-up platform (SignUp Genius), call or text Lindsey Galles | 513.602.4817.

Year of Saint Joseph Indulgences

Pope Francis proclaimed a Year of Saint Joseph from December 8, 2020 – December 8, 2021. He declared it so that “every member of the faithful, following his example, may strengthen their life of faith daily in the complete fulfillment of God’s will.” With this declaration, Pope Francis also granted some special indulgences for this year.

You might be asking what’s an indulgence anyway? Let’s start by looking at temporal punishment. A classic example to explain temporal punishment is a father who asks his child not to play baseball near the house. The child disobeys, plays baseball near the house, and ends up breaking a window. We have the disobedience of the child to the father and the broken window to examine. The child asks forgiveness of the father and is truly sorry for disobeying. The father forgives the child freely. After the sin is forgiven and forgotten, there is still a broken window, the effect of the child’s disobedience. The child could work at different chores to earn money to pay for the window, the father could repair it, or the father could call in a glass company to do the work. That repair of the window, the thing that the disobedience produced, is like the temporal effects of our sin and we will have temporal punishment for that. Our sins are forgiven, but things must be right.

Our eternal punishment (hell) is erased with the Sacrament of Reconciliation and God’s forgiveness. Our temporal punishment is erased in purgatory after we die, or through some sort of good and holy works we do while still alive. These works and prayers then cancel the debt of the temporal effects of our sin. They repair the window so to speak.

The Catechism tells us that “An indulgence is a remission before God of the temporal punishment due to sins whose guilt has already been forgiven, which the faith-

ful Christian who is duly disposed gains under certain defined conditions through the Church’s help when, as a minister of Redemption, she dispenses and applies with authority the treasury of the satisfactions won by Christ and the saints.”

“An indulgence is obtained through the Church who, by virtue of the power of binding and loosing granted her by Christ Jesus, intervenes in favor of individual Christians and opens for them the treasury of the merits of Christ and the saints to obtain from the Father of mercies the remission of the temporal punishment due for their sins.” The Church does this not just to aid Christians, “but also to spur them to works of devotion, penance, and charity” (CCC 1478).

After our death, we can end up directly in heaven if we die in a state of grace and we are without any remnant of the temporal effects of sin. We can end up in purgatory, where we are cleansed of the temporal effects of our sin and purified before we go to heaven. Lastly, we can end up in hell, by our own choice, if we refuse to accept God and love Him and others.

In His mercy, God gives us the ability to work on the effects of our sin while here on earth and to shorten our time of purifying after death through indulgences. There are some rules attached to indulgences that need to be followed. First, we need to be in a state of grace while we do the work of the indulgence, so we can’t be in a state of grave or mortal sin. Second, we need to have the interior disposition of complete detachment from sin, even venial sin. That means we are trying actively and consciously to avoid sin. Third, we must have sacramentally confessed our sins (in the confessional, to the priest). Fourth, we need to receive the Eucharist at the time of our work and finally, we need to pray for the intentions of the Pope. Now we do get a bit of a grace

period, because all those Sacraments aren’t always available to us on the same day and at the same time. We have what the Church calls a reasonable amount of time before or after our indulgenced work to go to Reconciliation and receive the Eucharist, but we should pray for the Pope’s intentions the same day. Praying for the Pope’s intentions can be as simple as praying an Our Father, Hail Mary and Glory Be.

There are two kinds of indulgences, partial and plenary. Partial indulgences do just what they sound like, they remit partially the temporal punishment attached to the sin. A Plenary indulgence remits all the temporal punishment for those sacramentally confessed sins.

As a bonus, we can give away our indulgences to benefit our loved ones that have died and are already in Purgatory. They can no longer help themselves with prayers or works, so we can do it for them.

Here is a link to the indulgence for the Year of Saint Joseph. <http://bit.ly/3nAC-QyZ> These are just a few of many more indulgences to be gained. Just check them all out in The Enchiridion of Indulgences, a copy of which can be seen at <http://bit.ly/35yrJk1>

Here’s a plan: go to Reconciliation on Saturday morning or Monday night, head to Sunday or any daily Mass and then afterward choose one of the indulgences like spending 30 minutes meditating on the Our Father or praying a family rosary and shorten your time in purgatory. You not only get that happy remittance of punishment, but here on earth, you are growing ever closer to the Lord, building up your prayer life, helping those in need and becoming a more faithful disciple.

Permanent Deacon Application Cycle to Begin

Men of the archdiocese who are interested in applying for the Permanent Deacon Formation class which will begin in September 2022 should contact Deacon Mark Machuga, Director of the Office of the Diaconate, at 513.263.6641 or deaconoffice@catholicaoc.org. The application cycle for the next class will begin in early 2021. Prerequisites, qualifications and procedures will be discussed with each man considering the Diaconate.

Legatus - Cincinnati Chapter

Legatus is an international organization of practicing Catholic laity who are CEO's, Presidents and Managing Partners from the business community and professional enterprises. Its mission is "To study, live and spread the Catholic faith in our business, professional and personal lives." Monthly local chapter meetings include Confession, Rosary and celebration of Mass followed by dinner and outstanding local and national speakers. We have local small-group advisory forums and two annual national conferences. Legatus also sponsors international travel and pilgrimages with fellow members to sites including the Holy Land, Oberammergau, Medjugorje, and Guadalupe (Mexico City). Interested in learning more? Contact Jim Akers at jakers@akerspkg.com or 513.435.0506.

Cybercrime Warning

The COVID-19 pandemic has precipitated an increase in online and telephone scams using very creative and convincing language and materials, including deceptive websites and email addresses. Please be wary of any unsolicited request for money, gift cards or information! If you have any doubt about the party contacting you, take the time to verify their identity before providing any personal information. Most importantly:

- Never give your social security, credit card or bank account numbers to an unknown party
- Do not click on digital pop-ups or attachments if you don't know who they are from
- Never share your password with anyone on the phone
- Do not allow anyone to control your computer remotely

Ohio Mask Mandate

As a reminder, Ohio's mask mandate requires everyone above the age of 10 to wear facial coverings in public indoor spaces that are not a residence. This includes St. Margaret of York. Please familiarize yourself with the full details of the order. Thank you.
