5TH SUNDAY OF LENT

Theme: "Racing to Grasp the Prize" Every day we come into contact with optimists and pessimists, and traits of both are part of our own selves. Pessimists take the gloomiest possible view of the human condition. They are captives of the "Good old days," of what is not anymore and never will be again. They are not creative because they regard all efforts as doomed to fail in the first place. This represents anything but the "Spirit of '76." Imagine if the Founding Fathers had fostered this kind of thinking! Optimists look to the bright side of things. They are creative and dynamic. They have confidence in life.

Today's Liturgy invites us to be optimistic. Whatever the past, look to the future! Christians are optimists by definition. As far as the past is concerned, they believe in a merciful God who forgives the penitent sinner. As far as the future is concerned, they know that they will overcome misery and evil and build a better future because they have faith in Someone who is stronger than they are.

Life is a constant challenge: the future of your family, your success in business or on your job, your personal growth through human relations. With confidence in God, Christians accept this challenge. Their philosophy of life is that of Paul: "I give no thought to what lies behind but push on to what is ahead" (Reading II).

News & Community

1st, 2022. The purpose of the event is to raise money in support of the Club's efforts to promote vocations in our faith community. For every \$10 ticket voucher the Serra Club sells, it gets to keep \$5 in support of their ministerial efforts. Please know that the Club has recruited Mother Seraphina Marie, of the Franciscan Daughters of Mary, Fr. The Y'all's opponent for the June 1st game is the Washington Wild Things, and game time is scheduled for 6:31 p.m. (yes, 6:31 p.m. is the actual start time for June 1st). I would expect the honorary first pitches to take place app. 30-40 minutes prior to the start of the game. DCCH FOSTER CARE AND ADOPTION PROGRAM has created a new ministry - St. Joseph Ministry. St. Joseph's Ministry is an outreach initiative offered by DCCH Center for Children and Families' Therapeutic Foster Care Program, with support from the Diocese of Covington. It was created to raise awareness of the many ways the church and faith communities can support children in Kentucky's public child protection system. Ron Bertsch (Director of Foster Care and Adoption at DCCH) would love the opportunity to speak to the pastor about this ministry. Ron has done presentations at churches in the community to spread this message. DCCH's website also has more information -- <https://www.dcccenter.org/stjosephsministry>
